### 1. Call to Order / Roll Call – Public Session

The public session of the Board meeting was called to order at 11:25 a.m.

Board members present: Barb Carlson, Marlae Cox-Kolek, Freddie Davis-English, Judi Gordon, Kristen Piper, Duane Reynolds, Bob Schmillen, Marjorie Van Slyke, and Walter Roberts, Jr.

Board members absent: Doug Frisk, Yvonne Hundshamer, Mary McGowan, Nona Wilson

Staff members present: Kari Rehtzigel, Executive Director; Patricia LaBrocca, LPC/LPCC Licensing Coordinator; Samantha Strehlo, LADC Licensing Coordinator

Ms. Rehtzigel introduced Pat LaBrocca to the Board. Ms. LaBrocca joined the staff on September 11, 2013. She previously worked for the Minnesota Board of Psychology for 17 years as an investigator, providing services in the complaint resolution process. Ms. LaBrocca stated she was very happy to be working at BBHT and that the shift to the licensure process was not as difficult as she thought it would be. She noted that the small staff at BBHT has a heavy workload and works very well together.

### 2. Approval of July 26, 2013, Board Meeting Minutes

Marlae Cox-Kolek moved to approve the minutes. Duane Reynolds seconded. Chair Gordon noted an error on page 3, item 6 of the minutes: “udi” should be changed to “Judi.” Chair Gordon called for a vote on the motion to approve the minutes as corrected. Kristen Piper abstained from the vote because she was not present at the last meeting, all other Board members present voted aye, there were no nays, and the motion to approve the minutes carried.

## 3. Staff Member Reports

### A. Executive Director's Report (Kari Rechtzigel).

Ms. Rechtzigel provided Board members with a report of the Board's receipts and expenditures through September 2013. The Board is collecting sufficient revenue to cover expenditures and is operating with a surplus in funds. Receipts through September 2013 total \$197,266.46; costs total \$73,413.86. In the first quarter of the fiscal year, the Board collected 25.03% percent of the annual base budget amount and spent 12.09%.

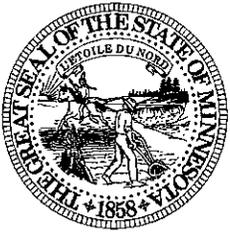

Ms. Rechtzigel reported that the Board was contacted by Mary Rosenthal, Director of Workforce Development, Healthforce Minnesota, to have a representative serve on a Mental Health Workforce Summit Steering Committee. The Minnesota Legislature passed legislation requiring that Minnesota State Colleges and Universities convene a Mental Health Summit and develop a mental health workforce plan. Nona Wilson agreed to serve on the committee.

Ms. Rechtzigel provided copies of articles that appeared in the Star Tribune focusing on the Minnesota Board of Nursing disciplinary processes and impaired professionals participating in the Health Professionals Services Program. Issues raised in the articles have the potential to affect all health-related licensing board processes in these areas. Pat LaBrocca noted a similar situation previously occurred with the Board of Medical Practice, and an audit of their processes found no significant problems. Chair Gordon stated she served as the Board representative to HPSP in the past, and discussions occurred regarding how many times a person should be allowed to return to the program after failing to comply. There is no definitive answer. Duane Reynolds agreed. Chair Gordon and Walter Roberts noted that it is the position of the counseling profession that people can change. What is unknown is how long it may take an individual to do so.

Ms. Rechtzigel explained the process for submitting legislative proposals in 2014. She completed the required documents for the Governor's Office on September 30. The Board will move forward with the language developed last year to create a permanent method to LPCC licensure for persons converting their LPC licenses.

Chair Gordon asked the Board to recognize Ms. Rechtzigel's efforts in keeping the licensure processes moving in the past several weeks with limited staff support due to leaves and the hiring process to fill the LPC/LPCC Licensing Coordinator position.

## 5. Tiered Licensure Working Group Report (Judi Gordon, Kari Rehtzigel, Samantha Strehlo)

Chair Gordon reported that five working group meetings have been conducted to date, and she acts as the facilitator at the meetings. Tiered licensure is something that needs to happen. Protecting the public is foremost. In addition to the task of studying tiered licensure, the group also discussed topics related to reimbursement for services, career paths for people entering the field, the role of ancillary providers (peer
