

**BEFORE THE MINNESOTA
BOARD OF PODIATRIC MEDICINE**

In the Matter of
James L'Allier, LP
License No. 1033

**STIPULATION AND
CONSENT ORDER**

STIPULATION

James L'Allier, LP ("Licensee"), and the Minnesota Board of Podiatric Medicine ("Board") Complaint Resolution Committee ("Committee") agree that this matter may be resolved without trial of any issue or fact as follows:

I.

JURISDICTION AND BACKGROUND

1. The Board is authorized under Minnesota Statutes chapter 153B to license and regulate licensed prosthetists and to take disciplinary action as appropriate.
2. Licensee holds a license to practice prosthetics in the State of Minnesota and is subject to the Board's jurisdiction with respect to the matters referred to in this Stipulation and Consent Order.

II.

FACTS

1. On January 1, 2018, the Board granted Licensee a license to practice as a prosthetist in the State of Minnesota.
2. On February 20, 2025, in St. Louis County District Court, Licensee was charged with seven counts of felony possession of pornographic material depicting minors.
3. On April 18, 2025, Licensee pleaded guilty to three of the seven counts of possession of pornographic material depicting minors. St. Louis County District Court rejected

the guilty plea and entered a stay of adjudication for five years on all three counts. If Licensee fully complies with the five-year probationary period, the District Court will dismiss the three counts.

III.

LAWS

1. The Committee has determined, and Licensee agrees, that Licensee's conduct as described in section II. above constitutes a violation of Minnesota Statutes section 153B.70 (a)(3) and (8). Licensee agrees that the facts and conduct cited in section II. above constitute a reasonable basis in law and fact to justify disciplinary action under these statutes.

IV.

REMEDY

1. NOW, THEREFORE, upon this Stipulation and all of the files, records, and proceedings herein, and without any further notice or hearing herein, Licensee agrees that the Board may make and enter an order disciplining and revoking Licensee's license to practice as a prosthetist as follows:

a. Effective as of the date the Board adopts this Stipulation, Licensee's prosthetist license is **REVOKED** for the conduct described in section II. above.

b. Licensee shall not, in any manner, practice as a prosthetist in the State of Minnesota and shall not advertise or represent himself as a licensed prosthetist.

2. Licensee may not apply for relicensure to practice prosthetics in the State of Minnesota for a minimum of five years and only upon satisfaction of all requirements of criminal probation. The burden of proof will be on Licensee to provide by a preponderance of the evidence that Licensee is fit to practice prosthetics in a safe, competent, and ethical manner.

V.

ADDITIONAL INFORMATION

1. Licensee knowingly and voluntarily waives the contested case hearing and all other procedures before the Board to which Licensee may be entitled under the Minnesota and United States constitutions, statutes, or rules.

2. Licensee knowingly and voluntarily waives any and all claims against the Committee, Board, the Minnesota Attorney General, the State of Minnesota, and their agents, employees, and representatives related to the investigation of the conduct herein, or the negotiation or execution of this Stipulation and Consent Order, which may otherwise be available to Licensee.

3. Licensee acknowledges that Licensee was informed of the right to counsel. Licensee is represented by Kristen Naros, Esq. of Naros Law.

4. This Stipulation and Consent Order, the files, records, and proceedings associated with this matter shall constitute the entire record and may be reviewed by the Board in its consideration of this matter.

5. Licensee has read, understands, and agrees to this Stipulation and Consent Order and has voluntarily signed the Stipulation and Consent Order. Licensee is aware that this Stipulation and Consent Order must be approved by the Board before it goes into effect. The Board may approve the Stipulation and Consent Order as proposed or reject it. If the Board rejects the Stipulation and Consent Order, the matter will be returned to the Committee for further proceedings or negotiations.

6. Licensee agrees that if the Board rejects this Stipulation and Consent Order or a lesser remedy than indicated in this settlement, and this case comes again before the Board, Licensee will assert no claim that the Board was prejudiced by its review and discussion of this Stipulation and Consent Order or of any records relating to it.

7. This Stipulation and Consent Order shall not limit the Board's authority to proceed against Licensee by initiating a contested case hearing or by other appropriate means based on any act, conduct, or omission of Licensee which constitutes grounds for disciplinary action, and which is not specifically referred to in this document.

VI.
