

BOARD OF OPTOMETRY

335 Randolph Avenue • Suite 210 • St. Paul MN 55102

August 31, 2023

Gale Stead, O.D.
21600 Fairview Street
Excelsior, MN 55331

Dear Dr. Stead,

This letter is your official notification that Minnesota Board of Optometry Complaint Resolution Committee (CRC) has completed its review of your compliance with the Agreement for Corrective Action (ACA) dated February 1, 2023. The CRC has determined that you have completed the agreed upon corrective action effective August 31, 2023. Therefore, the complaint referenced in the 2023 ACA is closed.

Pursuant to Minnesota Statutes Section 214.103, an Agreement for Corrective Action is a public document and as such becomes a permanent part of a licensee's public licensure file. All other material related to a complaint is classified under the Minnesota Government Data Practices Act as "confidential" while the complaint is in active status and "private" after it is closed. Therefore, such material is not part of your public licensure file and is not available to the public. Please note, this letter will be included in your file to reflect your compliance with the 2023 ACA.

Thank you for your cooperation in this matter.

Regards,

A handwritten signature in cursive script that reads 'Britt Heglund'.

Britt Heglund

Executive Director

Minnesota Board of Optometry
