INSTRUCTIONS – LPC and LPCC Application: Reciprocity Method

- Complete this application if you have been licensed in another jurisdiction and have been in active practice. The Board may issue a license to an individual who holds a current license or credential from another jurisdiction if the requirements for that credential are substantially similar to the requirements in Minnesota Statute Sections 148B.50 to 148B.593. The license should be the highest level of counselor licensure in your state if you are applying for the LPCC license (e.g. LPCC, LCPC, LMHC, etc.). Some states only have one level of licensure (e.g. LPC). Visit the BBHT’s LPC and LPCC's reciprocity page: <https://mn.gov/boards/behavioral-health/applicants/apply/reciprocity/lpc-lpcc-reciprocity.jsp> to determine if your jurisdiction’s license has been evaluated.
- Submit copies of your jurisdiction’s current licensure requirements (formal laws and rules) for the license or credential you are seeking reciprocity for. The BBHT will review the jurisdiction’s professional clinical counseling/mental health counseling and scope of practice in your state. The BBHT shall determine, based on your individual experience and qualifications, whether you will be granted a LPC or LPCC license.
- You must fill this application out completely and provide all requested details and information. Incomplete applications may be rejected. Incomplete applications delay the application process, and at the BBHT’s discretion, portions of the application may be returned to you to provide missing information.
- Include the required fees with your application: \$150 **non-refundable** application fee, \$250 **non-refundable** initial licensure fee (see Minnesota Statutes section 148B.53, subdivision 3), and \$32.00 criminal background check fee (see item 5. below). **These fees should be combined into one payment of \$432.00.** Please make your check or money order payable to Minnesota Board of Behavioral Health and Therapy (or BBHT).
Criminal Background Check (CBC) EXEMPTION: Under Minnesota Statutes section 214.075, subdivision 1, an applicant is **EXEMPT** from submitting to a Criminal Background Check if the applicant previously submitted a state or national criminal history records check for a license issued by BBHT. Applicants who fall under this exemption, will only be required to pay the \$400.00 **non-refundable** initial application and licensure fees.

5. Unless an applicant falls under the exemption above, the applicant is required to submit to a fingerprint-based criminal background check. **The Criminal Background Check Unit will email you a fingerprint information packet with instructions AFTER you submit this licensure application and the applicable fees.** Fingerprints submitted for other purposes (DHS background study, other professional license issued by another board, etc.) cannot be used.
6. Licensed Professional Counselors and Licensed Professional Clinical Counselors are governed by Minnesota Statutes sections 148B.50 to 148B.593, Minnesota Statutes Chapter 214, and Minnesota Rules Chapter 2150. All applicants and licensees are responsible for familiarizing themselves with these regulations. Visit the Board's website at <https://mn.gov/boards/behavioral-health/> to access the most current statutes and rules.
7. All applicants must complete and submit the following:
 - a) License Application, completed, signed, notarized; **All** sections must be submitted, except pages 1-2.
 - b) Initial application fee; initial license fee; and criminal background check fee totaling \$432.00 made payable to BBHT (**non-refundable**). Pursuant to Minnesota Statutes section 604.113, there is a \$30 service charge on all checks not honored by your bank.
 - c) Copies of the state laws and rules that demonstrate the current licensure requirements for the professional counselor or clinical counselor license (highest licensure level in your state) you are using for reciprocity application.
8. All applicants must have the following items sent directly to the BBHT office from the issuing authority or institution:
 - a) Graduate Transcripts: All Relevant Graduate Degree Transcripts. Transcripts that should be submitted include those from: the graduate counseling program from which you graduated; pre-degree graduate counseling coursework that did or did not transfer into your degree program; and post-degree graduate counseling coursework. All courses must be passed for credit to count for licensure or continuing education requirements in Minnesota.
 - b) License Verification: must be sent directly to the BBHT from each licensing board with which you currently or previously held a license (as listed on the bottom of page 4). Exception: if the state from which you hold a license has primary source online license verification, you do NOT need to request one to be sent to the BBHT. Please print out online verification of your license(s) and include with your application. If you hold the LPC or LADC license with the BBHT, you do not need to request a license verification. However, you must still list your LPC or LADC license on page 4 for background check purposes.

TAX INFORMATION

Pursuant to Minnesota Statutes, Section 270C.72, subdivisions 1 and 4, the BBHT is required to ask all applicants to provide their social security number and Minnesota business identification number on all license applications. Failure to supply this information may jeopardize or delay the processing of your application. Upon request of the Commissioner of Revenue, the Board must provide to the Commissioner a list of all regulated individuals and applicants, including their names and addresses, social security numbers, and business identification numbers. This information may be used to deny the issuance or renewal of your license in the event you owe the Minnesota Department of Revenue delinquent taxes in the amount of \$500.00 or more.

RIGHTS OF SUBJECTS OF DATA

As part of the Board's compliance with Minnesota Statutes sections 144.051 and 144.052, the Board requests the name, address, birthdate and sex of each applicant. Data the Board collects is delivered to the Commissioner of Health and is for statistical purposes only. Your name is not used in connection with this data. Supplying this information does not in any way affect your candidacy for licensure. Pursuant to Minnesota Statutes section 13.41, subdivision 2, information you provide in this application, except for your name and designated address, is classified as private. Private data is accessible only to those designated in Minnesota Statutes Section 13.41. The purpose and intended use of this information is to enable the Board to determine whether you meet statutory requirements for licensure. You are not legally obligated to provide this information, but you cannot be licensed without doing so.
