**MINNESOTA BOARD OF MEDICAL PRACTICE
BOARD MEETING
2829 UNIVERSITY AVE. SE
MINNEAPOLIS, MN 55414-3246**

November 14, 2015

The Minnesota Board of Medical Practice met on November 14, 2015, at its offices in Minneapolis, Minnesota.

The following Board members were present for both Public and Executive Sessions, unless otherwise indicated: Mark A. Eggen, M.D., President; Subbarao Inampudi, M.B., B.S., FACR, Vice President; Charles F. Moldow, M.D., Secretary; Keith H. Berge, M.D.; V. John Ella, J.D.; Sarah L. Evenson, J.D., M.B.A.; Dr. Eduardo T. Fernandes; Rebecca J. Hafner-Fogarty, M.D., M.B.A.; Kelli Johnson, M.B.A.; Gerald T. Kaplan, M.A., L.P.; Patricia J. Lindholm, M.D., FAAFP; Allen G. Rasmussen, M.A.; Maria K. Statton, M.D., Ph.D.; and Jon V. Thomas, M.D., M.B.A.

PUBLIC SESSION

Agenda Item 1: Call to Order and Roll Call

The meeting was called to order by President, Mark A. Eggen, M.D. Roll call was taken by Board staff.

Agenda Item 2: Minutes of the September 12, 2015, Board Meeting

The minutes of the September 12, 2015, Board meeting were received and approved as circulated. Dr. Eggen again thanked Professor Thaddeus Mason Pope, J.D., Ph.D., for graciously hosting the Board's September 12, 2015, Board meeting at Hamline University.

Agenda Item 3: Federation of State Medical Boards' Presentation

Federation of State Medical Boards (FSMB) Liaison Director Gregory B. Snyder, M.D., DABR, and Senior Vice President of Assessment Services David Johnson provided an overview of the FSMB and the services offered to member Boards. A question and answer session followed.

The FSMBs' website www.docinfo.org provides information from all member states regarding physician specialty certification, education, active physician licenses, and disciplinary actions taken. Access to DocInfo is free. Jon V. Thomas, M.D., M.B.A., requested that a link to DocInfo be added to the Board's website.

Dr. Thomas advised Board members interested in participating on any of the FSMBs' workgroups or committees, to contact the FSMB Director of Leadership Services, Pat McCarty. Board staff will provide Ms. McCarty's contact information by e-mail.

Keith H. Berge, M.D., asked how to get on the docket to present an education component at the Federation of State Medical Boards' Annual meeting. Dr. Snyder will contact FSMB Chief Advocacy Officer Lisa Robin on Dr. Berge's behalf.

Dr. Snyder apologized that the slide deck presented did not include FSMB committee members and only included House of Delegate members. The slide deck will be corrected for future presentations.

Dr. Eggen thanked Mr. Johnson and Dr. Snyder for providing a presentation about the FSMB, all the work the FSMB does for its member Boards, and the wonderful dinner provided by the FSMB on Friday, November 13, 2015.

Dr. Eggen encouraged Board members to attend the Federations of State Medical Boards' (FSMB) Annual meeting that will be held on April 28 – 30, 2016, at the Grand Hyatt San Diego, San Diego, California. The FSMBs' Annual meeting will be further discussed under agenda item 10.

Agenda Item 4: Minnesota Department of Health Office of Rural Health Demonstration of the Proposed Healthcare Workforce Survey

At a September 8, 2015, meeting of the health licensing board Executive Directors, representatives of the Minnesota Department of Health (MDH) Office of Rural Health presented information on proposed changes to the MDH Healthcare Workforce Survey that is embedded for completion in the Boards' licensure renewal processes. At the September 12, 2015, Board meeting, Executive Director Ruth M. Martinez, M.A., advised the Board of the proposed changes.

Board staff have met with and provided feedback to the MDH Office of Rural Health regarding modifications to the MDH Healthcare Workforce Survey. Some Board members and licensees have also been invited to provide feedback of the proposed changes to the MDH Office of Rural Health. Proposed revisions included modification of and additions to the questions to which licensees/registrants are asked to respond.

Teri Fritsma, Ph.D., Senior Workforce Analyst and Nitika Moibi, MPP, Supervisor from the MDH Office of Rural Health demonstrated the redesigned Healthcare Workforce Survey.

Board discussion included:

- Physician privacy:
Board members expressed concern about public access to data collected by the MDH Office of Rural Health Healthcare Workforce Survey (Survey). MDH affirmed that data collected is considered public and available by request to the MDH Office of Rural Health. MDH will explore whether and how any of the data collected through the Survey may be reclassified as non-public.
- Calculation of work hours:
Board members expressed concern about the Survey question, "How many hours do you work in a typical week?" Board members felt the question is burdensome since it is difficult to calculate the exact number of hours worked. Board members suggested using a range of hours, rather than trying to calculate a specific number.
- The paper survey has been discontinued since the response rate to the on-line Survey has reached approximately 97%.
- Dr. Eggen suggested that the Survey should take no longer than 3 minutes to complete. He noted that the Federation of State Medical Boards (FSMB) has an ideal set of questions that are being used nationally and encouraged the MDH Office of Rural Health to align with the FSMBs' questions for consistency and aggregated information at a national level. Dr. Eggen further suggested that MDH refine its Survey to no more than 10 questions and present it back to the Board. Dr. Eggen stated that the Survey should not have more questions than the Board of Medical Practice's renewal application.

Ms. Martinez noted that any calls regarding the Survey will come to the Board of Medical Practice, since the Survey is embedded in the Board's on-line renewal process. Ms. Moibi suggested that MDH and the Board work together to field questions regarding the Survey.

Ms. Moibi suggested that MDH could work to refine some of the questions based on the Board's feedback. Ms. Moibi thanked the Board members for their input and time.

The Board gave MDH a round of applause.

The Board took a five minute break.

Dr. Eggen stated that, during the discussion with the MDH representatives, he misspoke when stating that he was representing physicians. He clarified that, as a Board member and President of the Board, he is representing the protection, health and safety of the public. Dr. Eggen thanked V. John Ella, J.D., for bringing this to his attention during the break.

Dr. Eggen requested to move agenda item 10 before agenda item 5.

Agenda Item 10: Federation of State Medical Boards' Annual Meeting

- Call for Resolutions

Dr. Eggen called for any resolutions that Board members would like to submit to the Federation of State Medical Boards' (FSMB) House of Delegates. The call for resolutions will be revisited at the January 9, 2016 Board meeting and submitted to the FSMB by the deadline date of February 26, 2016.

- Committee or Workgroup Interest

Ms. Martinez stated that, if a Board member is interested in serving on one of the FSMBs' committees or workgroups, please contact Director of Leadership Services, Pat McCarty. Ms. Martinez also requested that Board members notify Ms. Johnston of any service on national committees or workgroups so that national service by Board member may be accurately included in public reports.

Some Board members asked if serving on a national committee or workgroup requires Board approval. Ms. Martinez is not aware of such a policy and doesn't want to impede the process by which a Board member may be appointed to a national committee or workgroup.

- Call for Nominations

Former Board member Gregory B. Snyder, M.D., DABR, asked for the Board's endorsement and support of his bid for Chair-elect of the FSMB Board of Directors. A motion was made and unanimously passed to nominate and support Dr. Snyder as a candidate for Chair-elect of the FSMB Board of Directors. Dr. Snyder thanked the Board for its support and for the opportunity to present to the Board today.

Ms. Martinez explained to the Board that there is a three year window of time after Board service during which a former Board member may represent the Board at the FSMB. Dr. Snyder is within that window.

Board President Mark A. Eggen, M.D., asked for the Board's endorsement and support of his bid for a second term on the FSMB Board of Directors. Dr. Eggen's current term expires in April 2016. A motion was made and unanimously passed to nominate and support Dr. Eggen as a candidate for a second term on the FSMB Board of Directors.

Elected offices require endorsement by a member Board. Candidates are also required to complete additional FSMB application materials.

- Minnesota Welcome Reception

Ms. Martinez asked the Board if they'd like to continue sponsoring the Minnesota Welcome Reception. After many years, the reception is listed in the formal program and has been provided with accessible and visible space.

A motion was made and unanimously passed to continue to host the Minnesota Welcome Reception at the FSMB Annual meeting.

Ms. Martinez suggested some Minnesota honey samples as a give-away at the Minnesota Welcome Reception. The 2 or 3 ounce honey samples can travel easily on an airplane and are within the Board's budget. No action was required, but Board members were supportive of the suggestion.

Ms. Johnston will forward the call for resolutions and the call for nominations to all Board members. Any other notices received regarding the Federation of State Medical Boards (FSMB) annual meeting will also be forwarded to Board members.

The date of the FSMB Annual meeting is April 28 -30, 2015. The Minnesota Welcome Reception will be held on the prior evening of Wednesday, April 27, 2015.

Agenda Item 5: Licensure and Registration

On recommendation of the Licensure Committee, physician applicants 1 – 171 of the agenda were approved for licensure subject to the receipt of verification documents.

On recommendation of the Licensure Committee, physician applicant 172 - 175 of the agenda was approved for Emeritus registration.

On recommendation of the Acupuncture Advisory Council, acupuncturist applicants 176 - 185 of the agenda were approved for licensure subject to the receipt of verification documents.

On recommendation of the Athletic Trainers Advisory Council, athletic trainer applicants 186 - 229 of the agenda were approved for registration subject to the receipt of verification documents.

On recommendation of the Physician Assistant Advisory Council, physician assistant applicants 230 - 297 of the agenda were approved for licensure subject to the receipt of verification documents.

On recommendation of the Respiratory Therapist Advisory Council, respiratory therapist applicants 298 – 314 of the agenda were approved for licensure subject to the receipt of verification documents.

On recommendation of the Naturopathic Advisory Council, naturopathic doctor applicants 315 and 316 of the agenda were approved for registration subject to receipt of all verification documents.

Agenda Item 6: Licensure Committee

- Minutes of the October 15, 2015, Licensure Committee
Patricia J. Lindholm, M.D., FAAFP, Chair of the Licensure Committee, presented the minutes of the October 15, 2015, Licensure Committee Meeting.

Dr. Lindholm summarized the Licensure Committee's actions and discussions.

The minutes and actions of the October 15, 2015, meeting of the Licensure Committee were received and approved as circulated.

Agenda Item 7: Federal Trade Commission Guidance

Ms. Martinez noted that the Federal Trade Commission (FTC) *Staff Guidance on Active Supervision of State Regulatory Boards Controlled by Market Participants* issued by the Federal Trade Commission (FTC) in October 2015 is for information only.

Dr. Hafner-Fogarty requested that a copy of *Staff Guidance on Active Supervision of State Regulatory Boards Controlled by Market Participants* be sent to her by e-mail.

Agenda Item 8: 2015 Revised Joint Statement on Pain Management

In 2004, the Boards of Nursing, Pharmacy, and Medical Practice collaboratively developed a Joint Statement on Pain Management. In 2009 the Statement was updated and reaffirmed by the three Boards. Recently staff from the Boards of Medical Practice, Nursing and Pharmacy worked together to review updated literature and update the Joint Statement on Pain Management. The 2015 Joint Statement on pain management is attached for the Board's review and approval. The Boards of Pharmacy and Nursing will also present the 2015 Joint Statement on Pain Management for their Boards'

approval. Once approved by all three Boards, the 2015 Joint Statement on Pain Management will be published via a media press release and posted on the Boards' websites. It will also be available for distribution to any interested parties.

Ms. Martinez reviewed the revisions to the 2015 Joint Statement on Pain Management with the Board. A motion was made and passed unanimously to approve the 2015 Joint Statement on Pain Management.

Agenda Item 9: Executive Director's Report

Ms. Martinez provided a summary of the Executive Director's Report.

- State Opioid Oversight Project (SOOP) Work Group

Ms. Martinez continues to meet with the SOOP Work Group.

Following the Pain.Pill.Problem opioid conference at Northrop Auditorium on August 25, 2015, the group continues its work to develop specific action plans and engage conference participants and community stakeholders in continuing the conversation and working to reduce opioid-related deaths.

- Interstate Collaboration in Healthcare Group

- Board representatives are also involved with the Interstate Collaboration in Healthcare Group. On July 24, 2015, Genesis Health System hosted a Summit on Interstate Collaboration in Healthcare (Summit) at the Minneapolis Club.

The Interstate Collaboration in Healthcare Group is providing a webinar on December 4, 2015, from 10 – 11:30, hosted by Gray Plant Mooty Law Firm. The webcast is on legal issues in telehealth care delivery and development of state legislation. Board members are welcome to come to the Board fifth floor conference room to participate in the webinar. Ms. Johnston will forward the webinar link to Board members.

- The National Governor's Association (NGA) Health Care Workforce Technical Assistance Program

Minnesota's proposal for the National Governor's Association State Health Care Workforce Technical Assistance Program (NGA-TA Program) on advancing scope-of-practice policy has been accepted. Representatives from the Core Team, including MDH and the Boards of Nursing and Pharmacy, joined legislators for the kick-off event on November 12-13, 2015, in Washington, D.C. Nitika Moibi, who attended on behalf of MDH, provided a summary of the event.

- Immigrant International Medical Graduate (IIMG) Stakeholder Advisory Group

Pursuant to 2015 legislation, passed following a January 2015 report to the Legislature from the Immigrant International Medical Graduate Taskforce (IIMG Task Force), an IIMG Stakeholder Advisory Group (IIMG Advisory Group) was established through the Minnesota Department of Health that includes a dedicated representative of the Board of Medical Practice. The IIMG Advisory Group held its first meeting on October 29, 2015, in St. Paul. Ms. Martinez attended the meeting and participated in a discussion of plans for skill building, clinical assessment and residency application procedures for IIMGs. Licensure Unit Supervisor Molly Schwanz was subsequently appointed by Dr. Eggen to serve as the Board's representative to the IIMG Task Force. Ms. Schwanz or Ms. Martinez will attend the meetings and report back to the Board.

- The MN Prescription Monitoring Program (PMP)

The current PMP Advisory Taskforce representative for the Board is former Board member, Alfred V. Anderson, D.C., M.D.

Plans to embed a link to PMP registration in the Board of Medical Practice on-line renewal processes is underway, with an anticipated completion date of March 2016.

- Minnesota Physician Publishing
Board members, staff and executive directors of the tri-regulatory Boards of Medical Practice, Nursing and pharmacy have been invited to submit articles individually and collectively for publication in Minnesota Physician Magazine.
- Outreach
Board staff met in person and by teleconference to discuss topics of mutual interest with members and representatives of the Minnesota Psychiatric Association, the Minnesota Academy of Physician Assistants, the Minnesota Medical Association, the American Osteopathic Association, and the Athletic Trainers Board of Certification.
- Conferences and Meetings
 - September 17 – 19, 2015: Council on Licensure, Enforcement and Regulation (CLEAR) 2015 Annual Educational Conference
Complaint Review Unit Supervisor Elizabeth Huntley attended the CLEAR Annual Educational Conference in Boston, MA.
 - October 7 – 8, 2015: The Tri-Regulator Symposium: Team Based Care – Collaborative Regulation
Members and staff of the Boards of Medical Practice, Nursing and Pharmacy attended the Tri-Regulator Symposium in Washington, DC, hosted by the Federation of State Medical Boards (FSMB), National Association of Boards of Pharmacy (NABP) and the National Council of State Boards of Nursing (NCSBN).
 - October 22 – 23, 2015: First Annual Mayo Clinic Opioid Conference
The first annual Mayo Clinic Opioid Conference took place on October 22-23, 2015. Some Board members attended the Mayo Clinic conference in Rochester, Minnesota, which focused on *Evidence, Clinical Consideration and Best Practice 2015*.

Ms. Johnson thanked Dr. Berge and the Mayo Clinic for the public Board members scholarship. She stated that the conference was useful.

Dr. Berge noted that the Second Annual Mayo Opioid Conference is scheduled for October 2016 in downtown Portland, Oregon.

- October 27 – 28, 2015: Inaugural Meeting of the Interstate Medical Licensure Compact
Governor Mark Dayton appointed Board member Jon Thomas, M.D., and Executive Director Ruth Martinez, M.A., as Minnesota's representatives to the Interstate Medical Licensure Compact Commission (IMLCC). Commissioners Thomas and Martinez were joined by Commissioners from the eleven compact states in Chicago, IL, for the inaugural meeting of the IMLCC. The IMLCC elected officers, adopted bylaws, and established seven committees. Dr. Thomas was elected Vice-Chair of the IMLCC.

Ms. Martinez congratulated Dr. Thomas on his election as Vice Chair of the IMLCC. Ms. Johnson congratulated Ms. Martinez for her appointment to the IMLCC.

The next Meeting of the IMLCC is scheduled for December 18, 2015, in Salt Lake City, UT. Ms. Martinez and Dr. Thomas are working to complete committee work in preparation for the full IMLCC meeting on December 18, 2015. At the January 9, 2015, Board meeting, there should be new information to share with the Board.

- November 5 – 6, 2015: Administrators in Medicine Executive Orientation and Executive Director Workshop
Ms. Martinez attended Executive Orientation and the Executive Director Workshop in Scottsdale, AZ. Topics included relationships between regulators and physician health programs, trends in telemedicine, and roundtable discussion of relevant topics.

- November 12 – 13, 2015: Federation of State Medical Boards' Board Attorney Workshop
Ms. Huntley attended the annual Board Attorney Workshop in Las Vegas, NV.
- November 14, 2015: MAPS Pain Conference
Senior Medical Regulation Analyst Tami Trinka is attending the MAPS Pain Conference today, November 14, 2015. Typically Board members and staff attend.
- Staffing
Ms. Martinez reported that the Complaint Review Unit staff is fully staffed with the addition of Lisa Gamer on September 28, 2015, as a Complaint Review Unit Assistant.
Also on September 28, 2015, Roger Cornetto, M.D., contracted with the Board as a Medical Coordinator. Dr. Cornetto replaces former Medical Coordinator Ali Coulter, M.D.
Ms. Schwanz stated that five people were interviewed during the past week and an offer was made to the top interviewee. Ms. Schwanz stated that the candidate has significant experience with the health licensing boards and the Veterans Home. It is anticipated that the candidate will join Board staff on December 2, 2015.
- Legislation
 - SF 454: Physician assistant housekeeping modifications; temporary suspension process alignment.
The temporary suspension bill is now amended to the physician assistant housekeeping bill. Board staff has been fortunate to have the assistance of the physician assistant professional association and its lobbyist. Minor edits are being made to the language to avoid further controversy.
 - HF 1923: Osteopathic physician housekeeping modifications
Board staff is still working on osteopathic language changes. There may be a couple of additional changes based on obsolete language. Ms. Martinez will provide copies of the bill when it is introduced.

Ms. Martinez reminded the three Board members that are up for re-appointment that they need to submit applications through the Secretary of State's Office.

- Transition to a New Board Website
The Board's website has transitioned into a new statewide system. Ms. Martinez invited Board members to browse the new website and offer feedback. Ms. Martinez noted that all of the health licensing boards are bound to one set of features that have budgetary limits. The new website also has the capacity to integrate social media if the Board moves in that direction. Ms. Johnston demonstrated the new website for Board members and attendees.

Ms. Martinez thanked Ms. Johnston for her assistance in the migration to the new website. Ms. Johnston has been working closely with Ms. Martinez and the technology staff to get the new website in place. Ms. Johnston is doing a lot of updating of the information on the new website. The Board gave Ms. Johnston a round of applause. Ms. Martinez also thanked Ms. Johnston and Governance Support Associate with the Federation of State Medical Boards Pam Huffman for organizing a lovely dinner last night.

Agenda Item 11: Election of Board Officers for Calendar Year 2016

The Nominating Committee consisting of Dr. Eggen, Dr. Fernandes, and Mr. Rasmussen met by teleconference on October 30, 2015, at 7:00 a.m., and proposed the following slate of candidates:

President:	Subbarao Inampudi, M.D., B.S., FACR
Vice President:	Gerald T. Kaplan, M.A., L.P.
Secretary:	Irshad H. Jafri, M.B. B.S., FACP
Voting Delegate to the Federation:	Joseph R. Willett, D.O., FACOI

Not present at the Board meeting were Drs. Jafri and Willett, but they informed Ms. Martinez prior to the Board meeting that they accept their nominations.

A motion was made and passed unanimously to accept the recommendations of the Nominating Committee.

Dr. Eggen congratulated Dr. Inampudi on his election as President of the Board for 2016; Dr. Inampudi thanked the Board.

Dr. Eggen stated this is his last Board meeting as President and he thanked Board members and staff for the opportunity to work, learn, and dialogue with them. Dr. Inampudi said that Dr. Eggen has done a phenomenal job as President of the Board.

Mr. Kaplan stated that Dr. Eggen's involvement, and his Board President predecessors Dr. Thomas and Dr. Berge, have done a terrific job.

Agenda Item 12: Delegation of Authority

Ruth M. Martinez, M.A., requested that the Board delegate authority to the Executive Director to sign Confidential Monitoring Plans established pursuant to Minnesota Statute §214.23, subdivision 2. The statute requires the Board or the Minnesota Department of Health establish a monitoring plan for a regulated person who is infected with the Human Immunodeficiency Virus (HIV), the Hepatitis B Virus (HBV), or the Hepatitis C Virus (HCV).

The Minnesota Department of Health has and is confidentially monitoring people infected with HIV, HBV, or HCV. Recently, the Minnesota Department of Health discharged an individual to the Board of Medical Practice for confidential monitoring. The Board is obligated to confidentially monitor any individual that the Department of Health declines to monitor.

The Health Professional Service Program (HPSP) is not authorized to monitor HIV, HBV, or HCV infected individuals. The Confidential Monitoring Plans are processed through a Complaint Review Committee. The Executive Director will sign the Confidential Monitoring Plan to fully execute the agreement.

After a brief Board discussion, a motion was made and passed unanimously to delegate authority to the Executive Director to sign Confidential Monitoring Plans.

Dr. Eggen noted that the Federation of State Medical Boards' Annual Meeting will be held from April 28-30, 2016, at the Grand Hyatt Hotel in San Diego, California.

Agenda Item 13: Corrective and Other Actions

Corrective and other actions were presented for Board information only.

Agenda Item 14: New Business

- Security

Several Board members had concerns about building security for Saturday Board meetings and after hour committee meetings.

Discussion included:

- Hiring of an armed security guard for Board meetings to sit at the entrance of Conference Room A. Hiring a security guard should be done consistently and not intermittently because it may cause bias and affect Board members objectivity toward a respondent.
- Some Board members do not have building security concerns.
- Some Board members would prefer the security guard not be armed.

A motion was made and seconded to explore hiring a security guard, with a friendly amendment that the security guards are armed, at after-hour committee and Saturday Board meeting. Amendment accepted. After Board discussion, the motion was withdrawn.

Discussion continued:

- Hiring a security expert to inform the Board how to secure Board and after hour Committee meetings. Could the health licensing boards hire a security expert to review building security? No, because the cost is a big deterrent and not all health licensing boards have the same security needs. Also, there are other businesses in the building.

After discussion, a motion was made and passed unanimously that a security expert will be engaged by staff to review best practices for securing the space for after hours committee and Saturday Board meetings.

Ms. Martinez will report back to the Board at the January 9, 2015, Board meeting.

Dr. Eggen adjourned the public session of the meeting.

The following Board members were present for both Public and Executive Sessions, unless otherwise indicated: Mark A. Eggen, M.D., President; Subbarao Inampudi, M.B., B.S., FACR, Vice President; Charles F. Moldow, M.D., Secretary; Keith H. Berge, M.D.; V. John Ella, J.D.; Sarah L. Evenson, J.D., M.B.A.; Dr. Eduardo T. Fernandes; Rebecca J. Hafner-Fogarty, M.D., M.B.A.; Kelli Johnson, M.B.A.; Gerald T. Kaplan, M.A., L.P.; Patricia J. Lindholm, M.D., FAAFP; Allen G. Rasmussen, M.A.; Maria K. Statton, M.D., Ph.D.; and Jon V. Thomas, M.D., M.B.A.

ROBERT WILLIAM BEATTIE, M.D.

On recommendation of the Complaint Review Committee, the Board approved the Stipulation and Order for voluntary surrender of license signed by Dr. Beattie.

DURAND E. BURNS, M.D.

On recommendation of the Complaint Review Committee, the Board approved the Stipulation and Order for stayed suspension, reprimand and conditioned license signed by Dr. Burns.

CHENG CHI, L.Ac.

On recommendation of the Complaint Review Committee, the Board approved the Order of Unconditional License.

ALLAN B. CLARK, M.D.

On recommendation of the Complaint Review Committee, the Board approved the Stipulation and Order for voluntary surrender of license signed by Dr. Clark.

JEFFREY A. HORAK, M.D.

On recommendation of the Complaint Review Committee, the Board approved the Stipulation and Order for reprimand signed by Dr. Horak. Dr. Lindholm recused.

RAJESH MALHOTRA, M.D.

On recommendation of the Complaint Review Committee, the Board approved the Stipulation and Order for voluntary surrender of license signed by Dr. Malhotra.

DAVID S. PECORA, P.A.

On recommendation of the Complaint Review Committee, the Board approved the Stipulation and Order for stayed suspension and conditioned license signed by Mr. Pecora. Dr. Statton recused.

LUTHER P. PHILAYA, M.D.

On recommendation of the Complaint Review Committee, the Board approved the Order of Unconditional License. Dr. Hafner-Fogarty opposed.

SHELLY M. WILLIAMS, M.D.

On recommendation of the Complaint Review Committee, the Board approved the Order of Unconditional License. Dr. Hafner-Fogarty recused.

There being no further business, the meeting was adjourned.

The percentages on the left reflect persons that engaged in monitoring.

*Reflect discharge categories of persons that did not engage in monitoring.

While most of the above discharge categories are self-explanatory, ineligible discharges represent various situations, including but not limited one's illness being too severe to continue monitoring (disabling), license suspension or revocation, and violation of one's practice act. Additionally, some persons are not eligible because they were previously discharged to the Board and the Board has not yet resolved their case.

GENERAL HPSP INFORMATION

MISSION AND GOALS

Mission: Minnesota's Health Professionals Program protects the public by providing monitoring services to regulated health professionals whose illnesses may impact their ability to practice safely. The goals of HPSP are to promote early intervention, diagnosis and treatment for health professionals with illnesses, and to provide monitoring services as an alternative to board discipline. Early intervention enhances the likelihood of successful treatment, before clinical skills or public safety are compromised.

SERVICES

HPSP provides monitoring services by developing and implementing individualized Monitoring Plans. Monitoring Plans establish illness and practice related provisions that assist participants in documenting appropriate illness management. A plan may include the participant's agreement to comply with continuing care recommendations, practice restrictions, random drug screening, and support group participation.

FUNCTIONS

Provide health professionals with services to determine if they have an illness that warrants monitoring:

- Evaluate symptoms, treatment needs, immediate safety and potential risk to patients
- Obtain substance, psychiatric, and medical histories along with social, and occupational data
- Determine practice limitations, if necessary
- Secure records consistent with state and federal data practice regulations
- Collaborate with medical consultants and community providers concerning treatment

Create and implement monitoring contracts:

- Specify requirements for appropriate treatment and continuing care
- Determine illness-specific and practice-related limitations or conditions

Monitor the continuing care and compliance of health program participants:

- Communicate monitoring procedures to treatment providers, supervisors and other collaborative parties
- Review records and reports from treatment providers, supervisors and other sources regarding the health professional's level of functioning and compliance with monitoring
- Coordinate toxicology screening process
- Intervene, as necessary, for non-compliance, inappropriate treatment, or symptom exacerbation

Act as a resource for licensees, licensing boards, health employers, practitioners, and medical communities

UNIQUE CHARACTERISTICS

While health professional monitoring programs are found throughout the United States, HPSP is unique in the following ways:

- Offers a single point of contact for all regulated health professionals, providers, and employers
- Eliminates the duplication of services among boards
- Serves health professionals with substance, psychiatric, and other medical disorders

BENEFITS

- HPSP legislation enables health professionals to report their illness to HPSP in lieu of to their licensing board
- HPSP legislation provides permission, confidentiality and immunity for others reporting impaired health professionals
- Protects the public by monitoring and/or restricting the practice of impaired health professionals
- Provides health professionals with a proactive and structured method to document appropriate illness management
- Ensures licensees are receiving the appropriate level of care

EXAMPLES OF HOW HPSP PROTECTS THE PUBLIC

Employers report practitioners to HPSP for:

- Stealing narcotics
- Being intoxicated
- Being manic or psychotic
- Being unable to function due to brain damage

Health professionals call HPSP when they are:

- Terminated or put on leave due to symptoms of mania, psychosis, dementia or other medical disorders
- Terminated for diverting drugs or showing up to work intoxicated
- Seeking treatment for a substance use disorder

How HPSP responds:

HPSP intervenes immediately. For example, HPSP may request that practitioners refrain from practice if their illness is active (i.e.: not sober, hasn't been assessed or treated). HPSP requests that practitioners obtain assessments (substance, psychiatric and/or medical) to determine the appropriate level of care needed and whether they are safe to return to practice. After the assessments are completed, HPSP implements monitoring contracts and reviews the practitioners' compliance with the monitoring contract.

It is the experience of HPSP and other PHPs around the country that a process that allows referral to HPSP protects the public. HPSP is able to intervene immediately whereas a regulatory entity must build a case capable of withstanding court challenge. This later route can be time consuming, placing the public at risk, and is expensive.

LEGISLATION

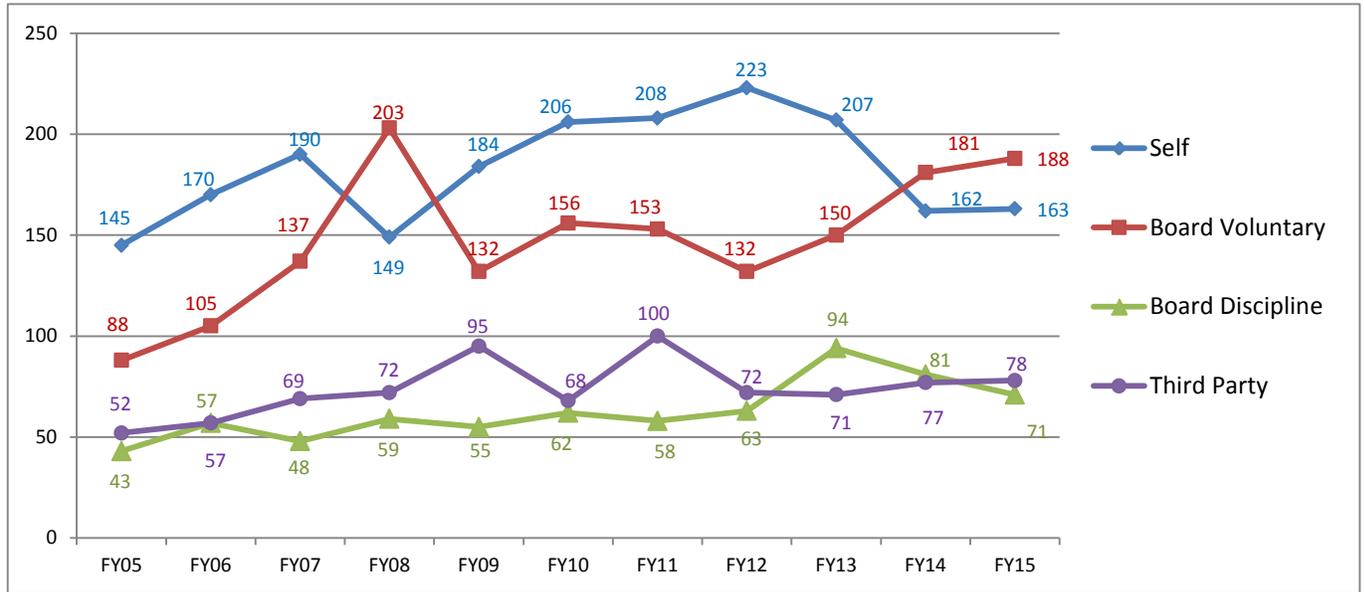

HPSP is governed by Minn. Stat. 214.29 to 214.36.

FUNDING

HPSP is funded almost entirely (99%) by the health-licensing boards, whose income is generated through licensing fees. Each board pays an annual participation fee of \$1,000 and a pro rata share of program expenses based upon number of licensees enrolled. The average annual cost per HPSP participant is approximately \$1,000, which is charged to the licensing board. There is no cost to the participant except for toxicology screens, if required.

REFERRALS

The chart below shows the number of referrals to HPSP by first referral source from fiscal year 2005 through fiscal year 2015. The data show a prominent decrease in the number of persons that self-referred to HPSP over the past four years. On the other hand, board voluntary referrals have seen a steady increase over the past three years, and for the second time have exceeded self-referrals. Board disciplinary referrals have decreased over the past two years. Third party referral remained relatively flat over the past two year.

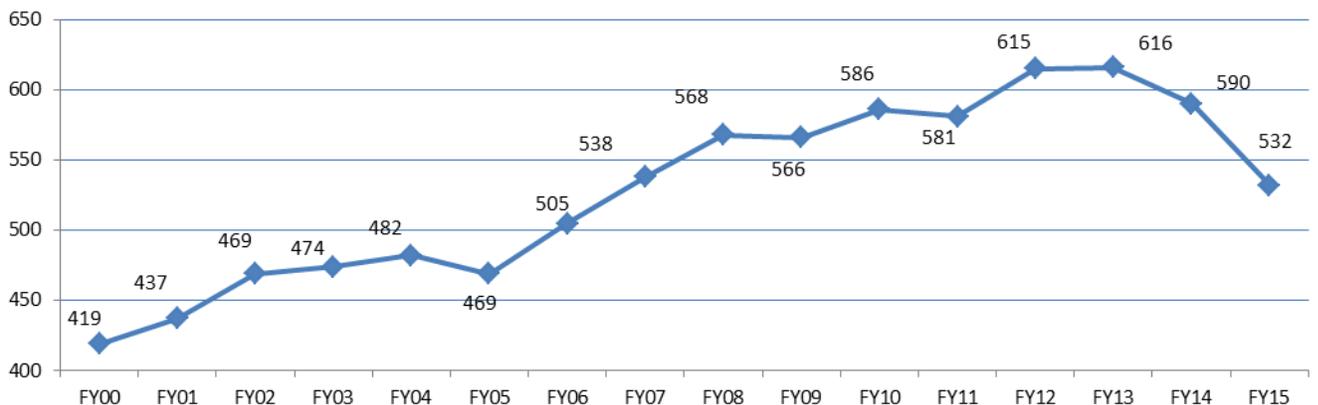

DISCHARGES

From July 1, 2014 to June 30, 2015, 558 licensees were discharged from HPSP. Of those that engaged in monitoring, 60% successfully completed the conditions of their monitoring contracts. Discharge rates vary considerably by profession. Persons in professions with higher incomes tend to complete the program at a higher rate than those with lower incomes.

OVERALL PARTICIPATION BY FISCAL YEAR

The graph below depicts the number of participants active with HPSP at the end of each fiscal year:

ILLNESSES MONITORED

HPSP monitors health care professionals diagnosed with substance, psychiatric and/or other medical disorders. On June 30, 2015, there were 483 health professionals enrolled in HPSP with signed Participation Agreements. The following data identify the illnesses for which they are being monitored.

Illness Category 523 Participants	Number of Participants	% of Participants
Substance Use Disorders	397	82%
Psychiatric Disorders	342	71%
Medical Disorders	50	10%

Prescription Drug Abuse and Diversion of Medications

HPSP Definition of Diversion

The HPSP working definition of diversion is *the inappropriate acquisition of controlled or other potentially abusable substances*. Note the term “diversion” is umbrella terminology in which stealing drugs from the work place is included. Methods of diversion vary greatly, as does the impact and potential impact on patients.

Prescription Drug Abuse and Diversion

On July 31, 2015, of the 483 participants with signed Participation Agreements, 117 (24%) were addicted to at least one prescription medication, most commonly opiates. Of these, 64 (55%) engaged in diversion, representing 13% of HPSP participants with signed Participation Agreements. HPSP tracks both work-related and non-work-related diversion. Additionally, it is not uncommon for people to divert in more than one way. The table below shows differences in diversion by profession. It clearly shows that access to controlled substances is a risk factor for abusing them. Pharmacists, who made up only 5% of HPSP participants when the data was collected, represented 22% of diversion cases.

Board	Number and Percent of Persons who Diverted by Board	Work Related: 47	Not-Work Related: 36	FY15 Average Percent of HPSP Participants
Nursing	34 (53%)	23	23	58%
Pharmacy	14 (22%)	12	6	5%
Medical Practice	10 (16%)	8	5	19%
Dentistry	2 (3%)	2	0	5%
Two Other Boards	4* (6%)	2**	2	5%

*Represents four participants from two boards

**Represents two participants from one board

Monitoring Conditions

Our standard monitoring conditions for work-related diversion include a minimum of twelve months of no access to, handling of, or responsibility for, controlled and mood altering substances at work. In some professions and work situations, access to drugs must be supervised after the restriction is lifted. The length of monitoring is also extended. HPSP communicates with all participant work site monitors (supervisors). In cases of diversion, communication is essential to ensuring patient safety.

Of the 536 active cases on July 16, 2015, 483 had signed Participation Agreements and 52 were in the enrollment process.

Registered Nurses make up the greatest number of HPSP participants, which is consistent with the fact that there are more Registered Nurses licensed than any other profession eligible for HPSP services.

**MINNESOTA BOARD OF MEDICAL PRACTICE
POLICY & PLANNING COMMITTEE MINUTES
December 8, 2015**

The Committee, chaired by V. John Ella, J.D., and attended by Dr. Eduardo T. Fernandes and Allen G. Rasmussen, M.A., met at 4:30 p.m. at the Board offices in Conference Room A. Also in attendance were Board members Subbarao Inampudi, M.B., B. S., FACR, and Jon V. Thomas, M.D. The Committee was assisted by Board staff, Ruth Martinez, Elizabeth Huntley and Molly Schwanz. The Committee considered the following items:

1. In the Matter of the Name on License: The Committee considered naming conventions and the impact on accurate identification of regulated professionals and exchange of credentialing data with other entities.

Mr. Rasmussen made a motion for the Policy & Planning Committee to recommend that licenses be issued in the applicant's full name. Mr. Ella made a friendly amendment, which was accepted, that the license should be issued in the applicant's full legal name. The motion passed unanimously.

2. In the Matter of Delegation to Staff to Issue License/Registration: The Committee considered how the Board processes applications for licensure/registration and considered whether to delegate Board staff to issue credentials to applicants who have been determined to meet requirements, without requiring full Board action. The Committee was advised of the Board's current application process, the process for issuance of credentials by Minnesota Board of Nursing staff and similar processes undertaken by other state regulatory agencies. The Committee discussed the need for review by the full Board of the written procedures for processing applications for licensure/registration at the time the Board considers the question.

Dr. Fernandes made a motion, seconded by Mr. Rasmussen, for the Policy & Planning Committee to recommend to the Board that it delegate authority to issue credentials when the credential is not subject to disciplinary action. The motion passed unanimously.

3. In the Matter of Extension for Completion of Exam Based on Health Condition: The Committee considered current statutory language that allows the Board to grant an extension to the time period and to the number of attempts permitted to pass the USMLE (licensing examination). The Committee considered whether such an extension based on a medical illness should be applied to completion of other qualifying licensing exams.

Mr. Rasmussen made a motion, seconded by Dr. Fernandes, for the Policy & Planning Committee to recommend that the Medical Practice Act be amended to expand application of an extension of the time period and to the attempts permitted to pass any qualifying licensing examination, based on a medical illness. The motion passed unanimously.

4. In the Matter of Potential Changes to the Medical Practice Act: In follow up to a partial review at the August 27, 2015 Policy & Planning Committee, of a list of suggested modifications by Board committees to the Medical Practice Act, the Committee recommended that Board staff develop a working document of proposed revisions, along with rationale for, or against, revisions, for periodic consideration and feedback by Board committees. The full Board may be asked to authorize incremental housekeeping changes or substantial modifications to the Medical Practice Act as the work proceeds.

5. In the Matter of Broadening Acceptance of Accredited Clinical Training from Other Countries: The Committee considered whether to expand its acceptance of post-graduate clinical medical training completed in other countries and decided that currently approved accredited clinical training is the appropriate requirement for licensure.

6. In the Matter of Recommending FSMB Resolutions: The Committee did not recommend any specific resolutions to be brought to the Federation of State Medical Boards annual meeting in April 2015.

The meeting adjourned at 7:00 p.m.

Agenda

1. Name on License
 - Legal name (documentation required?)
 - Application name
 - Preferred name
 - Name change
2. Delegation to Staff to Issue License
 - If no adverse issues or licensing action
 - Other regulatory boards have granted such delegation
 - Interstate Medical Licensure Compact (IMLC)
3. Extension for Completion of Exam Based on Health Condition
 - Qualifying exam?
 - Currently only applies to the United States Medical Licensing Examination (USMLE)
4. Continued Review of Potential Changes to the Medical Practice Act
 - Unable to complete review at last meeting (see attachment)
5. Status of Legislation
 - Telemedicine Act (Federal)
 - Minnesota Bills
 - Temporary suspension and physician assistant practice act modifications
 - Revisions relating to osteopathic physicians
6. Broaden Acceptance of Accredited Clinical Training from other countries

Topics to consider relating to modification of the Medical Practice Act

Rename Medical Practice Act

- Current: *Minnesota Board of Medical Practice, Surgeons, Physicians & Osteopaths*
- Option #1: *Minnesota Board of Medical Practice, Physicians & Surgeons*
- Option #2: *Minnesota Board of Medical Practice, Physicians*

Board Appointees

- Allow one of the five public members to be appointed to an at large seat
- Consider increasing the number of board members to add one or more at large seats
- Modify to require appointment of not less than one each: osteopathic physician and allopathic physician

Definitions

- Add a more comprehensive Definitions section under 147.011
- Consider whether to move the definition of the Practice of Medicine to section 147.011
- Modify the definition of the Practice of Medicine [currently under 147.081, Subd. 3]
- Consider whether current definitions are accurate and appropriate (e.g. use of lasers, hypnosis, other)

Limited License

- Add an administrative license – non-clinical, no prescribing, other?
- Add a residency license – FSMB recommends licensure following completion of full residency. If this is enacted as a requirement for licensure, the Board could consider granting a limited license for the period of residency training (similar to a residency permit, but with enforcement authority to take action against the license)
- Telemedicine registration
 - Still necessary/relevant?
 - Is enforcement authority adequate under current language?
 - Align requirements for registration with grounds to revoke or suspend registration

Re-entry

- Add a formal statutory process for re-entry after a period of time out of practice
- Specify documentation necessary to demonstrate minimum competency to return to practice

Licensure Requirements

- Revise and update references to osteopathic physicians
- Revise osteopathic examination requirements to align with allopathic exam (#attempts)
- Increase or decrease licensure requirements
 - Modify number of attempts to pass licensure examinations
 - Expand acceptable licensure examinations
 - Require completion of full residency prior to licensure
- Modify/clarify clinical training requirements
 - Accept clinical training accredited by other specific countries (e.g. UK, Australia, European countries)
 - Eliminate or add discretion of Board to accept non-accredited clinical training (consider whether and how Board has the capacity to evaluate clinical training)
- Align licensing requirements for domestic and international graduates
- Modify/clarify licensing requirements for FMGs [147.037, Subd. 1(e)]
- Consider repeal of licensure of osteopaths pursuant to Minn. Statutes 1961, Sections 148.11 – 148.16, if this is no longer applicable

Grounds for Discipline

- Add or modify citations to more clearly describe alleged misconduct
- Particularly review 147.091, Subd. 1(g) and (k)
- Repeal authorization for temporary suspension in practice act when modification of temporary suspension under chapter 214 passes through the legislature

Mandatory Reporting

- Add enforcement authority against entities that fail to make mandatory reports/release records

SUBJECT: Delegation of Authority to Approve
Confidential Monitoring Plans

SUBMITTED BY: Subbarao Inampudi, M.D., B.S., FACR, Board President

REQUEST FOR BOARD ACTION
MINNESOTA BOARD OF MEDICAL PRACTICE

REQUESTED ACTION:

The Board is asked to delegate authority on its behalf to the Licensure and Complaint Review Committees to approve and enter into Confidential Monitoring Plans with regulated persons, established pursuant to Minnesota Statute §214.23, Subdivision 2.

MOTION BY:

SECOND:

PASSED PASSED AMENDED LAYED OVER DEFEATED

BACKGROUND:

At the November 14, 2015, Board meeting, the Board delegated authority to the Executive Director to sign and fully execute Confidential Monitoring Plans, developed pursuant to Minnesota Statute §214.23, Subdivision 2, relating to regulated persons infected with HIV, HBV or HCV.

The previous delegation of authority did not include authority for the Licensure and Complaint Review Committees of the Board to approve and enter into Confidential Monitoring Plans on behalf of the Board.

SUBMITTED BY: Ruth M. Martinez, M.A., Executive Director

REQUEST FOR BOARD ACTION
MINNESOTA BOARD OF MEDICAL PRACTICE

REQUESTED ACTION:

For information only.

MOTION BY: _____

SECOND: _____

PASSED PASSED AMENDED LAYED OVER DEFEATED

BACKGROUND:

Attached is the Executive Director's Report of activities since the last board meeting.

EXECUTIVE DIRECTOR'S REPORT

External Stakeholder Groups, Outreach and Publications

The Board continues to participate on a number of external stakeholder groups, providing recommendations and guidance on policy and other issues related to health care delivery, licensing and regulation.

State Opioid Oversight Project (SOOP) Work Group

The Board participates in regular meetings of the SOOP work group. Most recently, the Board initiated an invitation to the Minnesota Hospital Association and the Minnesota Alliance for Patient Safety to engage with the group on public relations efforts.

Interstate Collaboration in Healthcare

Regular conference calls on specific topics of interest continue, specifically on the topic of the Interstate Medical Licensure Compact (IMLC). Representatives from the Collaboration have attended the first two IMLC Commission meetings.

National Governors' Association (NGA) Health Care Workforce Technical Assistance Program

Minnesota's proposal for the National Governor's Association State Health Care Workforce Technical Assistance Program (NGA-TA Program) on advancing scope-of-practice policy has been accepted. The tri-regulatory Boards of Medical Practice, Pharmacy and Nursing (Boards), along with the MN Department of Health (MDH), National Center for Interprofessional Practice & Education at the University of MN, HealthForce Minnesota, Governor's office, and Minnesota Legislature are represented on the Core Team. Minnesota's proposed goals include development of a consensus framework for evaluating scope-of-practice proposals at the Legislature, support of scope-of-practice changes recently enacted, and identification of needs and opportunities for future scope-of-practice changes.

Nov. 12 – 13, 2015: NGA Health Care Workforce Technical Assistance Program Kick-off Event

In follow up to the November 12 – 13, 2015 NGA Policy Academy Kick-off Event, stakeholders submitted summaries of recent scope-of-practice changes which will be catalogued and reviewed at an upcoming meeting. The Core Team is scheduled to meet again on January 20, 2016.

Immigrant International Medical Graduate (IIMG) Stakeholder Advisory Group

Board representatives Molly Schwanz and Ruth Martinez are currently participating on a Licensure Study work group and a Non-physician Pathways work group. Ms. Schwanz attended the larger stakeholder group on January 5, 2016, at which time the work groups summarized their activities.

MN Prescription Monitoring Program (PMP) Advisory Task Force

The PMP Advisory Task Force supports plans to bring forth legislation again this session including expanded access to the PMP by health licensing boards when an investigation is pending. As previously noted, plans to embed a link to PMP registration in the Board of Medical Practice on-line renewal processes is underway and expected to be completed in March 2016.

MN Physician Publishing

An article by Dr. Jon Thomas was recently published regarding the Interstate Medical Licensure Compact (IMLC). The tri-regulatory Boards of Medical Practice, Nursing and Pharmacy are working together to finalize an article on regulatory collaboration for publication this spring.

Outreach

Representatives of the health licensing boards and the Health Professionals Services Program met with Governor Dayton's policy advisor to discuss upcoming legislation. Executive Directors of the Board of Medical Practice, Board of Nursing and the Minnesota Alliance for Patient Safety (MAPS) met to discuss how we can continue to collaborate on patient safety efforts. Board staff met by teleconference with Carol Clothier from the American Board of Medical Specialties (ABMS) to discuss Minnesota's position on maintenance of certification.

Conferences and Meetings

Dec. 18, 2015: Interstate Medical Licensure Compact Commission (IMLCC) Meeting

Commissioners Thomas and Martinez attended the second meeting of the IMLCC in Salt Lake City, Utah. Prior to the IMLCC meeting, Dr. Thomas and Ms. Martinez participated in a number of committee meetings addressing bylaws and rules, funding and technology. Minnesota will host the next meeting of the IMLCC on March 31 – April 1, 2016. Board members and other interested parties are invited to attend. Details will be forthcoming.

Staffing

We were pleased to welcome Elizabeth Larson to the Board as a Licensure Specialist, beginning on December 2, 2015.

Legislation

Board staff continues to meet with legislators regarding the upcoming 2016 "short" session, paving the way for legislative action on the following bills:

- SF 454: Physician assistant housekeeping modifications; temporary suspension process alignment;
- HF 1923: Osteopathic physician housekeeping modifications

**BEFORE THE MINNESOTA
BOARD OF MEDICAL PRACTICE**

In the Matter of the
Medical License of
Dr. Flora M. MacCafferty
Year of Birth: 1938
License Number: 20,944

ORDER FOR REINSTATEMENT

1. The Minnesota Board of Medical Practice (“Board”) is authorized pursuant to Minn. Stat. §§ 147.001 through 147.37 (2014) to license, regulate, and discipline persons who apply for, petition, or hold licenses to practice medicine and surgery in the State of Minnesota and is further authorized pursuant to Minn. Stat. §§ 214.10 and 214.103 (2014) to review complaints against physicians, to investigate such complaints, and to initiate appropriate disciplinary action.

2. Dr. Flora M. MacCafferty (“Respondent”) has been and now is subject to the jurisdiction of the Board from which she holds a license to practice medicine and surgery in the State of Minnesota.

3. Pursuant to Minn. Stat. § 270C.72, subd. 1 (2014), the license of a physician must be revoked if the licensee owes the State delinquent taxes, penalties, or interest, and the Minnesota Commissioner of Revenue so notifies the Board.

4. On July 22, 2015, the Board received a Notice of License Revocation from the Minnesota Department of Revenue, which advised the Board of Respondent’s outstanding tax liability, and under Minn. Stat. §§ 270C.72 and/or 16D.08, subd. 2 (2014), the Board must revoke Respondent’s license to practice medicine and surgery in the State of Minnesota. The Department of Revenue has informed the Board that, for purposes of Minn. Stat. § 270C.72

(2014), the Department of Revenue deems the term "revoke" to mean that the taxpayer's license will be suspended until the tax obligation has been satisfied and a tax clearance certificate has been issued.

5. On August 14, 2015, the Board issued an Order for Suspension and served it on Respondent, as required by Minn. Stat. §§ 270C.72 and/or 16D.08, subd. 2 (2014).

6. On November 9, 2015, the Board received notification from the Department of Revenue that Respondent had been issued a tax clearance certificate, effective November 5, 2015, under the authority of Minn. Stat. §270C.72 (2014).

7. The authority to sign orders suspending licenses pursuant to Department of Revenue tax delinquency notices and reinstating licenses pursuant to Department of Revenue Clearance Certificates has been delegated by the Board to its Executive Director.

ORDER

IT IS HEREBY ORDERED that Respondent's license to practice medicine and surgery in the State of Minnesota is **REINSTATED**, effective on November 5, 2015.

COMPLAINT REVIEW COMMITTEE

In the Matter of the
Medical License of
Susan M. Goltz, M.D.
Year of Birth: 1959
License Number: 33,349

**AGREEMENT FOR
CORRECTIVE ACTION**

This Agreement is entered into by and between Susan M. Goltz, M.D. ("Respondent"), and the Complaint Review Committee ("Committee") of the Minnesota Board of Medical Practice ("Board") pursuant to the authority of Minn. Stat. § 214.103, subd. 6(a) (2014). Respondent has been advised by Board representatives that Respondent may choose to be represented by legal counsel in this matter. Respondent has chosen to be represented by Tracy A. Schramm, Geraghty O'Loughlin & Kenney, Fitgers Complex, 600 East Superior Street, Suite 203, Duluth, Minnesota 55802, telephone (218) 491-7899. The Board was represented by Jason T. Pleggenkuhle, Assistant Attorney General, 1400 Bremer Tower, 445 Minnesota Street, St. Paul, Minnesota 55101, (651) 296-7575. Respondent and the Committee hereby agree as follows:

FACTS

1. This Agreement is based upon the following facts:
 - a. Respondent was licensed by the Board to practice medicine and surgery in the State of Minnesota on January 20, 1990. Respondent is board-certified in obstetrics and gynecology.

b. In August 2015, the Board received a complaint alleging that Respondent failed to provide appropriate gynecological care for a female patient with a history of cervical dysplasia and failed to provide adequate long-term treatment recommendations. The Board initiated an investigation, which revealed concerns regarding Respondent's diagnosis and selection of treatment options for patients with abnormal PAP tests or other abnormal test results.

2. On October 12, 2015, Respondent met with the Complaint Review Committee to discuss the information set forth in paragraph 1 above. Based on the discussion, the Committee views Respondent's conduct as inappropriate under Minn. Stat. § 147.091, subd. 1(k) (departure from the minimal standards of practice) (2014), and Respondent agrees that the conduct cited above constitutes a reasonable basis in law and fact to justify corrective action under these statutes.

CORRECTIVE ACTION

3. Respondent agrees to address the concerns referred to in paragraph 1 by taking the following corrective action:

a. Respondent shall successfully complete, within six months of the date of this Agreement, a course in the use of colposcopy and management of patients with abnormal PAP tests, which has been approved in advance by the Complaint Review Committee or its designee. Successful completion shall be determined by the Board or its designee.

b. Following successful completion of the above-referenced coursework and within six months of the date of this Agreement, Respondent shall write and submit a paper, for review and approval by the Complaint Review Committee or its designee, discussing what she has learned from the specific patient case that was the subject of the Board investigation, what

she has learned from the required coursework, and how she has implemented the combined knowledge into her practice.

4. This Agreement shall become effective upon execution by the Committee and shall remain in effect until Respondent successfully completes the terms of the agreement. Successful completion shall be determined by the Committee.

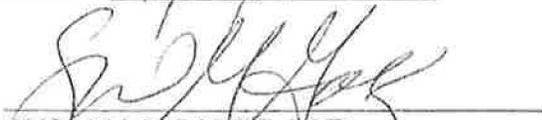

5. Upon Respondent's satisfactory completion of the Agreement for Corrective Action, the Committee agrees to issue a letter of satisfaction to Respondent and dismiss the complaint(s) referred to in paragraph 1. Respondent agrees that the Committee shall determine satisfactory completion. Respondent understands and further agrees that if, after dismissal, the Committee receives additional complaints similar to the information in paragraph 1, the Committee may reopen the dismissed complaint(s).

6. If Respondent fails to complete the corrective action satisfactorily or if the Committee receives additional complaints similar to the allegations described in paragraph 1, the Committee may, in its discretion, reopen the investigation and proceed according to Minn. Stat. chs. 147, 214, and 14. Failure to complete corrective action satisfactorily constitutes failure to cooperate under Minnesota Statutes section 147.131. In any subsequent proceeding, the Committee may use as proof of the allegations of paragraphs 1 and 2 Respondent's agreements herein.

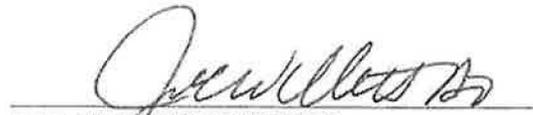

7. Respondent understands that this Agreement does not constitute disciplinary action. Respondent further understands and acknowledges that this Agreement and any letter of satisfaction are classified as public data.

8. Respondent hereby acknowledges having read and understood this Agreement and having voluntarily entered into it. This Agreement contains the entire agreement between

the Committee and Respondent, there being no other agreement of any kind, verbal or otherwise, which varies the terms of this Agreement.

In the Matter of the
Medical License of
James E. Halvorson, M.D.
Year of Birth: 1954
License Number: 32,391

**AGREEMENT FOR
CORRECTIVE ACTION**

This Agreement is entered into by and between James E. Halvorson, M.D. ("Respondent"), and the Complaint Review Committee ("Committee") of the Minnesota Board of Medical Practice ("Board") pursuant to the authority of Minn. Stat. § 214.103, subd. 6(a) (2014). Respondent has been advised by Board representatives that Respondent may choose to be represented by legal counsel in this matter. Although aware of this opportunity, Respondent has elected not to be represented by counsel. The Committee was represented by Jason T. Pleggenkuhle, Assistant Attorney General, 1400 Bremer Tower, 445 Minnesota Street, St. Paul, Minnesota 55101, (651) 296-7575. Respondent and the Committee hereby agree as follows:

FACTS

1. This Agreement is based upon the following facts:
 - a. Respondent was licensed by the Board to practice medicine and surgery in the State of Minnesota on January 21, 1989. Respondent is board-certified in family medicine.
 - b. In March 2015, the Board received a report alleging that Respondent failed to properly manage the care of a female patient during the labor and delivery of a large weight baby. The report also alleged that the infant suffered an injury to the shoulder during delivery, which resulted in severe permanent impairment to the infant.

c. The Board initiated an investigation into Respondent's care of the patient and infant, which revealed concerns that Respondent failed to obtain adequate information about the patient's previous deliveries of large weight babies and the previous occurrence of shoulder injury during delivery, Respondent failed to order an ultrasound test for an estimate of the fetal weight prior to inducing labor for the patient, and Respondent failed to offer cesarean section as a delivery option for the patient to accommodate the large weight fetus.

2. On October 12, 2015, Respondent met with the Complaint Review Committee to discuss the information set forth in paragraph 1 above. Based on the discussion, the Committee views Respondent's conduct as inappropriate under Minn. Stat. § 147.091, subd. 1(k) (departure from the minimal standards of practice) (2014), and Respondent agrees that the conduct cited above constitutes a reasonable basis in law and fact to justify corrective action under these statutes.

CORRECTIVE ACTION

3. Respondent agrees to address the concerns referred to in paragraph 1 by taking the following corrective action:

a. Respondent shall successfully complete the following coursework, approved in advance by the Complaint Review Committee or its designee, within one year of the date of this Agreement:

- 1) Management of high-risk pregnancy.
- 2) Advanced Life Support in Obstetrics.

Successful completion shall be determined by the Board or its designee.

b. Following successful completion of the above-reference coursework and within one year of the date of this Agreement, Respondent shall write and submit a paper, for

review and approval by the Complaint Review Committee or its designee, discussing what he has learned from the specific patient case that was the subject of the Board investigation, what he has learned from the required coursework, and how he has implemented the combined knowledge into his practice.

4. This Agreement shall become effective upon execution by the Committee and shall remain in effect until Respondent successfully completes the terms of the agreement. Successful completion shall be determined by the Committee.

5. Upon Respondent's satisfactory completion of the Agreement for Corrective Action, the Committee agrees to issue a letter of satisfaction to Respondent and dismiss the complaint(s) referred to in paragraph 1. Respondent agrees that the Committee shall determine satisfactory completion. Respondent understands and further agrees that if, after dismissal, the Committee receives additional complaints similar to the information in paragraph 1, the Committee may reopen the dismissed complaint(s).

6. If Respondent fails to complete the corrective action satisfactorily or if the Committee receives additional complaints similar to the allegations described in paragraph 1, the Committee may, in its discretion, reopen the investigation and proceed according to Minn. Stat. chs. 147, 214, and 14. Failure to complete corrective action satisfactorily constitutes failure to cooperate under Minnesota Statutes section 147.131. In any subsequent proceeding, the Committee may use as proof of the allegations of paragraphs 1 and 2 Respondent's agreements herein.

7. Respondent understands that this Agreement does not constitute disciplinary action. Respondent further understands and acknowledges that this Agreement and any letter of satisfaction are classified as public data.

PASSED PASSED AMENDED LAYED OVER DEFEATED

BACKGROUND:

The National Transportation Safety Board (NTSB) has recommended that health care providers discuss with patients the effect their medical condition and medication use may have on their ability to safely operate a vehicle in any mode of transportation.

The Tri-regulatory boards of Medical Practice, Nursing and Pharmacy developed this joint statement offering guidance to licensees.

Listed below (and in the attached joint statement) is a link to the NTSB safety study, Drug Use Trends in Aviation: Assessing the Risk of Pilot Impairment, SS 14/02. <http://www.nts.gov/safety/safety-studies/Documents/ss1401.pdf>.

Joint Statement on the Impact of Health Conditions and Medication Use on the Operation of Vehicles

**Minnesota Boards of Medical Practice,
Nursing, and Pharmacy**

The National Transportation Safety Board (NTSB) has recommended that health care providers discuss with patients the effect their medical condition and medication use may have on their ability to safely operate a vehicle in any mode of transportation. In September of 2014, the NTSB published a safety study, Drug Use Trends in Aviation: Assessing the Risk of Pilot Impairment, SS 14/01, available at <http://www.nts.gov/safety/safety-studies/Documents/SS1401.pdf>. The background and basis for the recommendations may be found on pages 36-38 of the report. In follow-up to the NTSB recommendations, the tri-regulatory Boards of Medical Practice, Nursing, and Pharmacy (Boards) developed this Joint Statement on the Impact of Health Conditions and Medication Use on the Operation of Vehicles. For the purposes of this Statement, "vehicle" refers to the operation of a vehicle in any mode of transportation.

The Joint Statement is meant to offer guidance to pharmacists and licensed healthcare providers who are authorized to prescribe medications. To effectively assist patients with medical conditions or medications that may impair an individual's ability to operate a vehicle, health professionals should, within their scopes of practice:

- Provide education to patients regarding medical conditions and medications, including prescription, over-the-counter, and dose increases, that may impact their ability to operate vehicles safely.
- Educate patients regarding drug interactions bearing in mind the combination of medications, health conditions, and/or alcohol, and the potential for additive effects or resultant increases in central nervous system depressant effects, and the impact these interactions may have on an individual's ability to operate a vehicle.
- Exercise increased clinical vigilance when patients are instructed to consume more than one central nervous system depressant simultaneously.
- Engage the patient, family members, and caregivers as active participants in medications or health conditions that may impair the patient's ability to operate a vehicle.
- Provide consultation on all new prescriptions and refills and with patients. Pharmacists are required to provide such consultation pursuant to MN Rule 6800.0910.
- Ensure that drugs that are administered systemically as controlled substances under Minnesota Statutes, chapter 152, and parts 6800.4200 to 6800.4250, and other drugs deemed appropriate in the professional judgment of a pharmacist, are labeled according to the requirements of part 6800.3400 and in addition contain the following: "Caution: Taking this drug alone or with alcohol may impair your ability to drive." Additionally, ensure controlled substances are also labeled: "Caution: Federal law prohibits the transfer of this drug to any person other than the patient for whom it was prescribed" pursuant to MN Rules 6800.4150.
- Comply with all state and federal laws and regulations regarding prescribing, dispensing, and administering drugs including but not limited to MS 147, 147A, 148.235, 151 and 152.
