

**BEFORE THE MINNESOTA
BOARD OF VETERINARY MEDICINE
COMPLAINT REVIEW COMMITTEE**

In the Matter of
Ashley Anderson, DVM
License No. 13318

**AGREEMENT FOR
CORRECTIVE ACTION**

This Agreement is entered into by and between Ashley Anderson, DVM (“Licensee”), and the Minnesota Board of Veterinary Medicine Complaint Review Committee (“Complaint Review Committee”) based on Minnesota Statutes section 214.103, subdivision 6(a)(2). Licensee and the Complaint Review Committee agree to the following:

BACKGROUND

1. On May 8, 2018, the Board granted Licensee a license to practice veterinary medicine in the State of Minnesota.
2. On May 27, 2026, Licensee met with the Complaint Review Committee, composed of Mahlon Bauman, DVM, Board member; and Kathleen Jost, DVM, Board member, to discuss allegations regarding Licensee's practice of veterinary medicine contained in a Notice of Conference dated April 1, 2026. Robert Kuderer, Esq., represented Licensee. Carlos Figari, Assistant Attorney General, represented the Complaint Review Committee. Licensee and the Complaint Review Committee have agreed to enter into an Agreement for Corrective Action to address the concerns identified below.

FACTS

3. In March 2025, in Minnesota, the following occurred:
 - a. On March 5, 2025, the owner of a horse (“Owner”) contacted Licensee by Facebook and asked if she could call Licensee on the phone to discuss a wound care problem with

her horse. Licensee had not physically examined this horse at any time in the past but had examined a different horse belonging to Owner on February 23, 2025, at a competition in Shakopee, Minnesota, and prescribed medication for that horse for arthritis pain and first aid care.

b. During the March 5, 2025, phone conversation, Owner explained that the horse had injured its leg approximately three weeks prior and had been treated by a different veterinarian, with whom Owner was now unsatisfied. Owner sent photos and asked Licensee for her opinion about the wound and for antibiotics. Licensee declined to prescribe any medications for the wound and recommended that Owner seek veterinary care, but also, in reliance on Owner's assertions that she was unable to get into contact with her regular veterinarian or other nearby veterinarians, sent Owner wound care instructions a YouTube video on how to apply a bandage to the horse's wound.

d. On March 6, 2025, Owner again contacted Licensee by Facebook inquiring about maggot therapy for the horse's wound. Licensee denies providing Owner a prescription for medical maggot therapy, but Owner was able to order medical maggots and used Licensee's license number to do so.

e. On March 17 and 18, 2025, Owner contacted Licensee via Facebook with updates regarding the horse's wound condition, to which Licensee denies responding.

f. On March 21, 2025, Owner contacted Licensee via Facebook and informed Licensee of an emergency. Licensee responded that Owner should call Licensee, but Owner did not call and later messaged Licensee that the emergency was resolved. Owner then sent Licensee a photo of the horse's hoof, which had detached entirely from the horse's leg.

g. On or around March 24, 2025, the horse was euthanized. Licensee did not euthanize the horse and never physically examined the horse.

CORRECTIVE ACTION

4. The Committee determined that the conduct described in paragraph 3 above does not comply with Minnesota Statutes section 156.081, subdivision 2(11) and (12), and Minnesota Rules 9100.0700, subpart 1(A) and (B), and 9100.0800, subparts 1 and 4, and necessitates the following corrective action as follows:

a. Within 90 days from the date of this Agreement, Licensee shall submit to the Committee evidence of completion of the following: two (2) credit hours on the topic of veterinary telehealth and telemedicine. This continuing education must be pre-approved by the Committee. For this purpose, the Committee preapproves the following online course: “Telehealth & Telemedicine Legal and Ethical Considerations” offered by Animal and Veterinary Legal Services. The credits from this continuing education may not be applied to the requirements for Licensee’s next license renewal.

OTHER INFORMATION

5. Upon Licensee's satisfactory completion of the corrective action referenced in paragraph 4 above, the Committee agrees to dismiss the complaint(s) concerning the matters referenced above. The Committee shall be the sole judge of satisfactory completion. The Committee may reopen this complaint if it receives newly discovered information that was not available to the Committee during the initial investigation, or if the Committee receives a new complaint that indicates a pattern of behavior or conduct.

6. If Licensee fails to complete the corrective action satisfactorily, the Committee may, at its discretion, reopen the investigation and proceed according to Minnesota Statutes chapter 156 (the Board's Practice Act) and Minnesota Statutes chapters 214 and 14. Licensee

agrees that failure to complete the corrective action satisfactorily is failure to cooperate under Minnesota Statutes section 156.123 and may subject Licensee to disciplinary action by the Board.

7. This agreement shall become effective upon execution by the Board's Executive Director and shall remain in effect until the Committee dismisses the complaint, unless the Committee receives additional information that renders corrective action inappropriate. Upon receiving such information, the Committee may, at its discretion, proceed according to Minnesota Statutes chapter 156 (the Board's Practice Act) and Minnesota Statutes chapters 214 and 14.

8. This agreement is not disciplinary action. *See* Minnesota Statutes section 214.103, subdivision 6. However, this agreement is classified as public data pursuant to Minnesota Statutes section 13.41, subdivision 5.

9. Licensee hereby acknowledges having read and understood this agreement and having voluntarily entered into it. This agreement contains the entire agreement between the Committee and Licensee, there being no other agreement of any kind, verbal or otherwise, which varies the terms of this agreement.

ASHLEY ANDERSON, D.V.M.
Licensee
