

Third-Party Logistics Provider (3PL) License Checklist & Application

For Resident and Non-Resident Facilities; fee of \$260.00

The licensing requirements for 3PL are described in Minnesota Statute § [151.471](#). Other related regulations also include Minnesota Statutes § [151.43](#), [151.441](#), and [151.46](#).

As defined in Minn. Stats. § 151.441 Subd. 11, "Third-party logistics provider" means an entity that provides or coordinates warehousing or other logistics services of a product in interstate commerce on behalf of a manufacturer, wholesale distributor, or dispenser of a product, but does not take ownership of the product nor have responsibility to direct the sale or disposition of the product.

As defined in Minn. Stats. § 151.441 Subd. 9 "Product" means a prescription drug in a finished dosage form for administration to a patient without substantial further manufacturing, but does not include blood or blood components intended for transfusion; radioactive drugs or radioactive biological products as defined in Code of Federal Regulations, title 21, section 600.3(ee), that are regulated by the Nuclear Regulatory Commission or by a state pursuant to an agreement with such commission under United States Code, title 42, section 2021; imaging drugs; an intravenous product described in subdivision 12, paragraph (b), clauses (14) to (16); any medical gas defined in United States Code, title 21, section 360ddd; homeopathic drugs marketed in accordance with applicable federal law; or a drug compounded in compliance with United States Code, title 21, section 353a or 353b.

In order to operate as a 3PL in Minnesota, a license must be obtained from the Board. The Board will issue a license upon the filing of a complete application, submission of required documents, and payment of any applicable fees specified in section § 151.065. The Board may deny a license if any of the requirements in Minn. Stats. § 151.471 are not met. 3PL licenses expire at midnight on October 31 of each year, and must be renewed annually on or before September 30 of each year. If the licensed is not renewed by October 31, a 50% late fee will be assessed and the 3PL will no longer be allowed to operate in Minnesota.

Please read the following carefully

- Your application will not be reviewed until all required items are received.
- Applicants will be notified of missing items from the application within 4 to 6 weeks of receiving the application packet.
- Allow a minimum of 90 days from the time your application packet is complete (all missing items received), for review and final license issuance.
- Required documents must be submitted with each application, duplicate documents sent in with similar applications will not be retrieved for the completion of this application.
- Applications are considered withdrawn if missing items are not submitted to complete an application within one year of the original application submission date.
- The application will be cancelled and a new application packet, including applicable fee(s) must be submitted if a change in owner or location occurs while the application is under review by the Board.

Tennessee Warning. The Board of Pharmacy is seeking data from you which may be considered private or confidential under the Minnesota Government Data Practices Act, Minn. Stat. § 13.01 et seq. Minn. Stat. § 13.04, subd. 2 which requires the Board to notify you of the following four matters before you are asked to supply such information about yourself: (1) This data is being collected to determine whether you meet the requirements for licensure as well as whether you have violated any statutes or rules the Board is empowered to enforce; (2) You are not legally required to complete and return this application, but failure to do so may result in the denial of this licensure application; (3) If you supply the data requested and it shows a violation of any of the statutes or rules enforced by the Board, you may be subject to disciplinary or other action by the Board. If you refuse to supply the data requested, your licensure application may be denied. In addition, falsification or omission of information may be used by the Board as a basis for disciplinary action; and (4) The data which you supply will be accessible to Board staff. The data you supply may also be released to other persons and/or governmental entities who have statutory authority to review the data, investigate specific conduct, and/or take appropriate legal action. If the Board institutes a formal disciplinary action against you, the information you supply could become public.

Designated Representative or Facility Manager. Each applicant must have a primary designated representative to serve as the responsible manager at the facility. The designated representative serves as a manager and is responsible for ensuring the facility follows all state statutes and rules applicable to the operations. The designated representative or facility manager must complete Facility Manager/Designated Representative Affidavit form **MN-3PL-001**.

Ownership Information. For the purposes of facility licensure, the applicant facility shall provide information to identify the ownership of its business. If the owner of the applicant is a sole proprietor or a partnership, complete form **MN-3PL-002**. If the owner is corporation, s-corporation, or a limited liability company, complete form **MN-3PL-003**.

The Board may require additional documentation to confirm or substantiate the reported ownership structure at any time during the application process. Publicly traded businesses: If the applicant business is owned by an entity, the application shall identify each parent entity that is beneficially interested in the applicant business.

RESIDENT Third Party Logistics Applicant Checklist

Per MN Statutes § 151.471 Subd. 2, the Board shall not issue an initial license or renew a license for a third-party logistics provider facility unless the facility passes an inspection conducted by an authorized representative of the Board or is inspected and accredited by an accreditation program approved by the Board. In-State Applicants will receive written communication from the Board regarding the scheduling of an inspection unless the applicant can substantiate proof of current accreditation.

The following items must be submitted with your **RESIDENT** application:

- Completed application with all attachments, original signatures, and application fee.
- Completed Facility Manager/Designated Representative Affidavit Form **MN-3PL-001**.
- Ownership Form **MN-3PL-002 OR MN-3PL-003** as it applies to the ownership of the applicant.

NON-RESIDENT Third Party Logistics Applicant Checklist

Per Minn. Stat. § 151.471 Subd 2., the Board shall not issue an initial or renew a license for a third-party logistics provider facility unless the facility passes an inspection conducted by an authorized representative of the Board or is inspected and accredited by an accreditation program approved by the Board. Applicants must furnish the Board with a report issued by the appropriate regulatory agency of the state in which the facility is located, of an inspection that has occurred within the 24 months immediately preceding receipt of the license application by the Board or furnish the Board with proof of current accreditation.

All applicants must submit evidence that any deficiencies noted in any inspection or investigatory report have been corrected, including any documents that you have provided to state agencies in response to inspections or investigations. The Minnesota Board of Pharmacy determines whether or not a facility has passed an inspection conducted by someone other than a representative of the Board.

The following items must be submitted with your **NON-RESIDENT** application:

- Completed application with all attachments, original signatures, and application fee.
- Completed Facility Manager/Designated Representative Affidavit Form **MN-3PL-001** .
- Ownership Form **MN-3PL-002 OR MN-3PL-003** as it applies to the ownership of the applicant.
- Organizational chart of the owner's business entity.
- Articles of Incorporation as it applies.
- Explanations or supporting documents for any application item that may require additional information.
- A copy of the current applicable license from the state in which the facility is located, the current Food and Drug Administration registration if that state does not license third-party logistics providers, or an explanation for why a license is not being submitted.
- A complete copy of any and all inspections conducted within the past 24 months immediately preceding application for licensure in the State of Minnesota, OR if VAWD accredited, you may attach the certificate in place of an inspection. (MN Statute § 151.471 Subd 2)
- Submit documentation of all corrective actions on all deficiencies and observations made during the inspection. Include all related documents.
