October 6, 2014 to November 21, 2014

*Q4. The RFO states that all deliverables must be completed by November 21, 2014. We would like to check with you to see if this is only 1 month project.*

Yes

*Q5. Does the work need to be 100% on site or can the work be done at our offices using our own facilities? We would hold group and status meetings at the State.*

Some work can be done off-site, so long as the work is consistent with contracting provisions regarding location.
