

RFO Number RFO0042
Requesting Entity Name Human Services Department
Request Title MNsure Project - Mediations
Request Description MN.IT @ DHS is issuing this Request for Offers (RFO) to procure the services of one (1) Developer/Programmer with strong experience in large and complex systems development projects. The Developer/Programmer will provide development of and production maintenance support to the mediations developed in support of the MNsure IT solution. The resource will develop/modify newly-identified Mediations, endpoints, WSDL's etc. as needed by the overall project. This includes changes required due to modifications or newly introduced code from adjoining systems such as IBM/Curam, Connecture, EngagePoint product suite and ESOR (Enrollment System of Record), etc. An Individual must be able to provide "diagnostic analysis" of the MNsure system as issues are reported.

Contract(s) Awarded

Contract ID 91426

Entity Type State Agency

Information on contracts executed by an entity type of State Agency can be found using the contract ID in the MN Open CheckBook under TransparencyMN located at <http://mn.gov/mmb/transparency-mn/>.

For information on contracts executed by an entity type other than State Agency you will need to contact that entity directly using the contact information that was provided in the RFO.
