

RN and LPN Licensure by Endorsement Instructions

If you have been licensed as a RN or LPN in a state or territory of the United States by examination, you must obtain a Minnesota license through the process of licensure by endorsement. You must:

Submit a *Licensure by Endorsement Application* form and fees. The application fee is \$105.00 and the Criminal Background Check fee is \$33.25. The total due is \$138.25 in the form of a money order or cashier's check made payable to the Minnesota Board of Nursing. Fees are non-refundable. The application packet may be downloaded from the Minnesota Board of Nursing website.

- Submit at least one verification of licensure:
 - submit verification from the state, territory or province in which you were first licensed and
 - submit verification from the state, territory or province that issued the license you are currently using to practice nursing. If the state in which you were first licensed is the same as the state in which you are currently practicing, you will submit one verification. If the state in which you were first licensed is different than the state in which you are currently practicing, you will submit two verifications.
- Verifications of licensure are completed online at www.nursys.com if the state processes their verifications through Nursys.com or by paper if they do not process their verifications through Nursys.com. The list of Nursys verifying states is available in the Licensure by Endorsement packet. The paper verification form is also available in the Licensure by Endorsement packet.
- Submit a *Confirmation of Nursing Employment for Licensure by Endorsement* form.
- Watch for the Criminal Background Check program office to send you a fingerprint packet by email. Follow the instructions and submit your fingerprints as soon as possible.

Anticipate receiving a letter from the Board if you need to report continuing education or successfully complete a refresher course. Continuing education requirements vary according to the date of most recent licensure and nursing practice. If you have not engaged in acceptable nursing practice for more than 5 years, you must successfully complete a refresher course that meets board criteria.

Before you are licensed in Minnesota, you may practice nursing in Minnesota under a temporary permit. The permit is valid until board action on your application or for 60 days, whichever comes first. Request the permit on the application form and submit a copy of your current nursing license.

Total Due: \$138.25 in U.S. funds (\$105.00 application fee and \$33.25 criminal background check fee). **Total Due: \$138.25**
 No personal checks. All fees are nonrefundable.
