

Athletic Trainer Work History Form

Minn. Stat. §148.7809 requires athletic trainers to submit business setting and work history for the past year including the average number of hours worked per week and a report of any change in status since licensure or previous renewal. You are required to provide this information which is classified as public. Failure to provide this information may affect your renewal. The purpose and intended use of this information is to enable the Board to determine whether you meet statutory and rule requirements for renewal. **If you did not work as an athletic trainer since your last renewal, be sure to write that you did not work.**
