

Please read the following information carefully before beginning your application for licensure.

General

Applications

- Print single-sided and do not staple any documents in your application.
- Attach additional sheets of paper as needed. Added sheets should specifically reference the application.
- If you send documentation separately from your application, place a post-it note on the first page of your application indicating that the required documentation is “on file at the Board”.
- Once received by the Board, all applications go through a two-person review. If the CBC Unit has delivered your criminal background check results to the Board, the application is added to the queue to be processed. Applications in the queue are processed in the order in which they were date-stamped. If after the two-person review the criminal background check results have not been received, the application will be stored until the criminal background check is brought to the Board. Incomplete applications will be returned to the applicant. **This is the information you will receive if you call to ask about the status of your application.**

Criminal background check

- Applications for licensure are not processed until the applicant’s criminal background check results have been delivered to the Board of Dentistry.

Notarizing documents

- To locate notary publics in Minnesota, utilize the [Secretary of State's](#) online directory. If you are not in Minnesota, refer to the governing body that regulates notary publics in your jurisdiction.
- Copies of documents requiring a notary stamp must be both **notarized and certified**. This means that the notary must 1) stamp the document with their notary stamp **and** 2) write “true copy of the original”, or something to that effect.
- Have the notary notarize the front of the document itself; do not allow them to attach separate pages. Banks, which often do not certify documents, sometimes attach separate sheets of paper.

Background

- Email addresses are required for future correspondences.
- If you have legally changed your name, your application also requires a copy of the legal document that changed your name. The copy does not need to be notarized and certified.

Disclosure Questions

- If you have had a criminal conviction, please attach:
 - A personal statement detailing the events leading up to and following the conviction,
 - A copy of the court sentencing order from the designated county clerk or courthouse, and
 - A copy of the arresting officer’s report, if available.

Affidavit of Applicant

- All applicants must complete the Affidavit of Applicant.
- Signatures on the Affidavit of Applicant must be original. Copies are not accepted.
