4. State Shutdown (July 1, 2011 through July 20, 2011). Ms. Rehtzigel spoke briefly about the three-week state shutdown and the effect on Board operations.

5. Biennial Budget Information; Sunset Advisory Commission. Ms. Rehtzigel provided the Board with information about the current budget and progress in retiring the program debt. Samantha Strehlo provided specific monetary figures. At the end of FY 2010, the LADC program debt was reduced to approximately \$346,000. At the end of FY 2011, the LADC program debt was reduced to approximately \$113,000. At the end of FY 2010, the LPC program debt was reduced to approximately \$388,000. At the end of FY 2011, the LPC program debt was reduced to approximately \$178,000. Board members gave a round of applause to the staff for this achievement. Kristen Piper asked if fees will be reduced once the debt is retired. Ms. Strehlo explained that staff will need to examine what fee level is needed for regulation. Ms. Piper recommended that the fees should be set to ensure that the Board can increase the size of the staff. Ms. Strehlo responded that the number of licensees keeps rising and the work continues to increase, so adding a staff member to the Board office will be necessary in the near future.

Ms. Rehtzigel clarified that the Board will have to work with the Office of Management and Budget in setting fees, and ultimately the Legislature will have to approve any fee increases or decreases.

Ms. Rehtzigel provided the Board members with a copy of legislation creating a Sunset Advisory Commission. The Board is required to submit a report to the Commission for review of its operations. If legislation is not passed in the 2012 session to continue BBHT operations, the Board will "sunset" (cease to exist) on June 30, 2012.

Walter Roberts thanked the staff for their accomplishments in running the Board office operations efficiently.

Ms. Rehtzigel announced that there was a farewell celebration for outgoing Board chair, Nick Ruiz, on July 22, 2011, at the home of Judi Gordon, current Board chair.

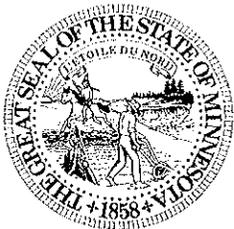

B. LADC Program Update (Samantha Strehlo)

1. Ms. Strehlo provided Board members with a list of persons licensed since the last Board meeting on April 22, 2011. See Attachment 1 to these minutes.

2. Report on Licensure Activity

Ms. Strehlo reported the following statistics with respect to online license renewal. LPC renewals: 58% of licensees renewed online and 42% requested paper renewal applications. LADC renewals: 52% of licensees renewed online and 48% requested paper renewal applications. This greatly cuts down the staff time involved in the renewal process because the licensee enters all address updates, name changes, etc. The convenience fee for renewing online may deter some licensees from renewing online; they may feel their fees are already high and they don't want to pay an additional charge to renew a license. Ms. Strehlo answered questions about the online services, including the ability to report continuing education compliance.

C. LPC/LPCC Program Update (Carly Lykes)

1. Ms. Lykes provided Board members with a list of persons licensed since the last Board meeting on April 22, 2011. See Attachment 1 to these minutes.
2. Report on Program Operations

Ms. Lykes reported that between June 29, 2011 and August 24, 2011, 200 applications were received at the Board office. This is due in large part to the expiration of the LPCC conversion method to licensure, which expired on August 1, 2011. Ms. Lykes is working on finalizing the current LPCC conversion method application. The post August 1, 2011 conversion method application will closely resemble the general application method.

Yvonne Hundshamer stated it would be helpful for Board members to have copies of all the current regulations available for review and consultation at Board meetings.

Walter Roberts asked for the total number of licensees. The current approximate count of all regulated persons is as follows:

LPCCs – 343
LPCs – 569 (although 500 is probably a more accurate number)
LADCs – 2300
ADC Permit Holders – 127

Chair Gordon and staff reported on the 2011 legislative session. The LPC/LPCC housekeeping bill never made it out of committee. The LADC rewrite bill cleared committees in both the House and the Senate and passed on a unanimous vote in the Senate, but the companion bill in the House never made it to a House floor vote.

The Legislative Committee will move forward with the bills in the 2012 session and will work on revised language for a conversion method to LPCC licensure.

Freddie Davis-English was assigned to be a member of the Legislative Committee.

6. Public Comment Period

Margaret Hastings spoke about her efforts to keep up with Board activities and to communicate with others about the conversion deadline. She opined that people have known about the Board processes and requirements for a long time. She observed that the Board is very receptive, respectful, and responsive in the licensure process. She stated she appreciates the hard work the Board does and is a "very happy LPCC."

7. Adjournment

Walter Roberts moved to adjourn the meeting. Freddie Davis-English seconded. All Board members present voted aye, and the meeting was adjourned at 2:15 p.m.
