(6) has engaged in unprofessional conduct or any other conduct which has the potential for causing harm to the public, including any departure from or failure to conform to the minimum standards of acceptable and prevailing practice without actual injury having to be established;

(7) has engaged in gross negligence in the practice of physical therapy as a physical therapist;

(8) has treated human ailments by physical therapy after an initial 90-day period of patient admittance to treatment has lapsed, except by the order or referral of a person licensed in this state in the practice of medicine as defined in section 147.081, the practice of chiropractic as defined in section 148.01, the practice of podiatry as defined in section 153.01, or the practice of dentistry as defined in section 150A.05, or the practice of advance practice nursing as defined in section 148.171, subdivision 3, when orders or referrals
are made in and whose license is in collaboration with a physician, chiropractor, podiatrist, or dentist, and whose license is in good standing; or when a previous diagnosis exists indicating an ongoing condition warranting physical therapy treatment, subject to periodic review defined by board of physical therapy rule. The 90-day limitation of treatment by a physical therapist without an order or referral does not apply to prevention, wellness, education, or exercise;

(9) for a physical therapist licensed less than one year, has treated human ailments, without referral, by physical therapy treatment without first having practiced one year in collaboration with a physical therapist with more than one year of experience or under a physician's orders or referrals as verified by the board's records;

(10) has failed to consult with the patient's licensed health care provider, or licensed health care professional, who prescribed the physical therapy treatment if the treatment is altered by the physical therapist from the original written order. The provision does not include written orders to "evaluate and treat";

(11) has inappropriately delegated to a physical therapist assistant or inappropriately assigned tasks to an aide, or inadequately supervised a student physical therapist, physical therapist assistant, student physical therapist assistant, or a physical therapy aide;

(13) has failed to comply with a reasonable request to obtain appropriate clearance for mental or physical conditions that would interfere with the ability to practice physical therapy, and that may be potentially harmful to patients;

(14) has divided fees with, or paying or promising to pay a commission or part of the fee to, any person who contacts the physical therapist for consultation or sends patients to the physical therapist for treatment;

(15) has engaged in an incentive payment arrangement, other than that prohibited by clause (14), that tends to promote physical therapy overuse, that allows the referring person or person who controls the availability of physical therapy services to a client to profit unreasonably as a result of patient treatment;

(16) has failed to refer to a licensed health care professional a patient whose medical condition has been determined by the physical therapist to be beyond the scope of practice of a physical therapist;

(17) has failed to report to the board other licensees who violate this section;

(18) has engaged in the practice of physical therapy under lapsed or nonrenewed credentials;

(19) has had a license, certificate, charter, registration, privilege to take an examination, or other similar authority denied, revoked, suspended, canceled, limited, reprimanded, or otherwise disciplined, or not renewed for cause in any jurisdiction; or has surrendered or voluntarily terminated a license or certificate during a board investigation of a complaint, as part of a disciplinary order, or while under a disciplinary order;

(20) has been subject to a corrective action or similar action in another jurisdiction or by another regulatory authority; or

(21) has failed to cooperate with an investigation of the board, including responding fully and promptly to any question raised by or on behalf of the board relating to the subject of the investigation, executing all releases requested by the board, providing copies of patient records, as reasonably requested by the board to assist it in its investigation, and appearing at conferences or hearings scheduled by the board or its staff.
(b) If grounds for disciplinary action exist under paragraph (a), the board may take one or more of the following actions:

1. deny the application for licensure;
2. deny the renewal of the license;
3. revoke the license;
4. suspend the license;
5. impose limitations or conditions on the licensee's practice of physical therapy, including the: (i) limitation of scope of practice to designated field specialties; (ii) imposition of retraining or rehabilitation requirements; (iii) requirement of practice under supervision; or (iv) conditioning of continued practice on demonstration of knowledge or skills by appropriate examination, monitoring, or other review of skill and competence;
6. impose a civil penalty not to exceed $10,000 for each separate violation, the amount of the civil penalty to be fixed so as to deprive the physical therapist of any economic advantage gained by reason of the violation charged, to discourage similar violations, or to reimburse the board for the cost of the investigation and proceeding including, but not limited to, fees paid for services provided by the Office of Administrative Hearings, legal and investigative services provided by the Office of the Attorney General, court reporters, witnesses, reproduction of records, board members' per diem compensation, board staff time, and travel costs and expenses incurred by board staff and board members;
7. order the licensee to provide unremunerated service;
8. censure or reprimand the licensee; or
9. any other action as allowed by law and justified by the facts of the case.

(c) A license to practice as a physical therapist or physical therapist assistant is automatically suspended if (1) a guardian of the licensee is appointed by order of a court pursuant to sections 524.5-101 to 524.5-502, for reasons other than the minority of the licensee; or (2) the licensee is committed by order of a court pursuant to chapter 253B. The license remains suspended until the licensee is restored to capacity by a court and, upon petition by the licensee, the suspension is terminated by the Board of Physical Therapy after a hearing.

148.754 EXAMINATION; ACCESS TO MEDICAL DATA.

(a) If the board has probable cause to believe that a licensee comes under section 148.75, paragraph (a), clause (2), it may direct the licensee to submit to a mental or physical examination. For the purpose of this paragraph, every licensee is deemed to have consented to submit to a mental or physical examination when directed in writing by the board and further to have waived all objections to the admissibility of the examining physicians' testimony or examination reports on the ground that they constitute a privileged communication. Failure of the licensee to submit to an examination when directed constitutes an admission of the allegations against the person, unless the failure was due to circumstances beyond the person's control, in which case a default and final order may be entered without the taking of testimony or presentation of evidence. A
licensee affected under this paragraph shall, at reasonable intervals, be given an opportunity to demonstrate that the person can resume the competent practice of physical therapy with reasonable skill and safety to the public.

(b) In any proceeding under paragraph (a), neither the record of proceedings nor the orders entered by the board shall be used against a licensee in any other proceeding.

(c) In addition to ordering a physical or mental examination, the board may, notwithstanding section 13.384, 144.651, or any other law limiting access to medical or other health data, obtain medical data and health records relating to a licensee or applicant without the person's or applicant's consent if the board has probable cause to believe that the person comes under paragraph (a). The medical data may be requested from a provider, as defined in section 144.291, subdivision 2, paragraph (h), an insurance company, or a government agency, including the Department of Human Services. A provider, insurance company, or government agency shall comply with any written request of the board under this paragraph and is not liable in any action for damages for releasing the data requested by the board if the data are released pursuant to a written request under this paragraph, unless the information is false and the provider giving the information knew, or had reason to believe, the information was false. Information obtained under this paragraph is classified as private under sections 13.01 to 13.87.

148.755 TEMPORARY SUSPENSION OF LICENSE.

In addition to any other remedy provided by law, the board may, without a hearing, temporarily suspend the license of a licensee if the board finds that the licensee has violated a statute or rule which the board is empowered to enforce and continued practice by the licensee would create a serious risk of harm to the public. The suspension shall take effect upon written notice to the licensee, specifying the statute or rule violated. The suspension shall remain in effect until the board issues a final order in the matter after a hearing. At the time it issues the suspension notice, the board shall schedule a disciplinary hearing to be held pursuant to the Administrative Procedure Act, chapter 14. The licensee shall be provided with at least 20 days' notice of any hearing held pursuant to this section. The hearing shall be scheduled to begin no later than 30 days after the issuance of the suspension order.

Subp. 2. Prohibited activities. Violation of the conduct rules in items A to E is prohibited and is grounds for disciplinary action under Minnesota Statutes, section 148.75, paragraph (a), clause (6).

A. Physical therapists and physical therapist assistants shall not engage in conduct that constitutes harassment or abuse of, or unlawful discrimination against, patients.

B. Information relating to the physical therapist-patient and physical therapist assistant-patient relationship is confidential and may not be communicated to a third party not involved in that patient's care without the prior written consent of the patient or patient's representative, or unless otherwise allowed by law. Information must be disclosed when required by law for the protection of the patient or the public.

C. Physical therapists and physical therapist assistants shall not engage in any sexual relationship or activity with any patient, or engage in any conduct that may reasonably be interpreted by the patient to be sexual, whether consensual or nonconsensual, while a physical therapist-patient or physical therapist assistant-patient relationship exists. A physical therapist or physical therapist assistant shall not exploit the therapist-patient relationship for sexual purposes, and termination of the therapist-patient relationship is not a defense to exploitation involving sexual misconduct.

D. A physical therapist, unless otherwise allowed by law, shall not provide patient care without disclosing benefits and substantial risks, if any, of the recommended examination, intervention, and the alternatives to the patient or patient's legal representative.
E. A physical therapist or physical therapist assistant shall not provide care to patients when impaired by illness, chemical use, or chemical dependency that affects the licensee's ability to practice with reasonable skill and safety.

Subp. 3. Reporting requirements. A physical therapist or physical therapist assistant shall self report to the board within 30 days:

A. any personal actions which may be grounds for disciplinary actions in Minnesota Statutes, sections 148.75 and 148.76;

B. impairment by illness, chemical use, or chemical dependency that affects the practitioner's ability to practice with reasonable skill and safety; a report of the impairment to the health professional services program satisfies this reporting obligation;

C. conviction of a misdemeanor, gross misdemeanor, or felony relating to patient care; and

D. the termination, revocation, or suspension of membership by a state or national physical therapy professional association.

Failure to comply with items A to D constitutes failure to conform to minimum standards of acceptable and prevailing practice and grounds for disciplinary action under Minnesota Statutes, section 148.75, paragraph (a), clause (6).

Subp. 4. Cooperation. A physical therapist or physical therapist assistant shall cooperate with an investigation of the board. Failure to cooperate is conduct detrimental to the best interest of the public and grounds for disciplinary action under Minnesota Statutes, section 148.75, paragraph (a), clause (6). Cooperation includes responding fully and promptly to any question raised by the board and providing copies of the medical records and other documents requested by the board.

Subp. 5. Ethical integrity. Physical therapist and physical therapist assistant licensees and applicants shall use the principles in items A to H as guidelines for promoting ethical integrity and professionalism.

(2) A physical therapist or physical therapist assistant shall be guided by concern for the physical, psychological, and socioeconomic welfare of patients.

B. A physical therapist or physical therapist assistant shall exercise sound judgment and act in a trustworthy manner toward patients and in all other aspects of physical therapy practice. A physical therapist or physical therapist assistant shall strive to effect changes that benefit patients.
C. A physical therapist or physical therapist assistant shall maintain professional competence and promote high standards for physical therapy practice, education, and research. Physical therapists and physical therapist assistants shall participate in educational activities that enhance their basic knowledge and provide new knowledge.

D. A physical therapist or physical therapist assistant shall seek only such remuneration as is deserved and reasonable for physical therapy services performed and shall never place the therapist's own financial interest above the welfare of patients under the therapist's care.

E. A physical therapist or physical therapist assistant shall endeavor to address the health needs of society.

F. A physical therapist or physical therapist assistant shall respect the rights, knowledge, and skills of colleagues and other health care professionals.

G. A physical therapist or physical therapist assistant shall safeguard the public from underutilization or overutilization of physical therapy services.

H. A physical therapist or physical therapist assistant shall provide and make available accurate and relevant information to patients about their care and to the public about physical therapy services.

Subp. 6. **Aid to interpretation.** The American Physical Therapy Association (APTA) Code of Ethics for the Physical Therapist and Standards of Ethical Conduct for the Physical Therapist Assistant and APTA Guide for Professional Conduct and Guide for Conduct of the Physical Therapist Assistant shall be used as aids in resolving any ambiguity that may arise in the interpretation of this part. However, in a conflict between this part and the APTA Code of Ethics for the Physical Therapist and Standards of Ethical Conduct for the Physical Therapist Assistant, and Guide for Professional Conduct and Guide for Conduct of the Physical Therapist Assistant, this part shall prevail.

Subp. 7. **Interpretation.** The conduct rules found under subparts 2, items A to D; 3; and 4, do not represent the exclusive grounds for disciplinary action under Minnesota Statutes, section 148.75, paragraph (a), clause (6), and must not be construed as limiting the grounds for disciplinary action under Minnesota Statutes, section 148.75, paragraph (a), clause (6), for conduct not listed in this part. Violation of the guidelines in subpart 5 is not grounds for disciplinary action under Minnesota Statutes, section 148.75, paragraph (a), clause (6).
