BOARD OF VETERINARY MEDICINE
COMPLAINT REVIEW COMMITTEE**

In the Matter of
Lyle Mattson, DVM
License No. 6778

**AGREEMENT FOR
CORRECTIVE ACTION**

This Agreement is entered into by and between Lyle Mattson, DVM (“Licensee”), and the Minnesota Board of Veterinary Medicine Complaint Review Committee (“Complaint Review Committee”) based on Minnesota Statutes section 214.103, subdivision 6(a)(2). Licensee and the Complaint Review Committee agree to the following:

BACKGROUND

1. On June 8, 1978, the Board granted Licensee a license to practice veterinary medicine in the State of Minnesota.
2. On October 1, 2025, Licensee met with the Complaint Review Committee, composed of Julie Dahlke, DVM, Board member; and Raye Taylor, DVM, Board member, to discuss allegations regarding Licensee’s practice of veterinary medicine contained in a Notice of Conference dated September 25, 2025. Theresa Flahaven, Assistant Attorney General, represented the Complaint Review Committee at the conference. Licensee and the Complaint Review Committee have agreed to enter into an Agreement for Corrective Action to address the concerns identified below.

FACTS

3. On or about May 20, 2025, while Licensee provided professional services to a cat at a veterinary clinic in Greenbush Minnesota, the following occurred:

- a. You diagnosed this cat with diabetes following a spay procedure. You failed to provide adequate instructions to the cat's owners regarding diabetic treatments.
- b. Later tests determined this cat was not diabetic.
- c. A review of your medical records regarding this cat showed they were incomplete.

CORRECTIVE ACTION

4. The Committee determined that the conduct described in paragraph 3 above does not comply with Minnesota Statutes section 156.081, subdivision 2(11) and (12), and Minnesota Rules 9100.0700, subpart 1(A), (B), and (C), and 9100.0800, subparts 1, 4 and 8, and necessitates the following corrective action as follows:

- a. Within 30 days from the date of this Agreement, Licensee shall submit to the Committee documentation of the continuing education for Licensee's most recent license renewal.

- b. Within 90 days from the date of this Agreement, Licensee shall submit to the Committee evidence of completion of the following: one (1) credit on the veterinarian client patient relationship; two (2) credits on medical recordkeeping; two (2) credits on diabetes management in cats, which must include differential diagnosis for hyperglycemia; one (1) credit on pain management in small animals; and one (1) credit on anesthetic monitoring in small animals. This continuing education must be pre-approved by the Committee. For purposes of this requirement, the Board preauthorizes the following courses offered by Animal & Veterinary Legal Services, Veterinary Medical Continuing Education:

- 1) The Veterinarian-Client-Patient-Relationship; and
- 2) Veterinary Medical Records.

The credits from this continuing education may not be applied to the requirements for Licensee's next license renewal.

c. Within three (3) months of the date of Committee's approval of the successful completion of the continuing education described above, and for two (2) subsequent quarters, Licensee will submit his appointment schedule for the preceding three (3) months to the Committee. Licensee will provide complete medical records including imaging files for two (2) patients selected from his schedule for review by the Committee. The patients selected will include one anesthetic patient and one non-anesthetic patient. The medical records must meet the Committee's approval.

OTHER INFORMATION

5. Upon Licensee's satisfactory completion of the corrective action referenced in paragraph 4 above, the Committee agrees to dismiss the complaint(s) concerning the matters referenced above. The Committee shall be the sole judge of satisfactory completion. The Committee may reopen this complaint if it receives newly discovered information that was not available to the Committee during the initial investigation, or if the Committee receives a new complaint that indicates a pattern of behavior or conduct.

6. If Licensee fails to complete the corrective action satisfactorily, the Committee may, at its discretion, reopen the investigation and proceed according to Minnesota Statutes chapter 156 (the Board's Practice Act) and Minnesota Statutes chapters 214 and 14. Licensee agrees that failure to complete the corrective action satisfactorily is failure to cooperate under Minnesota Statutes section 156.123 and may subject Licensee to disciplinary action by the Board.

7. Licensee has been advised by Committee representatives that Licensee may choose to be represented by legal counsel in this matter, and has elected to be self-represented.

8. This agreement shall become effective upon execution by the Board's Executive Director and shall remain in effect until the Committee dismisses the complaint, unless the Committee receives additional information that renders corrective action inappropriate. Upon receiving such information, the Committee may, at its discretion, proceed according to Minnesota Statutes chapter 156 (the Board's Practice Act) and Minnesota Statutes chapters 214 and 14.

9. This agreement is not disciplinary action. *See* Minnesota Statutes section 214.103, subdivision 6. However, this agreement is classified as public data pursuant to Minnesota Statutes section 13.41, subdivision 5.

10. Licensee hereby acknowledges having read and understood this agreement and having voluntarily entered into it. This agreement contains the entire agreement between the Committee and Licensee, there being no other agreement of any kind, verbal or otherwise, which varies the terms of this agreement.
