Examiner Title: _____

Important Testing Details

- Students must complete all required eyelash service quotas before taking the Eyelash Technology Practical Skills Test.
- If the test is not passed, a new results form must be used for any subsequent test.
- The examiner must circle the points earned for each step and note any Automatic Fail Incidents that occurred.
- No partial points can be given.
- The total points received must be calculated and recorded.
- Each Results Form must show accurate scores and be signed.
