ORDER OF
UNCONDITIONAL LICENSE

The Minnesota Board of Veterinary Medicine ("Board") having convened on February 9, 2010, to review the petition of Rachel Kantola, D.V.M. ("Respondent"), for reinstatement of an unconditional license to practice veterinary medicine makes the following:

FINDINGS OF FACT

1. Respondent and the Board’s Complaint Review Committee entered into a Stipulation and Order approved by the Board on September 19, 2007 ("2007 Order"), placing conditions on Respondent’s license to practice veterinary medicine.

2. The 2007 Order imposed a reprimand and a conditional status on Respondent’s license. The 2007 Order also required Respondent to pay a $1,500 administrative penalty and fulfill all terms and conditions with her HPSP Participation Agreement and Monitoring Plan.

3. Respondent has met the requirements of the 2007 Order and her HPSP Participation Agreement and Monitoring Plan. The Board has not received a complaint regarding Respondent’s practice since the 2007 Order was issued.

Based on the foregoing, the Board hereby issues the following:
ORDER

IT IS HEREBY ORDERED that an unconditional license to practice veterinary medicine in the State of Minnesota be conferred upon Respondent, such license to carry all duties, benefits, responsibilities, and privileges inherent therein through Minnesota statute and rule.
