

BEFORE THE MINNESOTA  
BOARD OF PSYCHOLOGY

In the Matter of  
Judith Marayelle, M.S. Ed., LP  
License No. LP5275

ORDER OF  
UNCONDITIONAL LICENSE

The Minnesota Board of Psychology ("Board") convened on August 3, 2012, to review the petition of Judith Marayelle, M.S.Ed., LP ("Licensee"), for removal of the conditions placed on her license by a Stipulation and Consent Order adopted and implemented by the Board on June 18, 2010 ("June 2010 Order"). Having considered the Complaint Resolution Committee's ("CRC") recommendation that Licensee be granted an unconditional license, the Board determines that Licensee has complied with and fulfilled all requirements and conditions set forth in the June 2010 Order, as follows:

1. Pursuant to paragraph 3.a., Licensee was required to complete an individualized remedial professional training course. Licensee successfully completed a course on November 2, 2010.
2. Pursuant to paragraph 3.d.(2), Licensee was required to practice psychology only under the supervision of a licensed psychologist with quarterly reports being submitted by both the Licensee and the supervisor. In compliance with this provision of the Order, Licensee met with a supervisor for one hour every two weeks for one year. After one year, Licensee petitioned the Committee to reduce the supervision to one hour per month. In compliance with this provision of the Order, Licensee met with her supervisor monthly between October 2011 and June 2012.

Based on the foregoing, the Board hereby issues the following:

ORDER

Licensee shall be granted an UNCONDITIONAL LICENSE to practice psychology in the State of Minnesota, such license to carry all duties, benefits, responsibilities, and privileges inherent therein through Minnesota statute and rule

The June 2010 Order is superseded by this Order of Unconditional License and shall have no future force or effect.
