BEFORE THE MINNESOTA
BOARD OF VETERINARY MEDICINE

In the Matter of
Margaret A. Fauver, D.V.M.
License No. 25617

STIPULATION AND ORDER

Margaret A. Fauver, D.V.M., ("Licensee"), and the Minnesota Board of Veterinary Medicine Complaint Review Committee ("Committee") agree that the above-referenced matter may be resolved without trial of any issue or fact as follows:

I.

JURISDICTION

1. The Minnesota Board of Veterinary Medicine ("Board") is authorized pursuant to Minnesota Statutes chapter 156 to license and regulate veterinarians and to take disciplinary action as appropriate.

2. Licensee holds a license from the Board to practice veterinary medicine in the State of Minnesota and is subject to the jurisdiction of the Board with respect to the matters referred to in this Stipulation and Order.

II.

COMPLAINT REVIEW COMMITTEE

3. The Committee was composed of Board members Mary Olson, D.V.M. and Jody Grote. Kathleen Ghreichi, Assistant Attorney General, represented the Committee.

III.

FACTS

4. The parties agree this Stipulation and Order is based upon the following facts:
A. On August 14, 2017, Licensee was licensed to practice veterinary medicine in Minnesota.

B. In Licensee’s June 16, 2017 licensure application to the Board, she disclosed an arrest on May 4, 2014 in Pennsylvania for driving under the influence of alcohol and resisting arrest. Licensee asked to participate in Pennsylvania’s Accelerated Rehabilitative Disposition program. On November 17, 2014, Pennsylvania authorities suspended Licensee’s driving privilege. Following successful compliance with all court-ordered requirements, on February 4, 2015, Licensee’s driving privilege was reinstated.

C. On October 11, 2017, Licensee met with the Board’s Complaint Review Committee, pursuant to a notice of conference to discuss her May 4, 2014 arrest and subsequent remediation. Licensee agreed to contact the Health Professionals Services Program (“HPSP”) to determine her eligibility for monitoring.

D. On January 30, 2018, Licensee signed a Participation Agreement with HPSP. Under the terms of the Participation Agreement, Licensee was required to refrain from consuming any alcohol, provide quarterly reports, and submit to toxicology screens.

E. On April 24, 2020, the Board received a complaint that Licensee was unable to safely practice as a veterinarian because of repeated relapses to alcohol abuse.

F. On April 27, 2020, HPSP informed the Board that Licensee had failed to comply with her Participation Agreement. Specifically, Licensee relapsed to alcohol use on April 4, 2020; failed to provide authorizations required under her Participation Agreement; neglected to submit quarterly compliance documentation; and missed a toxicology screen.
G. By letter dated May 4, 2020, sent to Licensee’s address on file with the Board, the Board asked Licensee to respond by June 3, 2020 to the above allegations. The Board did not receive a response. The May 4, 2020 letter was not returned as undeliverable.

H. On June 11, 2020, HPSP informed the Board that Licensee had been “unsatisfactorily discharged” for non-compliance based on her relapse and failure to communicate with HPSP.

I. The Committee reviewed the matter and decided to require Licensee to appear for a conference to discuss the above allegations.

J. On June 16, 2020, the Committee served Licensee, at the address she placed on file with the Board, with a Notice of Conference, requiring Licensee to appear before the Committee on July 1, 2020 to discuss the above allegations. The Notice was not returned to the Board as undeliverable.

K. Licensee failed to contact the Board or appear for the July 1, 2020 conference.

L. On July 9, 2020, the Committee served Licensee, at the address she placed on file with the Board, with a Notice and Order for Prehearing Conference and Hearing (“Notice of Hearing”), Licensee attended the Hearing and informed the Committee that her failure to respond to prior communication from the Board was due to her inpatient treatment at two facilities in California.

M. On October 15, 2020, the Committee was informed that Licensee had retained attorney Bruce A. Nelson to represent her in this matter.
IV.

LAWS

5. Licensee acknowledges that the facts and conduct described in section III above constitute violations of Minnesota Statutes sections 156.081, subdivisions 2(3), and (12); 156.123; 214.355; and Minnesota Rule 9100.0700, subpart 1(A), (B), and (H); and are sufficient grounds for the remedy set forth below.

V.

DISCIPLINARY ACTION

Based on the foregoing facts and violations, the Board takes the following disciplinary action against Licensee:

6. The Board hereby SUSPENDS Licensee’s license to practice veterinary medicine. The suspension is STAYED so long as Licensee complies with the following CONDITIONS:

A. Within one week of the effective date of this Order, Licensee will contact the Health Professional Services Program (“HPSP”) to complete an intake interview and submit enrollment forms.

B. Within one month of the effective date of this Order, Licensee will enter into a minimum 36-month Participation Agreement (“Agreement”) with HPSP. Licensee will authorize HPSP to provide the Agreement to the Committee.

C. Licensee will be fully compliant with all terms and requirements of the Agreement, which at a minimum will require Licensee to completely abstain from alcohol use and submit to random toxicology screens.
7. Licensee may petition for an unconditional license to practice veterinary medicine no sooner than three years from the effective date of this Order. The burden of proof shall be upon Licensee at the time of her petition to demonstrate by a preponderance of the evidence that she has abstained from consuming alcohol during the preceding 36 months and is capable of practicing veterinary medicine in a fit and competent manner. At the time of Licensee's petition, she shall meet with a Complaint Review Committee to review her sustained sobriety and to discuss safeguards to diminish the risk of relapse.

VI.

CONSEQUENCES FOR NONCOMPLIANCE

8. If the Committee has probable cause to believe Licensee has failed to comply with or has violated any of the requirements for staying the suspension as outlined in paragraph 6 above, the Committee may remove the stayed suspension pursuant to the procedures outlined in paragraph 9 below, with the following additions:

A. If the HPSP discharges Licensee from the program for any reason other than Licensee's successful completion of the terms of the Participation Agreement, there will be a presumption of a preponderance of the evidence that Licensee has failed to comply with the requirement(s) for staying the suspension.

B. The removal of the stayed suspension will take effect upon service of an Order of Removal of Stayed Suspension ("Order of Removal"). Licensee agrees that the Committee is authorized to issue an Order of Removal, which will remain in effect and will have the full force and effect of an order of the Board until the Board makes a final determination pursuant to the procedures outlined in paragraph 9 below. The Order of Removal will confirm the Committee has probable cause to believe Licensee has failed to comply with or has violated
one or more of the requirements for staying the suspension of Licensee's license. Licensee further agrees an Order of Removal issued pursuant to this paragraph will be deemed a public document under the Minnesota Government Data Practices Act. Licensee waives any right to a conference or hearing before removal of the stayed suspension.

C. The Committee will schedule the hearing pursuant to paragraph 9.A. below to be held within 60 days of the notice.

9. If Licensee fails to comply with or violates this Stipulation and Order, the Committee may, in its discretion, seek additional discipline either by initiating a contested case proceeding pursuant to Minnesota Statutes chapter 14 or by bringing the matter directly to the Board pursuant to the following procedure:

A. The Committee shall schedule a hearing before the Board. At least 20 days before the hearing, the Committee shall mail Licensee a notice of the violation(s) alleged by the Committee. In addition, the notice shall designate the time and place of the hearing. Within ten days after the notice is mailed, Licensee shall submit a written response to the allegations. If Licensee does not submit a timely response to the Board, the allegations may be deemed admitted.

B. The Committee, in its discretion, may schedule a conference with Licensee prior to the hearing before the Board to discuss the allegations and to attempt to resolve the allegations through agreement.

C. Prior to the hearing before the Board, the Committee and Licensee may submit affidavits and written argument in support of their positions. At the hearing, the Committee and Licensee may present oral argument. Argument shall not refer to matters outside the record. The evidentiary record shall be limited to the affidavits submitted prior to the hearing.
and this Stipulation and Order. Unless stated otherwise in this Stipulation and Order, the Committee shall have the burden of proving by a preponderance of the evidence that a violation has occurred. If Licensee has failed to submit a timely response to the allegations, Licensee may not contest the allegations, but may present argument concerning the appropriateness of additional discipline. Licensee waives a hearing before an administrative law judge, discovery, cross-examination of adverse witnesses, and other procedures governing hearings pursuant to Minnesota Statutes chapter 14.

D. Licensee’s correction of a violation prior to the conference, hearing, or meeting of the Board may be taken into account by the Board but shall not limit the Board’s authority to impose discipline for the violation. A decision by the Committee not to seek discipline when it first learns of a violation will not waive the Committee’s right to later seek discipline for that violation, either alone or in combination with other violations, at any time while Licensee’s license is subject to conditions.

E. Following the hearing, the Board will deliberate confidentially. If the allegations are not proved, the Board will dismiss the allegations. If a violation is proved, the Board may impose additional discipline, including suspension or revocation of Licensee’s license.

F. Nothing herein shall limit the Committee’s or the Board’s right to temporarily suspend Licensee’s license pursuant to Minnesota Statutes section 156.126 based on a violation of this Stipulation and Order or based on conduct of Licensee not specifically referred to herein. Similarly, nothing herein shall limit the Committee’s right to attempt to resolve an alleged violation of this Stipulation and Order through the procedures of Minnesota Statutes
section 214.103, subdivision 6, or to initiate a contested case proceeding under Minnesota Statutes chapter 14 based on an alleged violation of this Stipulation and Order.

VII.
