

**BEFORE THE MINNESOTA
BOARD OF BEHAVIORAL HEALTH AND THERAPY**

In the Matter of
Leroy Rogers, Temporary Permit Holder
License No. 2214

**ORDER OF
UNCONDITIONAL TEMPORARY
PERMIT**

The Minnesota Board of Behavioral Health and Therapy (“Board”) having convened on April 24, 2026, to review the petition of Leroy Rogers (“Permittee”), for an unconditional temporary permit to practice alcohol and drug counseling, makes the following:

FINDINGS OF FACT

1. On January 28, 2022, the Board adopted a Stipulation and Consent Order in the matter of Leroy Rogers (“2022 Order”). The 2022 Order suspended Permittee’s temporary permit to practice alcohol and drug counseling. The suspension was stayed so long as Permittee complied with the conditions the 2022 Order placed on Permittee’s temporary permit.

2. Paragraph 7 of the 2022 Order provides that Permittee may petition the Board for an unconditional temporary permit upon successful completion of the Health Professionals Services Program.

3. On February 27, 2026, the Board’s Complaint Resolution Committee (“Committee”) reviewed Permittee’s petition for an unconditional temporary permit to practice alcohol and drug counseling. The Committee found that Permittee met his burden of proving that he complied with the requirements of the 2022 Order. The Committee therefore recommended that the Board issue Permittee an unconditional temporary permit to practice alcohol and drug counseling in the State of Minnesota.

4. Based on the foregoing, the Board concludes that Permittee has complied with and fulfilled the terms of the 2022 Order and issues the following:

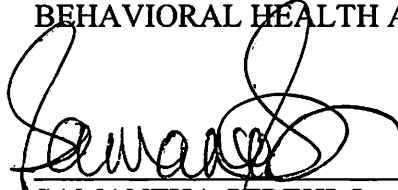

ORDER

IT IS HEREBY ORDERED that an unconditional temporary permit to practice alcohol and drug counseling in the State of Minnesota be conferred upon Permittee, such temporary permit to carry all duties, benefits, responsibilities, and privileges inherent therein through Minnesota statute and rule.
