Applicant Information Collection and Use

The information provided with this application will be used by the Board to assess your qualifications for licensure. It may also be used to determine whether you have violated any statutes or rules the Board is empowered to enforce. You are not required to complete this application, but if you fail to do so, the Board will be unable to process it or issue a student permit. If the information provided shows a violation of any statutes or rules enforced by the Board, you may be subject to disciplinary action by the Board including the assessment of civil penalties. Using fraud or deception to obtain a registration may be a basis for denial or other disciplinary action.

Minnesota Statutes § 270C.72, subd. 4 requires applicants to provide their social security number or individual taxpayer identification number. Your social security number or individual taxpayer identification number may be requested by and released to the Minnesota Commissioner of Revenue and may be used for revenue recapture as authorized by Minnesota Statute. Upon the Minnesota Department of Revenue's request, the Board must provide it with a list of all applicants, including their name, address, and social security number or individual taxpayer identification number. The Department of Revenue may order the Board to revoke or not issue the license of any applicant who has not filed tax returns or is delinquent in paying taxes.

Except for an individual applicant's name and address, application information on individuals is private data while the application is pending. But in circumstances authorized or required by law, the information may be disclosed to others, including the Attorney General's Office, the Minnesota Department of Revenue, the state or legislative auditor, persons contacted for purpose of verification or investigation, and persons who obtain a court order to receive the information. After issuance of a license, the information provided, except your social security number and any nondesignated addresses becomes public data and may be released to anyone upon request. Information provided on this application that is not on an individual is, in general, public.
