
**BEFORE THE MINNESOTA
BOARD OF VETERINARY MEDICINE**

In the Matter of
Jonathan David Woodman, D.V.M.
License No. 03694

**ORDER FOR
TEMPORARY SUSPENSION**

The Minnesota Board of Veterinary Medicine (“Board”) is authorized pursuant to Minnesota Statutes chapter 156, and sections 214.10 and 214.103 (2014) to license, regulate, and discipline persons who apply for, petition, or hold licenses to practice veterinary medicine in the State of Minnesota, and to take disciplinary action where appropriate. The Board is further authorized pursuant to Minnesota Statutes section 214.077 to temporarily suspend a license to practice veterinary medicine, if the Board has probable cause to believe continued practice by the veterinarian presents an imminent risk of harm.

1. The Board has received credible information that Jonathan David Woodman, D.V.M. (“Licensee”), has provided care that fell below the minimum standards of practice when he engaged in the following: (1) conducted multiple surgeries on a radial fracture where the method of repair was unusual and not adequate nor currently recommended for radial fractures; (2) failed to properly identify the problems with the surgical method and refer the animal’s owner to another veterinarian for care; and (3) deliberately misled the Board during the Board’s investigation of Licensee.

2. After a preliminary inquiry, the Board finds there is probable cause that Licensee has violated Minn. Stat. § 156.081, subd. 2(11), (12), and (17), and Minn. R. 9100.0700, subps. 1(A), (B), and (C); and Minn. R. 9100.0800, subps. (1), (3), and (4), and that Licensee’s continued practice would present an imminent risk of harm.

3. Based on the above facts, the Board finds that a temporary suspension of Licensee's license is warranted pursuant to Minnesota Statutes section 214.077.

Accordingly, the Board issues the following:

ORDER

1. Licensee's license to practice veterinary medicine in the State of Minnesota is **TEMPORARILY SUSPENDED IMMEDIATELY** pursuant to Minnesota Statutes section 214.077. **During the period of suspension, Licensee shall not in any manner practice veterinary medicine in the State of Minnesota.**

2. The temporary suspension of Licensee's license shall take effect immediately and shall remain in effect until the Board issues a final order in this matter.

3. A contested case hearing will be scheduled with the Office of Administrative hearings in this matter, pursuant to the Minnesota Administrative Procedure Act, located at Minnesota Statutes Chapter 14. Unless otherwise agreed by the parties, the Committee shall provide Licensee with at least 10 days' notice of the hearing and the hearing shall be scheduled to begin no later than 30 days after the issuance of this Order.

Dated: June 22, 2016.
