

LAW REVIEW 2018

Multistate Pharmacy Jurisprudence Examination (MPJE)

INTRODUCTION

- 2.5 hour exam
- combines federal- and state-specific law questions
- the questions are tailored to the specific laws in each state
- consists of 120 multiple-choice test questions. Most of the questions are used to calculate the score but some are pretest questions that do not affect the MPJE score, are dispersed throughout the examination and cannot be identified by the candidate

KNOW WELL

- Everything in the Minnesota Rules except 6800.4210 (Which deals with Schedule I controlled substances). Note that USP Chapters 795 and 797 have been adopted by reference into our rules. You may have questions on both the MPJE and NAPLEX that pertain to these chapters.
- Minnesota Statutes Chapters 151 (all)
(see below for Internet links) 152.10 – 152.135
214.02
214.03 sub. 1
214.09
214.31 – 214.36
- Chapters 1 thru 6 of the book (*Pharmacy Practice and the Law – by Richard Abood*) – or the chapters of any other pharmacy law book that focus of federal law and regulations administered by the FDA or DEA.
- The DEA Pharmacist's Manual
- The Poison Prevention Packaging Act. <http://www.cpsc.gov/en/Regulations-Laws--Standards/Statutes/Poison-Prevention-Packaging-Act/>

READ OVER

- Minnesota Statutes Chapter 148 (Prescribing by nurses and optometrists)

NAPLEX REVIEW

These are courses that recent graduates have told me that they have used to successfully prepare for the NAPLEX. I have not personally used any of them and therefore can't attest to their quality or usefulness.

Pre-NAPLEX exam: <https://nabp.pharmacy/programs/pre-naplex/>

- 100-question, 140-minute practice examination
- costs \$65 each time it is taken
