

AMERICANS WITH DISABILITIES ACT

NOTICE TO THE PUBLIC

It is the policy of the Minnesota Board of Pharmacy to comply with the provisions of the Americans with Disabilities Act, 42 U.S.C.A. Section 12101, et. seq. (ADA). The ADA prohibits discrimination against qualified individuals with disabilities on the basis of their disability. The ADA provides, in part, that qualified individuals with disabilities shall not be excluded from participating in or be denied the benefits of any program, service, or activity offered by the Minnesota Board of Pharmacy.

The ADA requires that all programs, services, and activities, when viewed in their entirety, are readily accessible to and useable by qualified individuals with disabilities. The Minnesota Board of Pharmacy must communicate effectively with individuals with speech, visual, and hearing impairments; and provide auxiliary communication aids to qualified individuals with disabilities participating in or benefiting from the Minnesota Board of Pharmacy's programs, services, or activities to afford equal opportunity.

Should you wish to review the ADA or its interpretive regulations, ask questions about your rights and remedies under the ADA, request a reasonable modification to the Minnesota Board of Pharmacy's policies, practices, or procedures, or file a written grievance with the Minnesota Board of Pharmacy alleging non-compliance with the ADA, please contact the Minnesota Board of Pharmacy's designated coordinator, listed below, for the ADA.
