

Minnesota Board of Pharmacy Rulemaking Docket

Board of Pharmacy rules being developed, amended or repealed as of Sept. 21, 2016.

State agencies are required by Minnesota Statutes, Section 14.366, to maintain a current rulemaking docket describing the status of rulemaking activities in progress or under active consideration within the agency. These activities include proposing new rules or amending or repealing existing rules.

The rulemaking activities that the Board is currently working on are listed below. This docket and other documents are provided on the Board's Web site at: <http://mn.gov/boards/pharmacy/statutes/rules.jsp>. The general subject matter of the proposed rule changes is provided in the list. Additional information about specific rule changes can be found in the documents located on the above-mentioned page. Each rulemaking activity has a separate docket document that includes a citation to all published notices and general information on the progress of rulemaking activity. When applicable, the timeframe and location for filing comments, the location for reviewing comments and the time and place for any scheduled hearings is also provided.

Information can also be obtained by contacting the Board's Executive Director:

List of current proposed rule change packages

Name of Package	Description
Work Conditions Related to the Safety of the Public	Proposed adoption of a new rule that would prohibit a pharmacy that is licensed under Minnesota Statutes §151.19, subd. 1, and that is located within the State of Minnesota, from requiring a pharmacist, pharmacy intern or pharmacy technician to work for more than twelve continuous hours per day. The rule would also require that pharmacists, pharmacy interns and pharmacy technicians, working longer than six continuous hours per day, be allowed during that time period to take a 30 minute, uninterrupted meal break and one additional uninterrupted 15 minute break.
