

Military Temporary License Application

This expedited application allows an active duty military member, the spouse of an active duty military member, or a veteran of two years or less to obtain a temporary license using current licensure in another state. A Military Temporary License is issued for one calendar year and is not eligible for renewal. Incomplete applications are returned for corrections, which will delay licensure.

IMPORTANT: A Military Temporary License is valid for one calendar year only and cannot be renewed. If you want to continue practicing in Minnesota, you must apply for your license(s) using the standard application process and obtain your license(s) by the time your temporary license expires. This means completing all required coursework and examinations, paying all required fees, and submitting a complete license application for each license you wish to obtain. This may include applying for and obtaining one or more prerequisite licenses before you can obtain your desired license(s).

You may choose to apply for a license after your temporary license expires. Be aware, however, that you would not be eligible to practice cosmetology in Minnesota between the date your temporary license expires and the date your new license is issued.

To find out what steps you will need to take to obtain a certain type of license by the time your temporary license expires, contact the Board office at cosmetology@state.mn.us.
