CRIMINAL BACKGROUND CHECK

The Minnesota Board of Dietetics & Nutrition Practice is statutorily required to complete a Federal and State Criminal Background Check prior to issuing your license. In Minnesota, a formal application to the Board will initiate this separate processing conducted by another agency, the Criminal Background Check Unit (CBC). Initial results indicate this may add three to four weeks to complete the CBC and application to the license process. Once you apply online or the paper application is received, the Criminal Background Check Unit will contact you with directions to complete the CBC. The \$33.25 fee is added to your application and there is no additional fee. The Minnesota Board of Dietetics & Nutrition Practice will be informed of the results and move your application forward.
