**This authorization is (check one):**     **New**                       **Renewal**                       **Replacing**

**PURPOSE OF DISCLOSURE:** to authorize HPSP to obtain private data for the purposes of determining your eligibility for HPSP services, to establish and implement a Participation Agreement, and to provide ongoing monitoring services. I am authorizing HPSP to provide the above-named agency with private Monitoring data concerning my participation in HPSP to assist in determining my ability to practice safely. You are not legally obligated to release this information to HPSP; however, if you fail to release the information, HPSP will discharge you and make a report to your regulatory board.

**INFORMATION TO BE EXCHANGED BETWEEN HPSP AND THE ABOVE IDENTIFIED PARTY:**

Verify group attendance & recovery progress	X	Monitoring Data	X
Verbal exchange of information	X	Other (specify)	

**I understand that my decision to allow release of the data to HPSP is voluntary.**

- My decision to allow release of the data to the above-named agency is voluntary;
- HPSP wants to release the data to assist in determining my ability to practice safely;
- Although the data are classified as private at HPSP, the classification/treatment of the data at the above-named agency may not be the same and is dependent on the laws or policies that apply to the above-named agency;
- I give HPSP permission to discuss the data released by this consent with the above-named agency.
- This authorization expires at the end of one year from the date of signature unless expressly removed in writing earlier.
- I may revoke this authorization at any time by notifying HPSP and the providing individual/organization in writing, and it will be effective on the date notified except for information that has already been released under this authorization.
- The information provided to HPSP may be accessible to HPSP medical consultants and other providing organizations authorized to exchange information.
- HPSP may release data to other persons and government entities who are authorized to review data, investigate specific conduct, or take other legal action. The information used or disclosed pursuant to this authorization may be disclosed by the recipient and may no longer be protected by federal law. Data obtained by HPSP is governed by Minnesota Statutes chapter 13 and section 214.35.
