BOARD OF PSYCHOLOGY

In the Matter of
Sander M. Latts, Ph.D., L.P.
License No. LP1083

ORDER OF UNCONDITIONAL LICENSE

The Minnesota Board of Psychology (Board) convened on November 3, 2000, to review the petition of Sander M. Latts, Ph.D., L.P. (Licensee), for the removal of the conditions placed on his license by a Stipulation and Consent Order adopted and implemented by the Board on February 6, 1998 (1998 Order), as amended by the Board's Order to lift suspension, reinstate license with conditions, and amend the 1998 Stipulation and Consent Order, dated February 18, 2000 (2000 Order). Having considered the Complaint Resolution Committee's recommendation that Licensee be granted an unconditional license, the Board determines that Licensee has complied with and fulfilled all requirements and conditions set forth in the 1998 Order and 2000 Order as follows:

1. Paragraph 4.d. of the 1998 Order required Licensee to retake and pass the professional responsibility examination described in Minn. R. 7200.3000, subp. 1, within 90 days. Licensee took and passed the examination on April 14, 1998.

2. Pursuant to paragraph 4.e. of the 1998 Order, Licensee was required to complete six continuing education units on the topic of client confidentiality and data privacy regulations and six continuing education units on the topic of record keeping. At a hearing before the Board on February 18, 2000, Licensee provided documentation that he completed the required continuing education.

3. Pursuant to paragraphs 4.a., 4.b., and 4.c. of the 1998 Order, Licensee was to complete a professional boundaries training course, submit a report after completion, and cause the instructor to submit a report regarding Licensee's participation in the course. The 1998 Order did not specify a length of time in which Licensee was to complete these requirements. In its 2000 Order, the Board required Licensee to complete the requirements of paragraphs 4.a., 4.b., and 4.c. of the 1998 Order within six months of the date of the 2000 Order. Licensee was also required to arrange to enroll in the boundaries course within 30 days of the date of the 2000 Order. Licensee complied with the requirements of the 1998 Order, as amended by the 2000 Order.

Based on the foregoing, the Board hereby issues the following:

ORDER

1. Licensee shall be granted an UNCONDITIONAL license to practice psychology in the State of Minnesota, such license to carry all duties, benefits, responsibilities, and privileges inherent therein through Minnesota Statutes and Rules.

2. The 1998 Order and the 2000 Order are superseded by this Order of Unconditional License and shall have no future force or effect.
