

Variance Request Instructions – For Foreign Pharmacy School Graduates

Use this form if you are requesting a variance to Minn. R. 6800.1250, subp. 1b, which requires graduates of foreign pharmacy schools to complete the National Association of Boards of Pharmacy Foreign Pharmacy Graduate Examination Committee (FPGEC) Certification process. Your variance request will not be considered valid unless this form, and the required documents listed below, are all submitted to the Board.

Variance Request and Policy Review Committee (VPRC) Meeting Dates

All meetings begin at 9:00 am, please see the Board's website for current dates and submission deadlines.

Variance requests and requests for appointments at VPRC meetings will only be accepted until **12:00 PM** on the submission deadline date. If the variance request form is incomplete and/or if the form and supporting documents are not submitted by the submission deadline date and time, the submission will not be considered a valid variance request and will be either postponed to the next meeting or returned to the requestor. Plan your submissions accordingly to avoid any delays.

A Board meeting will usually occur two weeks after the VPRC meets. You will receive a letter after the Board meeting to notify you of the Board's decision.

Appointments

If you would like to present to the VPRC to discuss your submission, you must request an appointment on the variance request form. Appointment times are limited and must be requested at the time of the variance submittal.

Due to the large number of variance requests, meeting appointments are limited and will be granted to new variances first and then to renewed variances that are proposing significant changes in the policy and procedures. Appointment times will not be assigned until all required documents are received.

If you wish to request an appointment, complete the appointment section on the form. Staff will reach out to you if an appointment is available.

All documents should be sent via email **in a PDF format** or mailed to the Board. If the request is sent to any other board or email address, the request may not be included on the agenda for the Variance and Policy Review Committee meeting in question.

Review the rule below for an explanation on considerations that the Board must follow regarding variance requests.

Subp. 4. **Notification.** The board shall notify the applicant in writing within 60 days of the board's decision. If a variance is granted, the notification shall specify the period of time for which the variance will be effective and the alternative measures or conditions, if any, to be met by the applicant.

Subp. 5. **Renewal.** Any request for the renewal of a variance shall be submitted in writing prior to the expiration date of the existing waiver. The successor Pharmacist-In-Charge shall be responsible for ensuring that any conditions imposed by the board on any active variances continue to be met.
