BEFORE THE MINNESOTA

BOARD OF DENTISTRY

In the Matter of
Paul C. Tompach, D.D.S.
License No. D11128

ORDER TO REMOVE CONDITION TO REFRAIN FROM PRACTICE

Paul C. Tompach, D.D.S. ("Licensee") is subject to the Stipulation and Order for Stayed Suspension, Limited, and Conditional License adopted by the Minnesota Board of Dentistry ("Board") on March 11, 2016 ("2016 Order"). The 2016 Order suspended Licensee's license to practice dentistry and stayed the suspension contingent upon Licensee's compliance with certain conditions and limitations. The Board's Complaint Committee ("Committee") met on May 19, 2016, to review and consider the evidence submitted by Licensee in support of his request to remove the condition described in paragraph 8.a. of the 2016 Order. Paragraph 8.a. of the 2016 Order required Licensee to refrain from the practice of dentistry until successful completion of a psychological fitness for duty evaluation.

Based on the evidence presented, the Committee has determined that Licensee completed the psychological fitness for duty evaluation to the extent necessary to remove the condition described in paragraph 8.a. of the 2016 Order. The Committee's determination is specific to the condition described in paragraph 8.a. of the 2016 Order, and shall not be interpreted to mean Licensee has completed the psychological fitness for duty evaluation to the extent necessary to lift the limitations described in paragraph 9.a. of the 2016 Order.

Based on the evidence presented, the Board issues the following Order:

ORDER

1.   IT IS ORDERED, pursuant to the authority delegated to the Committee by the Board under paragraph 8.a. of the 2016 Order, that the condition that Licensee refrain from the practice of dentistry is removed; and

2.   IT IS FURTHER ORDERED that Licensee's license remains subject to the 2016 Order, and all other conditions and limitations of the 2016 Order continue in full force and effect.
