RFO Number RFO0098

Requesting Entity Name Human Services Department

Request Title MNSure Audit and Compliance Project

Request Description The MNSure IT system has federal and state statutory and regulatory requirements that mandate safeguarding of consumer data. These include Minnesota Statutes 62V.06, Subd. 8(a), MARS-E, Health Insurance Portability and Accountability Act (HIPAA), and Health Information Technology for Economic and Clinical Health (HITECH). For effective oversight of safeguards over consumer data, the MNSure IT system has in place various capabilities, this project will expand upon the current capabilities.  
The State of Minnesota is seeking services and system architecture for reviewing requirements, designing an ETL architecture and implementing Cloudera Hadoop based solutions for data ingest.

Contract(s) Awarded

Contract ID 103729

Entity Type

State Agency

Information on contracts executed by an entity type of State Agency can be found using the contract ID in the MN Open CheckBook under TransparencyMN located at <http://mn.gov/mmb/transparency-mn/>.

For information on contracts executed by an entity type other than State Agency you will need to contact that entity directly using the contact information that was provided in the RFO.
