REVISION

Policies Review of the Nexia Automated System (Revisions due to variance request for no pharmacist certification of the final filled prescription from automation 6/2025)

Brooklyn Park, MN

Approved

267113

4333

Walgreens Central Fill #21426

VAR
RESUBMIT

To allow no pharmacist to do final check/certification of prescriptions filled by the automated counting device at the central fill pharmacy

Brooklyn Park, MN

Approved for 1 Year

267113

Conditions: that the central fill pharmacy conducts a 2% daily audit of prescriptions that have been filled by automation and that the errors found on the audits or errors reported by the retail pharmacies are summarized with differentiation between the types of errors and if the errors were found at central fill or if the errors were reported by the retail sites. Audit report must be sent to the Board quarterly.
