RFO Number RFO0017  
Requesting Entity Name Office of MN.IT Services  
Request Title Project Manager and Business Analyst for  
Request Description In May 2014, legislation was passed that allows a qualifying patient with a debilitating medical condition to obtain and possess cannabis for medical use on July 1, 2015 by participating in a patient registry. The Department of Health is required by law to develop regulations for patient and caregiver registration, operation of manufacturers, and other aspects of the law. The Department is currently building the necessary infrastructure to implement the law, including the development of a registration process for patients and caregivers that allows MDH to perform observational studies.
