

RFO Number RFO0060
Requesting Entity Name Office of MN.IT Services
Request Title Criminal History System Replacement
Request Description The Criminal History System (CHS) Replacement Project is currently underway. A majority of the development work is being performed under contract by a team working off-site. The BCA requires resources ready to work in an Agile environment and able to perform as-is and to-be business process analysis and document user stories. The resource must be able to document user stories, activity, sequence, class, object and state diagrams as required to clearly document the CHS requirements. Able to create data dictionary and data mapping documents, writing acceptance criteria, test scenarios and conduct user acceptance testing. Able to coordinate activities with a team to document and improve business processes with complex rules and comply with statutory and legal requirements. The successful resource will coordinate with other business analysts, a project manager, project sponsor, quality assurance, technical staff, subject matter experts, and the off-site development vendor team.

Contract(s) Awarded

Contract ID 95559

Contract ID 95546

Entity Type

State Agency

Information on contracts executed by an entity type of State Agency can be found using the contract ID in the MN Open CheckBook under TransparencyMN located at <http://mn.gov/mmb/transparency-mn/>.

For information on contracts executed by an entity type other than State Agency you will need to contact that entity directly using the contact information that was provided in the RFO.
