

Minnesota Board of Pharmacy

EIGHT HUNDRED AND SIXTIETH MEETING

At approximately 9:00 a.m., on February 1, 2017, the Minnesota Board of Pharmacy met in Conference Room A, at the University Park Plaza Building, 2829 University Avenue Southeast, Minneapolis, Minnesota, for conducting a general business meeting. Members of the Board that attended were Mr. Stuart Williams, Dr. Joseph Stanek, Dr. Kurt Henn, Dr. Andrew Behm, Mr. James Bialke, Ms. Samantha Jaworski, Ms. Laura Schwartzwald, Dr. Mary Phipps, and Mr. Rabih Nahas. Also in attendance were the Board's Executive Director, Dr. Cody Wiberg; Deputy Director, Dr. Beth Ferguson; Legal Counsel, Mr. Hans Anderson; and Board of Pharmacy staff members, Ms. Candice Fleming, and Ms. Lamar Niemczycki.

President Stuart Williams called the meeting to order.

The Board went into closed session to consider disciplinary cases.

At the conclusion of the closed session, the meeting opened to the public.

The Board next discussed the minutes of the December 21, 2016 business meeting. The minutes were approved as distributed.

Mr. Bialke moved and Mr. Nahas seconded that the items on the Consent Agenda be approved. The motion passed unanimously.

The Consent Agenda for the meeting was as follows:

- Variance and Policy Review Committee Report (VPRC) – Approve
- CE Report - Approve

Ms. Schwartzwald requested that a discussion of a resolution that will be considered at the NABP annual meeting, and that involves antibiotic stewardship and immunization, be added to the agenda. Ms. Schwartzwald moved and Mr. Bialke seconded that the remainder of the agenda be approved. The Board unanimously approved the remainder of the agenda, as amended.

The first variance and policy review issue to come before the Board was from foreign pharmacy school graduate Usama Hmady. He requested to be allowed to sit for the NAPLEX and MPJE without being FPGEC Certified. He claimed that, as a refugee, he had not been allowed to participate in the FPGEC process. Dr. Wiberg explained the background for this variance request, including the fact that Mr. Hmady failed to reveal that he actually has been allowed to sit for the FPGEE twice and that he had failed the exam both times. Mr. Hmady was not present at the time this issue was discussed by the Board. Mr. Bialke moved and Mr. Henn seconded that the request be denied. The motion passed unanimously.

Ms. Schwartzwald recused herself and left the meeting room.

The next variance and policy review issue to come before the Board involved GuidePoint Pharmacy #102, in Rochester, Minnesota. The variance request was to allow the delivery of

prescriptions to the nursing staff of Assisted Living Facilities (ALF) and/or home health care offices. The Variance and Policy Review Committee recommended a two year approval and a timely renewal. The Board unanimously approved the VPRC recommendation.

Ms. Schwartzwald returned to the meeting.

Dr. Wiberg next provided an update for the Minnesota Prescription Monitoring Program. No action was required.

Dr. Wiberg next provided an update concerning the Board's proposed work conditions rule and explained a proposed Order Adopting Rules. Mr. Nahas moved and Ms. Schwartzwald seconded that the Order be adopted. The motion was unanimously approved.

Dr. Wiberg next gave an update on both budget and policy legislation. After providing information about the Board's proposed budget, he explained legislation being pursued by the Pharmacy Advocacy Task Force that would allow pharmacists to prescribe oral contraceptives, travel medications, opiate antagonists and nicotine replacement drugs. After discussion, Dr. Behm moved and Mr. Bialke seconded that the Board go on record as supporting this legislation. The motion was unanimously approved.

Dr. Wiberg next explained legislation that would allow pharmacists to make substitutions of biosimilar drugs. After discussion, Dr. Phipps moved and Mr. Bialke seconded that the Board go on record as supporting this legislation. The motion passed unanimously.

Dr. Wiberg then explained language proposed by Baxter that would exclude manufacturers of certain dialysate solutions from being licensed as pharmacies in order to dispense drugs directly to patients. After discussion, Ms. Schwartzwald moved and Mr. Bialke seconded that the Board go on record as opposing this language. The motion passed unanimously.

Dr. Wiberg next explained the various provisions that are included in a proposed Board policy bill. After much discussion and some testimony from the public, Mr. Bialke moved and Dr. Behm seconded that the Board support the proposed policy bill and authorize Dr. Wiberg to pursue its passage. The motion passed unanimously.

Dr. Wiberg next gave an update on office management, specifically concerning the plan for organizational restructuring and salary range reassignments that was submitted for the approval of Minnesota Management and Budget. No action was required.

Dr. Wiberg next provided information about the upcoming NABP annual meeting. Dr. Stanek moved and Ms. Schwartzwald seconded that the Board authorize the expenditure of the funds necessary to pay for all Board Members, the Executive and Deputy Directors and one Surveyor to attend the meeting. The motion was unanimously approved.

Ms. Schwartzwald next provided information concerning a resolution that will be considered at the NABP annual meeting. Mr. Bialke moved and Ms. Schwartzwald seconded that the Board support the resolution. The motion passed unanimously.

There being no further business requiring action by the Board, President Williams adjourned the meeting at approximately 11:35 AM.

STATE OF MINNESOTA
Health Professionals Services Program
 PROGRAM COMMITTEE GOVERNANCE SUB-COMMITTEE
 November 29, 2016 Minutes - Draft

- I. Attendance: Allen Rasmussen (Board of Medical Practice), Anne Kulowski (Dept. of Health), Kathy Polhamus (Board of Physical Therapy), Margaret Schreiner (Boards of Podiatric Medicine and Dietetics and Nutrition Practice), Jim Alexander (MN Pharmacy Association – Advisory Committee Member), Shirley Brekken (Board of Nursing), Monica Feider (HPSP).
- II. Call to order: Allen Rasmussen called the meeting to order at 2:05pm and introductions were made.
- III. Minutes: Minutes from the October meeting were approved.
- IV. Discussion:
 - The Sub-Committee discussed the role of the Program Committee. Yvonne proposed establishing an Operations Committee to oversee the Program Committee's statutory charge. Kathy expressed disagreement. She said that the Program Committee's functions were important in the early years of the program but that they are no longer relevant. She supports modifying HPSP's governing legislation to remove the Program Committee. After much discussion, the following proposal was brought forward:
 - A. Decrease the frequency of the Program Committee to biannually
 - B. Create an Operations Sub-Committee to the Program Committee that would meet quarterly and be responsible for the following:
 - 1. Biannually report to the Program Committee
 - 2. Annually appoint an Administering Board
 - 3. Annually approve Administrative Services Unit (ASU) to act as fiscal agent for HPSP (i.e. recommend the program budget, recommend the prorated share of program expenses for each board)
 - 4. Make recommendations to the Program Committee for appointments to the Advisory Committee
 - 5. Annually review the performance of the program manager
 - 6. Annually review the interagency agreement between HPSP's Administering Board and the other boards
 - 7. Recommend process for operations committee assignments, terms and vacancies
 - 8. Determine how to make decisions between quarterly meeting
 - 9. The Operations Committee will be composed of three to four Program Committee Members, and one to three Executive Directors and the HPSP Program Manager and will not exceed seven members
 - C. Rationale: The Program Committee's functions are different now than when the program was started. We do not want to open the statute to the legislature at this time. We want to reduce the duplication of and number of meetings by combining representatives of the Program and the Executive Director's forum.
 - V. Adjourns: Allen Rasmussen called the meeting to close at 3:30pm.

The Sub-Committee is open to feedback from the Program Committee regarding changes to this proposed model. This proposal was developed by the Sub-Committee of the Program Committee, which met three times and was composed of Allen Rasmussen, Kathy Polhamus, Margaret Schreiner, Catherine Lloyd/Anne Kulowski of the Health Licensing boards as well as Jim Alexander and Karen Sames from the Advisory Committee. Shirley Brekken Monica Feider were also present.

Future Program Committee Governance Sub-Committee meetings will be held on:
 • December 20, 2016 2:00pm Conference Room C-3rd floor (TENTATIVE)

Re: In the Matter of Proposed Permanent Rules Relating to Pharmacy Work Conditions
OAH 10-9026-33753; Revisor 4355

Dear Mr. Wiberg:

Enclosed herewith and served upon you is the ORDER ON REVIEW OF RULES UNDER MINN. STAT. § 14.15 in the above-entitled matter. The Administrative Law Judge has determined there are no negative findings in these rules.

The Office of Administrative Hearings has closed this file and is returning the rule record so that the Minnesota Board of Pharmacy can maintain the official rulemaking record in this matter as required by Minn. Stat. § 14.365. Please ensure that the agency's signed order adopting the rules is filed with our office. The Office of Administrative Hearings will request copies of the finalized rules from the Revisor's office following receipt of that order. Our office will then file four copies of the adopted rules with the Secretary of State, who will forward one copy to the Revisor of Statutes, one copy to the Governor, and one to the agency for its rulemaking record. The Board will then receive from the Revisor's office three copies of the Notice of Adoption of the rules.

The Board's next step is to arrange for publication of the Notice of Adoption in the State Register. Two copies of the Notice of Adoption provided by the Revisor's office should be submitted to the State Register for publication. A permanent rule with a hearing does not become effective until five working days after a Notice of Adoption is published in the State Register in accordance with Minn. Stat. § 14.27.
