BEFORE THE MINNESOTA

BOARD OF PSYCHOLOGY

In the Matter of
Robert Neal, Ph.D., LP
License No. LP4666

ORDER OF
UNCONDITIONAL LICENSE

The Minnesota Board of Psychology ("Board") convened on February 29, 2008, to review the petition of Robert Neal, Ph.D., LP ("Licensee"), for removal of the conditions placed on his license by a Stipulation and Consent Order adopted and implemented by the Board on January 27, 2006 ("January 2006 Order"). Having considered the Complaint Resolution Committee's ("CRC") recommendation that Licensee be granted an unconditional license, the Board determines that Licensee has complied with and fulfilled all requirements and conditions set forth in the January 2006 Order, as follows:

1. Pursuant to paragraph 4.a. of the January 2006, Licensee was required to practice psychology in a group setting. Licensee complied with this provision of the Order.

2. Pursuant to paragraph 4.b. of the January 2006 Order, Licensee was required to practice psychology only under the supervision of a supervising psychologist and meet with the supervisor for no less than one hour per week with quarterly reports being submitted by the supervisor. In compliance with this provision of the Order, Licensee met with a supervisor weekly between February 2006 and January 2008.

Based on the foregoing, the Board hereby issues the following:

ORDER

Licensee shall be granted an UNCONDITIONAL LICENSE to practice psychology in the State of Minnesota, such license to carry all duties, benefits, responsibilities, and privileges inherent therein through Minnesota statute and rule.

The January 2006 Order is superseded by this Order of Unconditional License and shall have no future force or effect.
