

Minnesota Board of Pharmacy

EIGHT HUNDRED AND FORTY NINTH MEETING

At approximately 9:00 a.m., on November 4, 2015, the Minnesota Board of Pharmacy met in Conference Room A, at the University Park Plaza Building, 2829 University Avenue Southeast, Minneapolis, Minnesota, for the purpose of conducting a general business meeting. All members of the Board were in attendance. Also in attendance were the Board's Executive Director, Dr. Cody Wiberg; Deputy Director, Dr. Beth Ferguson; Legal Counsel, Mr. Hans Anderson; and Board of Pharmacy staff, Ms. Candice Fleming, Mr. Leslie Kotek, Ms. Michele Mattila, Mr. Steven Huff, Ms. Ame Carlson, Ms. Barbara Carter, Mr. Brian Park, and Ms. Patricia Eggers.

President Stuart Williams called the meeting to order.

The Board went into closed session to consider disciplinary cases involving licensees.

At the conclusion of the closed session, the meeting was reopened to the public.

The Board next discussed the minutes of the September 30, 2015 business meeting. The minutes were approved as written.

Mr. Rabih Nahas moved and Dr. Joseph Stanek seconded that the items on the Consent Agenda be approved. The motion passed unanimously.

The Consent Agenda for the meeting was as follows:

- CE Report – Approve
- Variance and Policy Review Committee Report from October 21, 2015 - Approve

Dr. Kurt Henn moved and Mr. Rabih Nahas seconded to approve the remainder of the agenda. The motion passed.

The first variance and policy review issue to come before the Board was from five locations of Thrifty-White Pharmacies. The locations are in Karlstad, Renville, Fertile, and Clearbrook, MN and Fargo, ND. Thrifty requested a review of their telepharmacy policies and procedures, which were revised to reflect activities that the pharmacies have been engaged in, but that were not included in the policies and procedures submitted by Thrifty-White with its previous variance requests. The Variance and Policy Review Committee (VPRC) recommended a denial of the policies and procedures. Thrifty-White sent the Board an updated policy after the VPRC made its recommendation. Present at the meeting were Mr. Jeff Lindoo and Dr. Jeff Shorten, representing Thrifty-White. Ms. Laura Schwartzwald moved and Dr. Joseph Stanek seconded that the Board approve the revised policies only until the next Board meeting, on condition that Thrifty submits additional revisions to the policies and procedures for

review at the next meeting of the VPRC. The motion passed five to one with Mr. Rabih Nahas voting in opposition.

Dr. Joseph Stanek excused himself from the meeting.

The next variance and policy review issue to come before the Board was for thirty-four locations of Fairview Pharmacies. The issued involved a policy review regarding the utilization of PMP records. Dr. Wiberg advised the Board that no action and no review needed to be taken.

The next variance and policy review issue to come before the Board was for Fairview Specialty Services Pharmacy, Minneapolis. The variance was to allow two pharmacists to each supervise four telephone technicians in a non-contiguous space and to allow the pharmacy to utilize the non-contiguous space for call center pharmacy work only. The VPRC recommended denial of the original submitted request; however, the VPRC did defer the matter to the full Board so that Fairview could resubmit a new request. Present at the meeting was Ms. Sarah Brown. A new request was submitted that appropriately addressed the concerns of the VPRC. The Board unanimously approved the variance for a twelve month period.

The next variance and policy review issue to come before the Board was for Fairview Lakes Health Services Pharmacy in Wyoming and Hazelden-Center City Pharmacy in Center City. The variance was to allow after hours order review and entry of physician medication orders by Fairview Lakes Health Services Pharmacy for Hazelden-Center City Pharmacy when the hospital pharmacy is closed. The VPRC recommended approval of the variance until July 1, 2016, with conditions listed in the letter of November 4, 2015. The Board unanimously accepted the recommendation of the VPRC.

The next variance and policy review issue to come before the Board was for Fairview University Clinic Pharmacy, Minneapolis and Fairview University Masonic Pharmacy in Minneapolis. The issue for Fairview University Clinic Pharmacy involved a review of policies related to the consulting/management of automated distribution cabinets for ambulatory clinics in the new University of Minnesota Health Clinics and Surgery Center and the issue for Fairview University Masonic Pharmacy is a review of policies related to the management of automated distribution cabinets for hospital-based clinics in the new University of Minnesota Health Clinics and Surgery and Procedure Center. The VPRC recommended a deferral to the next Board Meeting, with revised policies to be submitted to the VPRC for review at its December 2, 2015 meeting. The Board unanimously accepted the recommendation of the VPRC.

Dr. Joseph Stanek returned to the meeting and Ms. Laura Schwartzwald excused herself from the meeting.

The next variance and policy review issues to come before the Board were for several Guidepoint Pharmacies.

- The variance request for Guidepoint Pharmacy #101 and #109 was to allow the delivery of prescriptions to the nursing staff of Assisted Living Facilities and/or home health care offices. The VPRC recommended a two year approval.
- The variance request for Guidepoint Pharmacy #108 and #109 was to allow the pharmacist to be the pharmacist-in-charge at both of the pharmacies. The VPRC recommended a one year approval.
- The variance request for Guidepoint Pharmacy #110 was to allow the utilization of a telepharmacy in Edgerton. The VPRC recommended a one year approval with conditions listed in the letter of November 4, 2015.
- The variance request for Guidepoint Pharmacy #111 was to allow exemptions from the Board's rules regarding having a pharmacist on duty at all times that the telepharmacy is open, no compounding equipment, and space. The VPRC recommended a one year approval with conditions listed in the letter of November 4, 2015.
- The variance request for Guidepoint Pharmacy #110 was to allow the utilization of a telepharmacy in Fulda. The VPRC recommended a one year approval with conditions listed in the letter of November 4, 2015.
- The variance request for Guidepoint Pharmacy #107 was to allow exemptions from the Board's rules regarding having a pharmacist on duty at all times that the telepharmacy is open, no compounding equipment, and space. The VPRC recommended a one year approval with conditions listed in the letter of November 4, 2015.

All recommendations related to these Guidepoint pharmacies were unanimously accepted by the Board.

Ms. Laura Schwartzwald returned to the meeting and Mr. Bob Goetz excused himself from the meeting.

The next variance and policy review issue to come before the Board involved Red Wing Corner Drug, A Walgreens Rx in Red Wing. It was a request for review of policies for nursing home returns. The VPRC recommended not approving the policy because of the need for clarification concerning the issues 24 hour on-site nursing, centralized drug storage, and technician accountability for re-packaging. The Board unanimously accepted the recommendation of the VPRC.

Mr. Goetz returned to the meeting and Dr. Kurt Henn excused himself from the meeting.

The next variance and policy review issue to come before the Board involved St. Elizabeth Medical Center Pharmacy in Wabasha. It was a request for review of policies for nursing home returns. The VPRC recommended not approving the policies because The VPRC recommended not approving the policy because of the need for clarification concerning the issues 24 hour on-site nursing and centralized drug storage. In addition,

the policies should be updated to address pre-packaging and labeling requirements according to MN Rule 6800.3200. The Board unanimously accepted the recommendation of the VPRC.

Ms. Monica Feider, from the Health Professionals Services Program (HPSP), gave the annual presentation to the Board regarding HPSP. Mr. James Alexander from the Pharmacist Recovery Network was also present to answer questions. Ms. Feider acknowledged how much Mr. Alexander has done for the pharmacists in the state of Minnesota and presented Mr. Alexander with a certificate of appreciation. President Williams also thanked Mr. Alexander for his work and expressed the appreciation of the Board. No action other action was necessary.

Dr. Wiberg next gave the Board an update on the proposed work condition rules. No action other action was necessary.

Ms. Barbara Carter next gave an update on the Prescription Monitoring Program (PMP). The Minnesota PMP Advisory Task Force (PMPATF) submitted a request that the Board consider moving language forward to the legislature that would add law enforcement representation to the PMPATF. Dr. Wiberg provided the Board with additional information and recommended that the Board not pursue such legislation. Ms. Laura Schwartzwald moved and Dr. Kurt Henn seconded that the PMPATF be thanked for its work but that it be informed that the Board will not pursue such legislation during the 2016 Session. The motion passed unanimously.

There being no further business requiring action by the Board, President Stuart Williams adjourned the meeting at approximately 11:45 AM.

PRESIDENT

EXECUTIVE DIRECTOR
