In the Matter of
Joyce Anderson, Ph.D., L.P.
License No. LP1189

STIPULATION AND CONSENT ORDER FOR VOLUNTARY SURRENDER

IT IS HEREBY STIPULATED AND AGREED by Joyce Anderson, Ph.D., L.P. (Licensee), and the Minnesota Board of Psychology (Board) as follows:

1. During all times herein, Licensee has been and now is subject to the jurisdiction of the Board from which she holds a license to practice psychology in the State of Minnesota.

FACTS

2. For the purpose of this stipulation, the Board may consider the following facts as true: Licensee suffers from non-Hodgkins lymphoma. Stress of any kind could compromise her treatment for this disease and may also be life-threatening.

REGULATIONS

3. The Board views Licensee's condition as described in paragraph 2 above to fall under Minn. Stat. § 148.941, subd. 2(9) (inability to practice psychology with reasonable skill and safety...due to physical illness or condition). Licensee has retired from the practice of psychology and has requested to voluntarily surrender her license to practice psychology in Minnesota pursuant to Minn. R. 7200.3700.

REMEDY

4. Upon this stipulation and all of the files, records, and proceedings herein and without any further notice or hearing herein, Licensee does hereby consent that until further order of the Board, made after notice and hearing upon application by Licensee or upon the Board's own motion, the Board may make and enter an order as follows:

a. Licensee shall surrender her license to practice psychology in Minnesota. All state licenses and certificates shall be surrendered to the Board within ten days of the date of this Order.

b. Licensee shall not practice, attempt to practice, offer to practice, or advertise or hold out as authorized to practice psychology in Minnesota, except that Licensee may practice in a setting in which licensure is not required and shall not represent herself or permit herself to be represented to the public by using any title or discussion of services that incorporates the words "psychology," "psychological," "psychological practitioner," "psychologist," or "licensed psychologist," or otherwise represent that she has expert qualifications in an area of psychology, except as otherwise provided by Minn. Stat. § 148.96, subd. 3 (2000), or any designation which indicates licensure by the Board. Upon Licensee's surrender of her license to practice in Minnesota, the Board agrees to close its files in this matter.

c. Should Licensee reapply for licensure in Minnesota, the Board may reopen its investigation.

5. If Licensee shall fail, neglect, or refuse to fully comply with each of the terms, provisions, and conditions herein, the license of Licensee to practice psychology in the State of Minnesota shall be suspended immediately upon written notice by the Board to Licensee, such a suspension to remain in full force and effect until Licensee petitions the Board to terminate the suspension after a hearing. Nothing contained herein shall prevent the Board from revoking or suspending Licensee's license to practice psychology in the State of Minnesota after any such hearing.

6. If Licensee's license has been suspended pursuant to paragraph 5 above, Licensee may petition to have the suspension lifted at any regularly scheduled Board meeting following Licensee's submission of a petition, provided the petition is received by the Board at least 20 working days before the Board meeting. The Board shall grant the petition upon a clear showing by Licensee that she has corrected all violations of this Stipulation and Consent Order

which were the basis for the suspension. Based on the evidence presented, the Board may impose additional conditions or limitations upon reinstating Licensee's license.

7. In the event the Board at its discretion does not approve this settlement or a lesser remedy than indicated in this settlement, then, and in that event, this stipulation is withdrawn and shall be of no evidentiary value and shall not be relied upon nor introduced by either party to this stipulation, except that Licensee agrees that should the Board reject this stipulation and this case proceeds to hearing, Licensee will assert no claim that the Board was prejudiced by its review and discussion of this stipulation or of any records relating to this matter.

8. Any appropriate court may, upon application of the Board, enter its decree enforcing the order of the Board.

9. Licensee has been advised by Board representatives that she may choose to be represented by legal counsel in this matter. Licensee is represented by Marcy S. Wallace.

10. Licensee waives all formal hearings on this matter and all other procedures before the Board to which Licensee may be entitled under the Minnesota or United States constitutions, statutes, or rules and agrees that the order to be entered pursuant to the stipulation shall be the final order herein.

11. Licensee hereby acknowledges that she has read, understands, and agrees to this stipulation and has freely and voluntarily signed the stipulation without threat or promise by the Board or any of its members, employees, or agents. When signing the stipulation, Licensee acknowledges she is fully aware the stipulation shall be approved by the Board. The Board may either approve the Stipulation and Consent Order as proposed, approve the Stipulation and Consent Order subject to specified change, or reject it. If the changes are acceptable to Licensee, the stipulation will then take effect and the order as modified will be issued. If the changes are unacceptable to Licensee or the Board rejects the stipulation, it will be of no effect except as specified herein.

12. Notwithstanding any provisions of law to the contrary, this Stipulation and Consent Order is a public document and will be sent to all appropriate data banks.

13. This stipulation contains the entire agreement between the parties there being no other agreement of any kind, verbal or otherwise, which varies this stipulation.
