The program focuses on how to get international medical graduates who are in Minnesota to be a part of the physician workforce, using traditional licensing methods. The program is intended to help the participants develop the skills necessary to become successful residents. SUBJECT: Review of the Board's Policy on Reimbursement for
Time Spent on Board Activities, Per Diems

SUBMITTED BY: Elizabeth A. Huntley, JD, CMBE, Executive Director

REQUEST FOR BOARD ACTION
MINNESOTA BOARD OF MEDICAL PRACTICE

REQUESTED ACTION:

Update the Board's Policy on per diem payments for time spent preparing for Committee and Board meetings, by adopting the following:

The Board shall authorize payment of a per diem to Board members for time spent preparing for Committee and Board meetings. A per diem is defined by the Board to be two (2) OR three (3) hours of preparation time. Hours from more than one day cannot be combined and only one per diem will be paid per day even if time spent preparing for Committee or Board meetings exceeds the number of hours established to be a per diem.

MOTION BY:

SECOND:

() PASSED () PASSED AMENDED () LAYED OVER () DEFEATED

BACKGROUND:

On July 7, 1990, the Board adopted a policy that determined that a per diem was four (4) hours of meeting preparation time and allowed those hours to be accumulated over more than one day.

The Board was recently asked to review its policy on per diem payments to align with the guidance from our partners at the Department of Administration/SmART that accumulating hours over more than one day does not align with the state statute that allows for per diems, see [Minn. Stat. §214.09, subd.\(3\)](#), which reads, in pertinent part, Members of health-related licensing boards may be compensated at a rate of \$75 a day spent on board activities....

REQUEST FOR BOARD ACTION
MINNESOTA BOARD OF MEDICAL EXAMINERS

REQUESTED ACTION:

Adopt the following:

Clarification of the Board's per diem payment policy:

The Board shall authorize payment of per diem to Board members for work performed in preparation for Board and committee meetings. For purposes of calculating per diem, time may be accumulated but not divided. For example, 0-4 hours worked in one day may be accumulated, but if a member works up to 8 hours in one day, only one per diem may be claimed. Four hours of preparation equals one per diem payment.

MOTION BY:

SECOND:

☐ Passed ☐ Passed Amended ☐ Layed Over ☐ Defeated

BACKGROUND:

This is a clarification of the per diem policy adopted at the Board's July 11, 1987 meeting. The legislative auditor has reviewed the policy, and felt it was necessary to clarify the number of hours which equals a per diem payment.

Preparation for Board and Complaint Review Committee meetings will no longer be paid automatically. You will need to include all preparation time on your monthly log.

Effective August 1, 1990, per diem payments will be raised from \$35 to \$55.

BACKGROUND:

**BEFORE THE MINNESOTA
BOARD OF MEDICAL PRACTICE**

**In the Matter of the
Physician Assistant License of
Alexander J. Sherlock, P.A.
Year of Birth: 1978
License Number: 12330**

**AGREEMENT FOR
CORRECTIVE ACTION**

This Agreement for Corrective Action ("Agreement") is entered into by and between Alexander John Sherlock, P.A. ("Respondent"), and the Complaint Review Committee of the Minnesota Board of Medical Practice ("Committee") pursuant to the authority of Minnesota Statutes section 214.103, subdivision 6(a) (2023). Respondent was represented by Cally Kjellberg-Nelson, Quinlivan & Hughes, P.A., P.O. Box 1008, St. Cloud, Minnesota 56302. The Committee was represented by Daniel Schueppert, Assistant Attorney General, 445 Minnesota Street, Suite 1400, St. Paul, Minnesota 55101. Respondent and the Committee hereby agree as follows:

FACTS

1. For the purpose of this Agreement, the Board may consider the following facts as true:

a. Respondent was licensed by the Board to practice as a physician assistant in the State of Minnesota on January 26, 2017.

b. Through his August 2022 license renewal, Respondent answered affirmatively to a question about malpractice actions pending against him. Specifically, Respondent disclosed, as required, that he was named in a malpractice lawsuit related to his care of Patient #1.

c. The Board's investigation into Respondent's care of Patient #1 revealed that Respondent treated Patient #1 in the emergency room. Respondent assessed Patient #1, and also reviewed Patient #1's notes, x-rays, and other diagnostics from Patient #1's emergency room visit the day prior with another provider. Respondent failed to adequately document using a differential diagnosis procedure in connection with his medical reasoning and care to Patient #1. Upon discharging Patient #1, Respondent gave instructions to call emergency services and return to the emergency room if Patient #1 experienced any new concerning symptoms, including several symptoms consistent with sepsis, or if any of the conditions stated in a written list on Patient #1's discharge paperwork occurred.

d. On April 1, 2024, Respondent appeared before the Committee to discuss the allegations and his current practice. Respondent discussed what he recalled of his care of Patient #1, how he assesses patients generally, his understanding of sepsis protocol, and his practices related to documenting an examination.

2. Based on the discussion, the Committee views Respondent's conduct as inappropriate under Minnesota Statutes section 147A.13, subdivision 1 (14) (improper management of medical records) (2023), and Respondent agrees that the conduct cited above constitutes a reasonable basis in law and fact to justify corrective action under these statutes.

CORRECTIVE ACTION

3. Respondent agrees to address the concerns referred to in paragraphs 1 and 2 by taking the following corrective action:

a. Within six months from the date of the Agreement, Respondent shall successfully complete pre-approved courses in:

i. Medical Recordkeeping;

- ii. Recognition and Treatment of Sepsis; and
- iii. Team approach to the practice of medicine.

b. Following successful completion of the above-referenced coursework, and within nine months from the date of the Agreement, Respondent shall write and submit a paper, for review and approval by the Committee, discussing what he has learned from the coursework and how he has implemented this knowledge into his practice.

4. This Agreement shall become effective upon execution by the Committee and shall remain in effect until Respondent successfully completes the terms of the Agreement. Successful completion shall be determined by the Committee. Upon Respondent's signature and the Committee's execution of this Agreement, the Committee agrees to close the complaints resulting in the information referred to in paragraphs 1 and 2. Respondent understands and further agrees that if, after the matter has been closed, the Committee receives additional complaints similar to the information in paragraphs 1 and 2, the Committee may reopen the closed complaint.

5. If Respondent fails to satisfy the terms of the Agreement the Committee may, in its discretion, reopen the investigation and proceed according to Minnesota Statutes chapters 14, 147A, and 214. Failure to satisfy the terms of the Agreement constitutes failure to cooperate under Minnesota Statutes section 147A.13, subdivision 1(19). In any subsequent proceeding, the Committee may use this Agreement as proof that Respondent's conduct, cited in the Facts above, justified action under these statutes.

6. Respondent understands that this Agreement does not constitute disciplinary action. Respondent further understands and acknowledges that this Agreement and any letter of satisfaction are classified as public data for purposes of Minnesota Statutes sections 13.02,

subdivision 15, and 13.41, subdivision 5 (2023). Data regarding this Agreement may be provided to data banks as required by federal law or consistent with Board policy.

7. Respondent acknowledges reading and understanding this Agreement and entering into it voluntarily. This Agreement contains the entire agreement between the Committee and Respondent, there being no other agreement of any kind, verbal or otherwise, which varies the terms of this Agreement.

BOARD OF MEDICAL PRACTICE**

In the Matter of the
Physician Assistant License of
Lisa Xiong, P.A.
Year of Birth: 1983
License Number: 13637

**AGREEMENT FOR
CORRECTIVE ACTION**

This Agreement for Corrective Action ("Agreement") is entered into by and between Lisa Xiong, P.A. ("Respondent"), and the Complaint Review Committee of the Minnesota Board of Medical Practice ("Committee") pursuant to the authority of Minnesota Statutes section 214.103, subdivision 6(a) (2022). Respondent was represented by Eric H. Anderson, 333 Washington Avenue North, Suite 300, Minneapolis, Minnesota 55401. The Committee was represented by Daniel Schueppert, Assistant Attorney General, 445 Minnesota Street, Suite 1400, St. Paul, Minnesota 55101. Respondent and the Committee hereby agree as follows:

FACTS

1. For the purpose of this Agreement, the Board may consider the following facts as true:
 - a. Respondent was licensed by the Board to practice as a physician assistant in the State of Minnesota on March 4, 2021.
 - b. In March 2022, the Board received a complaint alleging Respondent engaged in inappropriate prescribing. Specifically, the complaint alleged the inappropriate prescribing led to the abrupt decline in Patient #1's mental health.

c. The Board investigated the matter, which included a review of Patient #1's medical records as well as a review of the Minnesota Prescription Monitoring Program ("PMP") and additional patients. While Respondent documented properly the complex care some of the patients she was treating required, the investigation revealed concerns with Respondent's polypharmacy prescribing to individual patients with limited documentation related to consideration of risks or benefits with those treatment options.

d. On November 17, 2023, Respondent appeared before the Committee to discuss the allegations. Respondent stated she received patients who were well established on their medication regimens and medical care plans.

2. Based on the discussion, the Committee views Respondent's conduct as inappropriate under Minnesota Statutes section 147A.13, subdivision 1 (7) (engaged in any unethical conduct); 10 (engaged in unprofessional conduct); (14) (improper management of medical records); and (17) (prescribed a drug or device for other than medically accepted therapeutic, experimental, or investigative purposes authorized by a state or federal agency or referring a patient to any health care provider as defined in sections 144.291 or 144.298 for services or tests not medically indicated at the time of referral) (2022), and Respondent agrees that the conduct cited above constitutes a reasonable basis in law and fact to justify corrective action under these statutes.

CORRECTIVE ACTION

3. Respondent agrees to address the concerns referred to in paragraphs 1 and 2 by taking the following corrective action:

a. Within one year of the date of the Agreement, Respondent shall successfully complete pre-approved courses in:

- i. Polypharmacy;
- ii. Chemical Dependency; and
- iii. Medical Record Management.

b. Within three months of successful completion of the above-referenced coursework, Respondent shall write a paper, for Committee approval, documenting what she has learned from the coursework and how she will implement that knowledge into her practice.

4. This Agreement shall become effective upon execution by the Committee and shall remain in effect until Respondent successfully completes the terms of the Agreement. Successful completion shall be determined by the Committee. Upon Respondent's signature and the Committee's execution of this Agreement, the Committee agrees to close the complaints resulting in the information referred to in paragraphs 1 and 2. Respondent understands and further agrees that if, after the matter has been closed, the Committee receives additional complaints similar to the information in paragraphs 1 and 2, the Committee may reopen the closed complaint.

5. If Respondent fails to satisfy the terms of the Agreement the Committee may, in its discretion, reopen the investigation and proceed according to Minnesota Statutes chapters 14, 147A, and 214. Failure to satisfy the terms of the Agreement constitutes failure to cooperate under Minnesota Statutes section 147A.13, subdivision 1(19). In any subsequent proceeding, the Committee may use this Agreement as proof that Respondent's conduct, cited in the Facts above, justified action under these statutes.

6. Respondent understands that this Agreement does not constitute disciplinary action. Respondent further understands and acknowledges that this Agreement and any letter of

satisfaction are classified as public data for purposes of Minnesota Statutes sections 13.02, subdivision 15, and 13.41, subdivision 5 (2022). Data regarding this Agreement may be provided to data banks as required by federal law or consistent with Board policy.

7. Respondent acknowledges reading and understanding this Agreement and entering into it voluntarily. This Agreement contains the entire agreement between the Committee and Respondent, there being no other agreement of any kind, verbal or otherwise, which varies the terms of this Agreement.

Stat. §§ 147.001 through 147.381 (2023) to license, regulate, and discipline persons who apply for, petition, or hold licenses to practice medicine and surgery in the State of Minnesota and is further authorized pursuant to Minn. Stat. §§ 214.10 and 214.103 (2023) to review complaints against physicians, to investigate such complaints, and to initiate appropriate disciplinary action.

2. Gautam Jayaswal, M.B., B.S. ("Respondent") has been and now is subject to the jurisdiction of the Board from which he holds a license to practice medicine and surgery in the State of Minnesota.

3. Respondent was licensed by the Board to practice medicine and surgery in the State of Minnesota on March 12, 2016.

4. On May 9, 2023, Respondent entered a guilty plea to one felony count of Conspiracy to Defraud the United States, in violation of the 18 U.S. Code § 371, in the United States District Court for the Eastern District of Missouri. Respondent's plea pertains to incidents where Respondent contracted with several companies to perform work as a telemedicine doctor and ordered medically unnecessary durable medical equipment ("DME") and genetic tests for thousands of patients. Between January 2017 and May 2021, Respondent fraudulently ordered one or more orthotic braces for approximately 1,433 patients, in which the DME companies who

supplied the braces received approximately \$1,366,123.28 from Medicare Part B. Additionally, between June 2018 and September 2021, Respondent fraudulently signed genetic test orders that were not medically necessary. Medicare Part B paid approximately \$14,707,687.57, for 2,061 patients for whom Respondent was listed as the ordering physician.

STATUTES

5. Pursuant to Minn. Stat. § 147.091, subdivision 2(b), the credentials of a regulated person shall be automatically suspended by the board upon notice to the board of a judgment of, or a plea of guilty to, a felony reasonably related to the practice of patient care.

MINNESOTA BOARD OF
MEDICAL PRACTICE

ELIZABETH A. HUNTLEY
Executive Director

**BEFORE THE MINNESOTA
BOARD OF MEDICAL PRACTICE**

In the Matter of the
Physician Assistant License of
Rolandine M. Vaughan, P.A.
Year of Birth: 1979
License Number: 13588

**AGREEMENT FOR
CORRECTIVE ACTION**

This Agreement for Corrective Action ("Agreement") is entered into by and between Rolandine Morie Vaughan, P.A. ("Respondent"), and the Complaint Review Committee of the Minnesota Board of Medical Practice ("Committee") pursuant to the authority of Minnesota Statutes section 214.103, subdivision 6(a) (2023). Respondent was self-represented. The Committee was represented by Nicholas Lienesch, Assistant Attorney General, 445 Minnesota Street, Suite 1400, St. Paul, Minnesota 55101. Respondent and the Committee hereby agree as follows:

FACTS

1. For the purpose of this Agreement, the Board may consider the following facts as true:

a. Respondent was licensed by the Board to practice as a physician assistant in the State of Minnesota on January 21, 2021.

b. Through her March 2022 license renewal, Respondent answered affirmatively to a question about malpractice actions pending against her. Specifically, Respondent disclosed, as required, that she was named in a malpractice lawsuit related to her care of Patient #1.

c. Respondent submitted a written response, stating she treated Patient #1 in the emergency room for flu-like symptoms. Respondent assessed, examined, and treated Patient #1 with inhaled albuterol. Respondent stated Patient #1's condition and vital signs improved, and Patient #1 felt better. Patient #1 was discharged in stable condition and was advised to return to the emergency room if Patient #1's symptoms worsened.

d. The Board's investigation into Respondent's care of Patient #1 revealed the following:

i. Respondent documented that Patient #1 was improving after treatment with albuterol; however, during the same visit, another healthcare professional documented that Patient #1 was not improving and had diminished breath sounds both pre-and post-albuterol treatment.

ii. Discharge instructions included instructions for an asthma attack and upper respiratory infection. Respondent ordered no further testing or treatment.

iii. Respondent failed to adequately document her medical reasoning and care of Patient #1.

e. On May 13, 2024, Respondent appeared before the Committee to discuss the allegations and her current practice. Respondent discussed her care of Patient #1, how she assesses patients generally, and her practices related to documenting an examination. Respondent stated a full work-up was not conducted on Patient #1 because Respondent concluded Patient #1 was suffering from an asthma attack. Respondent further noted that if she would have been informed that Patient #1's vital signs had not improved, Respondent would have conducted a full work-up.

2. Based on the discussion, the Committee views Respondent's conduct as inappropriate under Minnesota Statutes section 147A.13, subdivision 1 (10) (engaged in unprofessional conduct. Unprofessional conduct includes any departure from or the failure to conform to the minimal standards of acceptable and prevailing practice in which proceeding actual injury to a patient need not be established) and (14) (improper management of medical records, including failure to maintain adequate medical records, to comply with a patient's request made pursuant to sections 144.291 to 144.298, or to furnish a medical record or report required by law) (2023), and Respondent agrees that the conduct cited above constitutes a reasonable basis in law and fact to justify corrective action under these statutes.

CORRECTIVE ACTION

3. Respondent agrees to address the concerns referred to in paragraphs 1 and 2 by taking the following corrective action:

a. Within six months from the date of the Agreement, Respondent shall successfully complete pre-approved courses in:

- i. Workup for Respiratory Illness;
- ii. Confirmation Bias in Medicine; and
- iii. Medical Records Management.

b. Within three months of successful completion of the above-referenced coursework, Respondent shall write and submit a paper, for review and approval by the Committee, discussing what she has learned from the coursework and how she has implemented this knowledge into her practice.

4. This Agreement shall become effective upon execution by the Committee and shall remain in effect until Respondent successfully completes the terms of the Agreement. Successful completion shall be determined by the Committee. Upon Respondent's signature and the

Committee's execution of this Agreement, the Committee agrees to close the complaints resulting in the information referred to in paragraphs 1 and 2. Respondent understands and further agrees that if, after the matter has been closed, the Committee receives additional complaints similar to the information in paragraphs 1 and 2, the Committee may reopen the closed complaint.

5. If Respondent fails to satisfy the terms of the Agreement the Committee may, in its discretion, reopen the investigation and proceed according to Minnesota Statutes chapters 14, 147A, and 214. Failure to satisfy the terms of the Agreement constitutes failure to cooperate under Minnesota Statutes section 147A.13, subdivision 1(19). In any subsequent proceeding, the Committee may use this Agreement as proof that Respondent's conduct, cited in the Facts above, justified action under these statutes.

6. Respondent understands that this Agreement does not constitute disciplinary action. Respondent further understands and acknowledges that this Agreement and any letter of satisfaction are classified as public data for purposes of Minnesota Statutes sections 13.02, subdivision 15, and 13.41, subdivision 5 (2023). Data regarding this Agreement may be provided to data banks as required by federal law or consistent with Board policy.

7. Respondent acknowledges reading and understanding this Agreement and entering into it voluntarily. This Agreement contains the entire agreement between the Committee and Respondent, there being no other agreement of any kind, verbal or otherwise, which varies the terms of this Agreement.
