No, not in Minnesota. Eyelash extension services are included in your scope of practice.

Can I get a license just for nails and waxing?
No, not in Minnesota. If you're trained in nails and skin (waxing) but not in hair care, you must obtain an Esthetician license and a Nail Technician license. The only way to do both with one license is to become a Cosmetologist.

Can I transfer my manager/master license?

Verification of Salon License

If you are working in a salon, it is your duty to ensure it has a current license.

Compliance with Laws and Rules

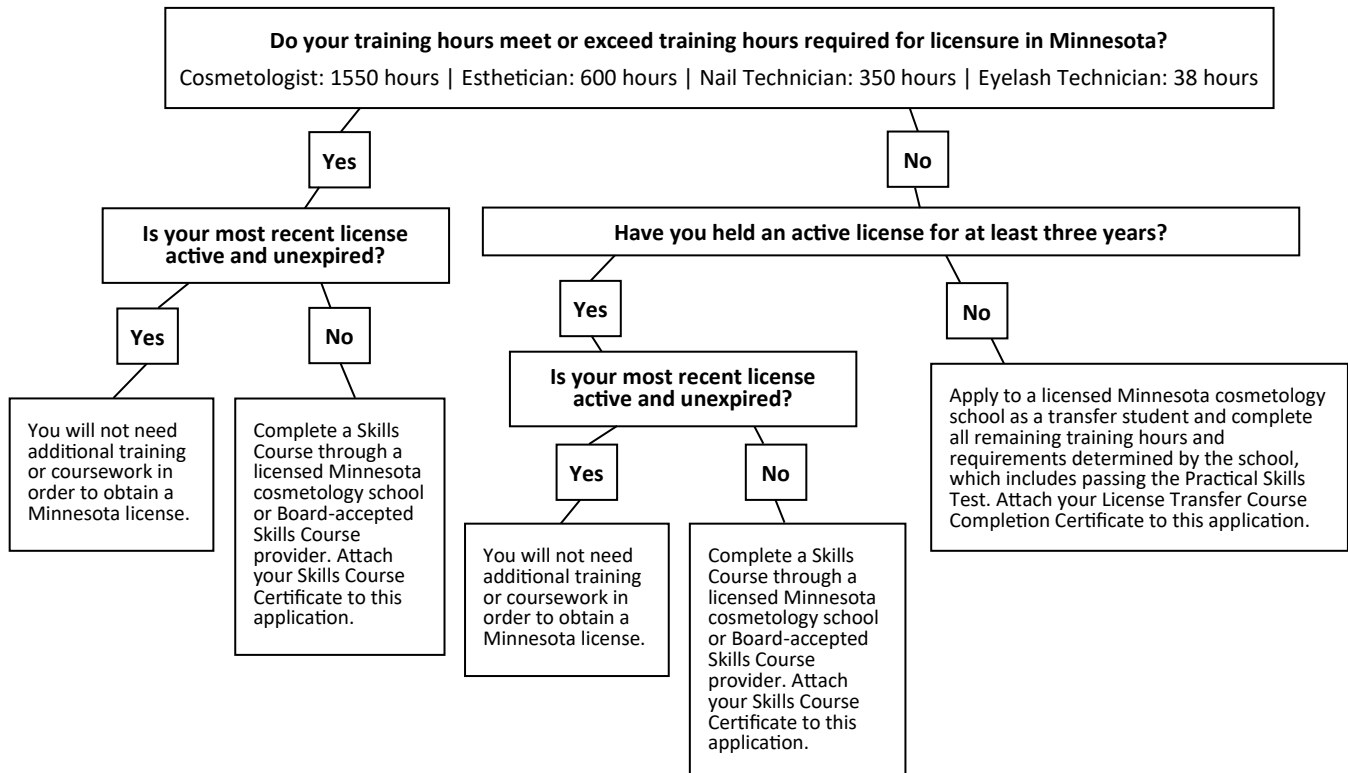

As a licensee, you are responsible for ensuring compliance with all applicable laws and rules. Civil penalties of up to \$2,000 per violation can be assessed to you, to your Designated Licensed Salon Manager, and/or to the salon for not following laws and rules established by the Board.
