

BEFORE THE MINNESOTA  
BOARD OF PSYCHOLOGY

In the Matter of  
George Lindall, M.Eq., LP  
License No. 1128 (former) LP0826 (current)

ORDER OF  
UNCONDITIONAL LICENSE

The Minnesota Board of Psychology (“Board”) convened on April 11, 2003, to review the petition of George Lindall, M.Eq., LP (“Licensee”), for removal of the conditions placed on his license by a Stipulation and Consent Order adopted and implemented by the Board on March 15, 1991 (“March 1991 Order”). Having considered the Complaint Resolution Committee’s (“CRC”) recommendation that Licensee be granted an unconditional license, the Board determines that Licensee has complied with and fulfilled all requirements and conditions set forth in the March 1991 Order, as follows:

1. Pursuant to paragraph 12.a., Licensee was required to practice psychology only under the supervision of a licensed psychologist for a period of 12 months, with quarterly reports being submitted by both the Licensee and the supervisor. In compliance with this provision of the Order, Licensee met with a supervisor twice per month for 12 months.
2. Pursuant to paragraph 12.b., Licensee was required to make restitution to former clients. In compliance with this provision of the Order, Licensee submitted documentation providing evidence of the restitution.

Based on the foregoing, the Board hereby issues the following:

ORDER

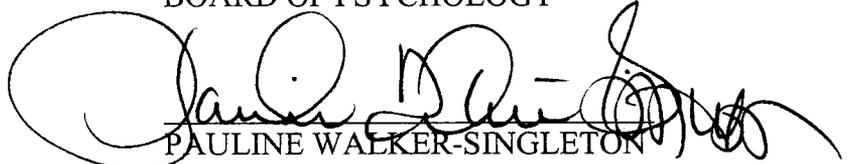

Licensee shall be granted an UNCONDITIONAL LICENSE to practice psychology in the State of Minnesota, such license to carry all duties, benefits, responsibilities, and privileges inherent therein through Minnesota statute and rule

The March 1991 Order is superseded by this Order of Unconditional License and shall have no future force or effect.
