

**BEFORE THE MINNESOTA  
BOARD OF BEHAVIORAL HEALTH AND THERAPY**

In the Matter of  
Claudia McGrath, LADC  
License No. 300752

**ORDER OF  
UNCONDITIONAL LICENSE**

The Minnesota Board of Behavioral Health and Therapy ("Board") having convened on June 15, 2006, to review the petition of Claudia McGrath, LADC ("Respondent"), for reinstatement of an unconditional license to practice alcohol and drug counseling, makes the following:

**FINDINGS OF FACT**

1. On January 19, 2006, Respondent entered into a Stipulation and Consent Order ("2006 Order") with the Board. Under the terms of the 2006 Order, Respondent was required to, among other things, comply with and successfully complete an August 22, 2005, Settlement Agreement with the North Dakota Board of Addiction Counseling Examiners, which included a requirement that Respondent complete three hours of continuing education concerning dual relationships.

2. On April 4, 2006, the Board received information that Respondent had successfully completed the above education.

Based on the foregoing, the Board concludes that Respondent has complied with and fulfilled the 2006 Order and hereby issues the following:

**ORDER**

IT IS HEREBY ORDERED that an unconditional license to practice alcohol and drug counseling in the State of Minnesota be conferred upon Respondent, such license to carry all

duties, benefits, responsibilities, and privileges inherent therein through Minnesota statute and rule.
