

Eyelash Technician Grandfathering Course Approval Application

To become an approved provider of the 6-hour Eyelash Technician Grandfathering Course, complete this application and submit it with the required attachment via email, mail, fax or hand-delivery. In addition to other requirements listed [here](#), an individual wishing to receive a grandfathered Eyelash Technician Operator or Salon Manager License must complete this course.

Approval Process: Your application will be reviewed within 15 business days. If your course is approved, you will receive an approval letter and be eligible to offer the course through January 31, 2018.

Records and Documentation: You must provide each attendee with a course attendance certificate. The course attendance certificate must include the name of the course, the name of the attendee, the date of attendance, and the course provider name. Course providers must retain records of course attendance for at least five years and respond to Board audit requests within 15 days.
