

Eyelash Technician Grandfathering Course Provider List

All applicants for a grandfathered Eyelash Technician License must complete a 6-hour Eyelash Technician Grandfathering Course based on health, safety, infection control, laws and rules before January 31, 2018. All courses must be pre-approved by the BCE; unapproved courses, or courses not on this list, will not apply towards licensure. Please see the Eyelash Technician License Application for all requirements which must be met to submit a complete grandfathering application by January 31, 2018.

Note: The BCE cannot guarantee that each of these courses will have open enrollment for all.
