

**BEFORE THE MINNESOTA
BOARD OF VETERINARY MEDICINE**

In the Matter of
Paul P. Masheimer, D.V.M.
License Number: 17700

**ORDER OF
UNCONDITIONAL LICENSE**

The Minnesota Board of Veterinary Medicine ("Board"), having convened on May 15, 2013, to review the petition of Paul P. Masheimer, D.V.M. ("Licensee"), for reinstatement of an unconditional license to practice veterinary medicine, makes the following:

BACKGROUND

1. Licensee and the Board's Complaint Review Committee ("Committee") entered into a Stipulation and Order approved by the Board on March 19, 2012 ("2012 Order"), placing a stayed suspension on Licensee's license to practice veterinary medicine. The 2012 Order was based on evidence that Licensee violated Minnesota Statutes section 156.081, subdivision 2(11) and (12).
2. Pursuant to section III, paragraphs 3 and 5, of the 2012 Order:
 - a. Licensee euthanized D.D.'s 16-year-old dog via an intracardiac injection of euthanasia solution, without sedating the dog.
 - b. As part of the Board's investigation, the Committee reviewed Licensee's medical records for D.D.'s dog. Licensee failed to submit all of the dog's records in response to the Board's request. The Committee determined the records he did submit lacked detail and did not adequately document his physical examination findings.

FINDINGS OF FACT

The Board makes the following findings of fact:

3. Pursuant to section V, paragraph 1, of the 2012 Order, the suspension of Licensee's license was stayed so long as Licensee complied with the following requirements pertaining to:

- a. Euthanasia Procedures.
- b. Monitoring of Euthanasia Practice by Observing Veterinarian.
- c. Compliance With Observing Veterinarian's Recommendations.
- d. One-on-One Consultation.
- e. Compliance With Consultant's Recommendations.
- f. Written Euthanasia Protocols.
- g. Continuing Education.
- h. Continuing Education Audit.
- i. Medical Records Inspection.

The Board has received notification that Licensee has completed all requirements.

Based on the foregoing, the Board, having reviewed Licensee's petition for reinstatement of an unconditional license to practice veterinary medicine and having concluded that Licensee has complied with and fulfilled the 2012 Order issued by the Board on March 19, 2012, hereby issues the following:

ORDER

IT IS HEREBY ORDERED that an unconditional license to practice veterinary medicine in the State of Minnesota be conferred upon Licensee, such license to carry all duties, benefits, responsibilities, and privileges inherent therein through Minnesota statute and rule.
