c. June 26, 2014 – Department of Human Services – Presentation to Cultural and Ethnic Minority Infrastructure Grant Stakeholders – (LaBrocca)

3. National Board for Certified Counselors Annual Conference – August 6-9, 2014 (Rechtzigel, Piper, Roberts, Wilson). Ms. Rechtzigel reported that she and the named Board members will attend the NBCC annual conference beginning August 6, 2014.

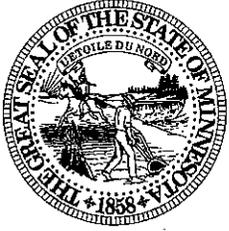

4. American Counseling Association – An Open Letter from the ACA President and President-Elect (Roberts). Ms. Rechtzigel furnished Board members with a copy of the ACA letter. Discussion followed. Walter Roberts provided background commentary to the rest of the Board members. The education accreditation issue has created a divide in the profession. The Council for Accreditation of Counseling and Related Education Programs (CACREP) is a national accreditation. CACREP accreditation is tied to reimbursement, in particular with respect to services provided to veterans. [Freddie Davis-English arrived at 10:18 a.m.] Kristen Piper noted that the CACREP issue was a hot topic at the NBCC conference last summer. Nona Wilson stated that Ohio and Florida are “power players” on the issue; they only license people who completed their education in a CACREP program. Consumers will ultimately pay the price because there will be fewer providers due to many licensees not having a degree from a CACREP program. Yvonne Hundshamer asked what the BBHT requires. Ms. Rechtzigel explained that the degree requirement for LPC or LPCC licensure in Minnesota must be from a counseling program recognized by the Council for Accreditation of Counseling and Related Education Programs (CACREP) or from an institution of higher education that is accredited by a regional accrediting organization recognized by the Council for Higher Education Accreditation (CHEA).

5. Office of the Legislative Auditor – BBHT Audit – Field Exit Conference – July 29, 2014. Ms. Rechtzigel reported that BBHT staff met with the audit team. The OLA report will be a combined report on the health-related licensing boards’ audits. Ms. Rechtzigel thanked Samantha Strehlo for her work in providing the auditors with the information and reports necessary to complete their tasks. Ms. Strehlo further explained the structure of the upcoming report.

B. LADC Program Update (Samantha Strehlo)

1. Licenses Issued Since Last Board Meeting. Ms. Strehlo provided Board members with a list of persons licensed since the last Board meeting on April 25, 2014. Eighty-three LADC licenses and 31 temporary permits were issued since the last Board meeting. See Attachment 1 to these minutes.

2. Report on Program Operations

The licensure process is very streamlined now. Many colleges and universities have provided BBHT with coursework grids that list the courses required to meet permit and LADC licensure requirements. Permits and licenses are issued in one to two weeks on average. Delays in issuing licenses result from findings in background studies. Ms. Strehlo reported that she, Kari Rehtzigel, and Chair Gordon will make a presentation on the Board's tiered licensure study at the MARRCH (LADC professional association) fall conference in late October.

C. LPC/LPCC Program Update (Patricia LaBrocca)

1. Licenses Issued Since Last Board Meeting. Ms. LaBrocca provided Board members with a list of persons licensed since the last Board meeting on April 25, 2014. Fifty-nine LPCC licenses and 104 (61 in July alone) LPC licenses were issued since the last Board meeting. See Attachment 1 to these minutes.

2. Report on Program Operations

Ms. LaBrocca reported that the Board received 105 LPCC applications in July. The large number of applications is related to the August 1, 2014 change in the law related to LPCC conversion method licensure requirements. She appealed to the members of the Application and Licensure Committee for assistance in reviewing applications.

4. Variance Requests

A. Catherine M. Kuschel, MA, LPC (pc 1503). Ms. Kuschel requested a variance to Minn. R. 2150.5010, subpart 4.A., related to completing supervised practice hours with an approved supervisor. Ms. Kuschel requested that the Board accept supervised practice hours she completed with Sue Ann Gelster, MA, LIMHP (Nebraska). Walter Roberts moved to approve the variance request. Marlae Cox-Kolek seconded. All Board members voted aye, there were no nays, and the request was granted.

B. Christina Costello, MA, LPC Applicant. Ms. Costello is deaf and requested a variance to Minn. R. 2150.5010, subpart 4.C. related to the requirement that 75 percent of supervision be completed in person and limiting supervision through electronic means to 25 percent. Ms. Costello requested that the Board allow her to complete the majority of her supervision by videophone. Kristen Piper moved to approve the request. Duane Reynolds seconded. All Board members voted aye, there were no nays, and the request was granted.

5. Termination of LPC/LPCC and LADC Licenses for Nonrenewal

Marlae Cox-Kolek moved to approve the termination of the LPC, LPCC and LADC licenses on the list prepared by the Board staff. Duane Reynolds seconded. Chair Gordon called for a vote on the motion. All Board members present voted to approve the list of licenses to be terminated. See Attachment 2 to these minutes for the licenses that were Board terminated.

6. Public Comment Period

Curt Murphy and Michael McGinnis addressed the Board on the issue of persons licensed in other professions providing alcohol and drug counseling services, in particular social workers. Mr. Murphy referenced Minn. R. 9530.6450, subpart 5 (part of Rule 31) and Minnesota Statutes section 148F.11, regulations that address exceptions to LADC licensure. Mr. Murphy also voiced concerns about tiered licensure and the changes in practice that may occur if tiered licensure is adopted. Walter Roberts stated that written questions to the Board will help to frame the issues. Chair Gordon noted that Rule 31 is outside the Board's jurisdiction; it is a Department of Human Services rule. Yvonne Hundshamer asked if the Board has received complaints about persons practicing alcohol and drug counseling without a license. Staff responded that the Board has "cease and desist" authority to address unlicensed practice. Walter Roberts asked Mr. Murphy if he has brought his concerns to the Board of Social Work. Mr. Murphy has not. The issue of who can provide alcohol and drug counseling services will be addressed at the next quarterly Board meeting. Chair Gordon suggested that the next Board meeting be held in Mankato, Minnesota.

7. Adjournment

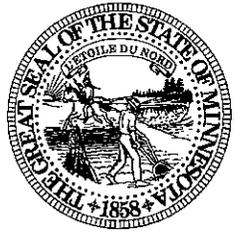

Bob Schmillen moved to adjourn the meeting. Duane Reynolds seconded. All Board members voted to adjourn the meeting, and the public session of the Board meeting adjourned at 11:26 a.m.
