Deceased professionals have been removed from the list.

Effective August 1, 2009, Physician Assistants and Respiratory Therapists are fully licensed, rather than Registered. All future documentation issued from the Board will reflect these legislative changes.

* Denotes Corrective Action Agreement. The Corrective Action Agreement is *not* disciplinary action, but is a public document setting forth an agreement between the Complaint Review Committee and the licensee. It requires the licensee to take certain remedial action to correct problems identified in the complaint review or licensing process.
