Call for Advisory Task Force Participants

The Board of Pharmacy has authorized the Executive Director to convene advisory task force committees to evaluate several relevant pharmacy practice topics and provide information and recommendations to the Board.

[Visit our website](#) to review each committee tasking, commitments, and other information. An application link is also embedded in the committee documents. Applications will be accepted until August 22, 2025.

Current committees are as follows:

Technician Duties and Scope of Practice

The board is currently seeking qualified volunteers for the task force on pharmacy technician scope of practice and other pharmacy support personnel duties. The committee will be made up of practicing Minnesota pharmacists and technicians. Public and stakeholders may contribute to the process by providing information and comments to the committee.

Telepharmacy and Remote Pharmacist Duties

The board is currently seeking qualified volunteers for the task force on telepharmacy and remote pharmacist tasks. The committee will be made up of practicing Minnesota pharmacists and certified pharmacy technicians. Public members with experience in receiving telepharmacy services or pharmacists or technicians from other telepharmacy

states may also be eligible to serve on the committee. Public and stakeholders may contribute to the process by providing information and comments to the committee.
