Request Description MN.IT @ DHS is issuing this Request for Offers (RFO) to secure an additional 5 -10 Project Managers with strong experience in large and complex systems development projects. The Project Managers are needed to bring several active, highly visible projects to successful completion to enable the MNsure technical solution to be deployed and fully operational. The Project Managers will be responsible for managing a pre-identified MNsure IT project portfolio. These may include several cross-agency projects with key collaborators from MNsure, MN.IT and the State Department of Human Services (DHS). The total value of the total portfolio of projects being impacted exceeds \$50 million dollars. The successful candidates will have the experience to assume immediate responsibility for large and technically complex projects (new and active projects) which impact current processes, to develop flexible and efficient plans, lead matrixed project teams with multiple priorities while simultaneously fostering an environment of team building and coordination.
